

Job Title: Compliance Specialist

Grade: CS-1801-14

Salary: \$106,715-\$137,477

Requirements: Must successfully pass a criminal background and consumer check as a condition of employment.

Qualifications: Applicants must possess one (1) year of specialized experience equivalent to the CS-13 grade level, or its non-District equivalent experience gained in the private or public sector.

Job Description:

The position is established to serve as an Compliance Specialist within the IT Unit of the DCAS Project at the Department of Health Care Finance, the District’s state Medicaid agency. DC Access System is the District’s state-of-the-art health and human services solution, which once fully integrated will serve as the platform to provide the District with a modern integrated eligibility system for Medicaid, Supplemental Assistance Nutrition Program (SNAP), Temporary Assistance to Needy Families (TANF) and other programs with case management capabilities.

The position will serve as a Compliance Specialist on the DCAS Project. The incumbent will perform a variety of high-level IT Security activities ranging from overall security audits and analysis, DCAS system compliance for sensitive data management, software system integrity and vulnerability analysis and reports. The incumbent will be the prime POC for all federal and state audits and provide mediation plans for any findings and enhancements to security requirements.
