

Job Title: **Management Analyst (FSA SME) (Term)**

Grade: CS-0343-12

Salary: \$78,364 – 100,261

Requirements: Must successfully pass a criminal background and consumer check as a condition of employment.

Qualifications: Applicants must possess one (1) year of specialized experience equivalent to the CS-11 grade level, or its non-District equivalent experience in the private or public sector.

Job Description:

The position is established to serve as an Management Analyst (Magi Medicaid SME) within the Functional Unit of the DCAS Project at the Department of Health Care Finance, the District's state Medicaid agency. DC Access System is the District's state-of-the-art health and human services solution, which once fully integrated will serve as the platform to provide the District with a modern integrated eligibility system for Medicaid, Supplemental Assistance Nutrition Program (SNAP), Temporary Assistance to Needy Families (TANF) and other programs with case management capabilities.

The incumbent is primarily responsible for the DCAS Project Non-Magi programs as it pertains to the adherence with established policies and procedures by formulating recommendations based upon best practices and the evaluation and analysis of Departmental agencies to determine compliance of program and project operations and activities with Federal and District government laws, regulations and procedures, as it relates to the administration and operational efficiency of DHCF and the DCAS Project.
