

The Government of the District of Columbia Wellness Initiatives

GIVE YOUR HEALTH A BOOST WITH REWARDS

KAISER PERMANENTE®  thrive

Getting started

When you take advantage of the Government of the District of Columbia (DC Government) Wellness Initiative, you can earn rewards such as a \$100 reward card. You can also learn about vital health numbers like your blood pressure, blood glucose level, and body mass index.

Beginning May 1, 2019, DC Government employees can earn a \$100 reward card from Kaiser Permanente when they:

- Complete a brief online Total Health Assessment
- Complete their biometric screenings

You can come in during any on-site biometric screening event sponsored by Kaiser Permanente, or schedule a visit at a medical center when it's convenient for you.

The Total Health Assessment and biometric screening activities are retroactive beginning April 1, 2019, and must be completed by October 31, 2019, to earn your reward.
