

**ELECTRONIC-DISTRICT PERSONNEL MANUAL
TRANSMITTAL SHEET
NUMBER 197**

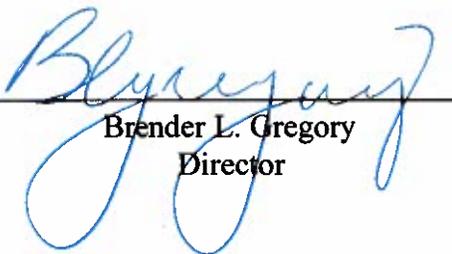

The attached pages replace the rules for Chapter 27 of the D.C. personnel regulations, Temporary Assignment of Personnel. These rules are being replaced because of final rulemaking published in the *D.C. Register (DCR)* on July 2, 2010 (57 DCR 005745). The rules amended the chapter to update all citations to the D.C. Official Code and other legal and regulatory citations and references to agencies' names throughout the chapter; and make other minor non substantive changes throughout the chapter. While no comments were received to the Notice of Proposed Rulemaking published on August 28, 2009 (56 DCR 007102), non-substantive changes were made to correct subsection numbering in section 2702 of the chapter.
