

## **Office of the State Superintendent of Education**

### **Motor Vehicle Operator (Bus Driver)**

OSSE believes all District residents deserve a world-class public education and provides transportation for special needs students to and from school. As a Driver at OSSE, you will be responsible for providing that safe and efficient transportation for the Districts children.

OSSE will be conducting onsite interviews at the DC Direct Connect Fair. Candidates must have a valid CDL license with S & P endorsements and at least two years of experience operating a motor vehicle of similar size and complexity. Additionally, a CPR/First Aid Certification and DOT card is required. Previous experience working with children or people with special needs is preferred, but not required.
