Find in-network doctors

Find the doctor who's right for you with the **provider search tool**. The tool is available on your member website at **Aetna.com** or on the Aetna HealthSM app.

Enjoy the freedom to visit any network doctor

Our plans give you the freedom to visit any doctor who is part of our network, without a referral. However, working with a primary care physician (PCP) gives you a chance to visit a doctor who will get to know your personal health care needs. Your PCP can:

- Provide routine care and treat you for certain illnesses and injuries
- Know your health patterns and risks
- Guide you on important health decisions

It's easy to choose a primary care physician

You can select or change your PCP at any time by calling Aetna[®] Member Services. Or you can log in at **Aetna.com** and select **Find Care & Pricing**.

Provider search en Español?

Simply click on the "Español" link at the top of the provider search page to switch to a Spanish version.

Building a relationship with a PCP is a good idea. They'll help you make informed decisions about your care.

One Medical[™] — your primary care benefit

Excellent in-person and 24/7 virtual care

One Medical is a membership-based primary care practice. They offer fast access to appointments in multiple locations nationwide and no-cost 24/7 virtual care through the One Medical app. You can expect high-quality care with a focus on getting to know you as a patient and a person.

Your health care home base

You can turn to One Medical for both your physical and mental health care needs, including:

- Annual wellness visits
- Care for everyday ailments
- Management of chronic conditions, such as diabetes and depression

Activate your no-cost membership

- Your plan covers the cost of annual membership for you and your covered spouse and dependents of all ages.
- One Medical providers are part of the Aetna network. Scheduled visits are billed to your medical plan like any doctor's office visit. There's no cost for 24/7 virtual care.
- Visit **OneMedical.com/Aetna** to sign up using your Aetna ID number. If you have any issues, contact **Hello@OneMedical.com**.

The right care when you need it

It's important to know where to go to get the care you need for the lowest cost. Of course, if you have a life-threatening illness or injury, don't wait — go to the nearest emergency room (ER) or dial 911.

Your doctor (primary care physician)

Aetna® plans give you the freedom to visit any doctor who is part of the Aetna network without a referral. However, working with a primary care physician gives you a chance to visit a doctor who will get to know your personal health care needs, medical history and background.

Always visit your doctor first, if possible.

Walk-in clinics

- Offer treatment for minor health issues, such as strep throat, ear infections, bronchitis and allergies
- Cost less than urgent care centers and ERs
- Are open extended hours and evenings
- Are usually located within a store or pharmacy

Urgent care centers

- Offer treatment for more serious health issues, such as fever, sprains, minor cuts and burns
- Cost slightly more than walk-in clinics but much less than the ER
- Have extended evening, weekend and holiday hours

ERs

- Are for life-threatening emergencies, such as chest pain, trouble breathing or severe bleeding
- Have the highest cost for treatment
- Are open 24/7
- Treat true emergencies first, often resulting in a long wait for non-urgent cases

In-network labs

Both Quest Diagnostics and Labcorp locations are in-network labs under the Aetna medical plans and offer a full range of lab services.. You can also get in-network lab services at One Medical™ locations.

Virtual care

Many doctors now offer virtual visits online or through an app. The Aetna® medical plans cover virtual doctor visits the same as in-person visits. You also have the options below for connecting with a doctor, therapist or nurse by phone or video.

Consult with a doctor 24/7 — from anywhere

Teladoc Health general medical care

Talk with a licensed doctor by phone or video for help with non-emergency medical issues.

PPO Copay is \$15	HMO Copay is \$10	CDHP Responsible for the full charge until deductible is met
--------------------------	--------------------------	---

Teladoc Health dermatology

Upload photos of your skin condition, and a Teladoc Health dermatologist will send you a diagnosis and treatment plan within two business days. They'll also schedule a follow-up within seven days.

PPO Copay is \$15	HMO Copay is \$20	CDHP Responsible for the full charge until deductible is met
--------------------------	--------------------------	---

Teladoc Health behavioral health care

Schedule video visits with a psychiatrist, psychologist, social worker or therapist, seven days a week, from 7 AM–9 PM ET. You can request the same provider for each visit. Available for members age 18 and older.

PPO Copay is \$5	HMO Copay is \$5	CDHP Responsible for the full charge until deductible is met
-------------------------	-------------------------	---

To get started, go to TeladocHealth.com/aetna, call **1-855-TELADOC (1-855-835-2362)** or download the Teladoc Health app.

