

Blue Rewards

Earning your rewards just got easier! With our improved Blue Rewards incentive program, you can decide which healthy activities interest you and be rewarded for completing them.

How it works

Blue Rewards offers you incentives for taking steps to get and stay healthy. Both you and your spouse/ domestic partner can earn rewards for completing one or all of the following activities:

Earn \$100

Select a primary care provider (PCP) and complete a health screening

You can visit your PCP or visit a CVS MinuteClinic® to complete your screening.

Must complete within 120 days of your effective date.

Earn \$50

Consent to receive wellness emails and take the RealAge® test

The RealAge test is a simple questionnaire that will tell you what your RealAge is versus your actual age.

Must complete within 120 days of your effective date.

Earn \$25

Retake the RealAge test

If you earned the reward for taking the test initially, you can earn an additional reward for retaking it after six months.

Must complete before the end of your benefit period.

Learn more about the activities

Choosing a PCP

Be sure to choose a PCP* who participates in our Patient-Centered Medical Home (PCMH) program to earn your reward. The PCMH program is designed to provide your PCP with a more complete view of your health needs and the care you receive from other providers.

RealAge

Developed by our trusted partner, Sharecare, Inc.,** the RealAge test is a confidential online health assessment that helps determine the physical age of your body compared to your calendar age. RealAge identifies the habits impacting your body's age so you can improve your well-being.

Health screening

Health screenings help you understand your current health status, so you can take steps to improve it. You can complete a health screening with your PCP or at a CVS MinuteClinic.

Your CareFirst Blue Rewards Visa® Incentive Card

After you complete one or more of the activities, you'll receive your incentive card in about 10-14 days. The incentive card can be used toward your annual deductible or other out-of-pocket costs like copays or coinsurance related to eligible expenses (medical, prescription drug, dental and vision) under your CareFirst BlueCross BlueShield (CareFirst) health plan. Make sure to always save your receipts as proof of your expense.

Keep the card as long as you are a CareFirst member as any future incentives you earn will be automatically added to the same card.

You have until the end of your benefit period to use your reward, plus an additional 90 days to reimburse yourself for any eligible expense that occurred within that benefit period.

Note: only one card is issued to the policyholder, but it can be used by everyone covered under your policy (including dependent children).

To get started, visit carefirst.com/sharecare. You'll need to enter your CareFirst account username and password and complete the one-time registration with Sharecare to link your CareFirst account information. This will help personalize your experience.

* If you have a PPO or Advantage plan, and you live outside MD, DC or Northern VA, you can select a provider from the BlueCard® PPO network who specializes in general practice, family practice, internal medicine, pediatrics or geriatrics.
