Prices, hotels and/or packages may be subject to change depending on booking dates and availability. Actual rates and availability for a specific date and destination may vary at any time, including prior to completing a booking. Please contact your travel coordinator for the most recent pricing. Payment plan amounts are subject to approval based on credit worthiness and the amount financed. Prices do not include local or state sales tax and may be subject to change. The terms of this agreement assumes that there are no additional borrowings or additional extensions of credit to the customer. Although every precaution is taken, variables in pricing and/or specs may occur. We reserve the right to make any such corrections at the time of purchase. Prices cannot be guaranteed until tickets and/or travel vouchers are booked and issued. Please note vacation packages change monthly.