Talk to a registered nurse anytime — day or night

With the 24-Hour Nurse Line, you can talk to a registered nurse anytime, day or night, at no cost to you. The 24-Hour Nurse Line nurses can provide information on health and wellness issues, answer questions about medical tests and procedures, and even help you prepare for a doctor visit.*

Call the **24-Hour Nurse Line at 1-800-556-1555 (TTY: 711)**.

*While only your doctor can diagnose, prescribe or give medical advice, the 24-Hour Nurse Line nurses can provide information on a variety of health topics.

You can also get no-cost 24/7 virtual care with One Medical™.

Personal attention

Whether you're managing a chronic condition or dealing with a complex health challenge, our nurses can help. If you're identified for care management, a nurse may reach out to you. Or you can reach out for support.

Aetna One® Choice — ongoing nurse support when you need it most

If you have an urgent health need, we connect you to one-on-one nurse support.* A dedicated nurse, backed by a multidisciplinary team, will work with you to help you achieve your health goals. They may also recommend you for group coaching support for specific health needs. Or you can explore member resources such as the Cancer Support Center, the Maternity Support Center and the Back & Joint Care Support Center.

In less severe situations, a nurse can help you access convenient, personalized online tools designed to help you adopt new lifestyle behaviors. You can make small changes that have a big impact on your health. And you can work toward your individual health goals at your pace.

Call **1-877-243-2752 (TTY: 711)** to talk to an **Aetna One Choice** nurse.

*While only your doctor can diagnose, prescribe or give medical advice, care management nurses can provide information on a variety of health topics.

A built-in resource

Aetna One Choice is built right in to your benefits. It's a powerful program that opens up a whole new world of personalized support.

These resources are confidential. They cost nothing extra. And they can make a huge difference in how you feel.

Wellness incentives

Earn up to \$175 in wellness incentives for completing healthy activities.

You have three opportunities to earn a reward:

1. Get a biometric screening and earn a \$100 reward. The biometric screening must be completed by your doctor or at a Quest Diagnostics lab.

2. Take the online health assessment and earn a \$50 reward. Log in to your Aetna® member website at **Aetna.com** to complete the assessment.

3. Complete an online lifestyle program and earn a \$25 reward. Log in to your Aetna member website at **Aetna.com** to learn about the wellness programs available to you.

Lifestyle and Condition Coaching

Get coaching support and personalized health actions that fit your life.

If you want to eat better, be more active, relieve stress, sleep better, ease pain or take charge of your health, this program can help. Aetna® Lifestyle and Condition Coaching offers clear, trusted health information to help you improve or maintain your health. Your coaches can encourage and support you, as well as celebrate your victories. It's confidential and included in your benefits plan. And you can access it anytime, anywhere — in a way that's best for you.

You set the pace and tone

You can take this program as fast or as slowly as you want.

You choose how and when to connect

How, when and where you get coaching is up to you. This program offers:

- **24/7 web and mobile access** on your chosen device
- **Live online group coaching** sessions
- **One-on-one phone support**
- **In-person connections**, for eligible members, where available

You decide what to work on now — and next

Choose one topic to get started. And once you're in the program, you can get help for whatever issues are affecting your health. Options include:

Healthy lifestyle topics

- Exercise management
- Nutrition management
- Stress management
- Weight management
- Sleep
- Tobacco cessation
- General health education
- Women's health

Common health issues and chronic conditions

- Arthritis
- Asthma*
- Back and neck pain
- Diabetes*, prediabetes and metabolic syndrome
- High blood pressure*
- High cholesterol
- Inflammatory bowel disease
- Kidney disease
- Migraines
- Obesity (BMI > 30)*
- And more

*Programs for children and adults are available.

Choose how to get started

- Sign in at **Aetna.com** and select “**Well-being Resources.**”
- Download the **ActiveHealth®** app.

Let's do this ... together!

Aetna Enhanced Maternity Program™

Get ready for a healthy pregnancy

If you're pregnant or thinking about having a baby, it can be a very exciting time. And it's important to have a healthy start for both you and your baby. That's why we're here to support you along the way.

Check in with your doctor

Before you get pregnant, take time to schedule a visit with your Ob/Gyn. If you don't have one, log in to your member website at **Aetna.com** and click **Find Care & Pricing**. During this important checkup, you and your doctor can discuss prenatal care, including vitamins and any necessary health screenings.

Take our pregnancy risk survey

Find out if you have any health conditions or risk factors that could negatively affect your pregnancy. If you are identified as "at risk" or "high risk," you'll receive two follow-up calls after delivery. You'll also get an initial screening for depression and more support if needed.

Join the Aetna Enhanced Maternity Program for access to:

- Helpful information on prenatal care, labor and delivery, and more
- A survey about your health and pregnancy
- A personal nurse, if you have health conditions that may affect your pregnancy
- Guidance and support to help stop smoking
- Phone-based genetic counseling and screening, as well as convenient, confidential and cost-effective genetic testing
- A fertility advocate to help you navigate your fertility journey (if your plan includes this benefit)

To join the Aetna Enhanced Maternity Program, scan the **QR code** or call us at **1-800-272-3531 (TTY: 711)** weekdays from 8 AM to 7 PM ET.

You can learn more and start saving by logging in to your member website at **Aetna.com**

DISCOUNT OFFERS ARE NOT INSURANCE. They are not benefits under your insurance plan. You get access to discounts off the regular charge on products and services offered by third-party vendors and providers. Aetna makes no payment to the third parties — you are responsible for the full cost. Check any insurance plan benefits you have before using these discount offers, as those benefits may give you lower costs than these discounts.

Discount vendors and providers are not agents of Aetna and are solely responsible for the products and services they provide. Discount offers are not guaranteed and may be ended at any time. Aetna may get a fee when you buy these discounted products and services. Hearing products and services are provided by Hearing Care Solutions and Amplifon Hearing Health Care. Vision care providers are contracted through EyeMed Vision Care. LASIK surgery discounts are offered by the U.S. Laser Network and QualSight. Natural products and services are offered through ChooseHealthy®, a program provided by ChooseHealthy, Inc., which is a subsidiary of American Specialty Health Incorporated (ASH). ChooseHealthy is a registered trademark of ASH and is used with permission.

How the Aetna® medical plans work

The Government of the District of Columbia offers three plan options:

1 Aetna HMO Plan Aetna Health Network OnlySM

Visit any in-network doctor.

You can visit any in-network doctor, facility or other provider. Out-of-network care is not covered. For most services, you pay a copay (a specific dollar amount) at the time of your care.

2 Aetna PPO Plan Open Choice® PPO

Visit any doctor in network or out of network.

The plan gives you the freedom to use any licensed provider, but you'll pay less when you stay in the network. Network providers also file claims for you.

3 Aetna Consumer-Driven Health Plan (CDHP) with Open Choice PPO

Take charge of your health care costs.

A consumer-driven health plan puts you, the consumer, in the driver's seat. You have the protection of a medical plan, with in- and out-of-network coverage. You also get a tax-free Health Savings Account (HSA) to help you pay for qualified health care expenses.

All three plans offer access to a national network of medical providers — without requiring a referral from your primary care physician (PCP). But it's a good idea to select a PCP because they get to know you and your health history.

How the CDHP works

The CDHP includes an HSA, which is separate from a Flexible Spending Account (FSA). HSA funds are yours to keep and spend on eligible health care expenses when and how you want.

Benefits of an HSA

- You choose an amount to contribute through payroll deductions.
- You enjoy a triple tax advantage:
 - Tax-free payroll contributions
 - Tax-free interest and investment earnings
 - Tax-free withdrawals to pay eligible expenses
- Funds roll over from year to year, and the account is yours to keep even if you leave the company.
- InspiraTM Financial administers your account. You can log in at [InspiraFinancial.com](https://www.inspirafinancial.com) or use the Inspira MobileTM app to manage your HSA.

How to get the most out of your CDHP

Build your HSA

Maximize your contributions. The maximum allowed contributions for 2025 are:

- \$4,300 for single coverage
- \$8,550 for family coverage

If you're age 55 or older, you can make an additional \$1,000 "catch-up" contribution.

Your HSA earns interest. And once your balance reaches \$1,000, you can start investing through Inspira Financial.

Use your HSA funds now or grow and save them for future health care expenses, even in retirement.

Shop smart for health care

Getting care in the Aetna® network will always cost less than getting care out of network. But you could save even more by comparing costs at different in-network facilities before you receive care. Use the cost estimator tool on your Aetna member website at [Aetna.com](https://www.aetna.com) or on the Aetna HealthSM app.

***A penalty applies for non-emergency use of emergency hospital services.

¹Walk-in clinics are in-network, freestanding health care facilities. They're an alternative to a physician's office visit for treatment of unscheduled, non-emergency illnesses and injuries and the administration of certain vaccines. They're not an alternative to emergency room services or the ongoing care provided by a physician. Neither an emergency room, nor the outpatient department of a hospital, will be considered a walk-in clinic.
