In consideration of the mutual promises hereunder and the payment of **Premiums** and fees when due, **We** will provide coverage for benefits in accordance with the terms, conditions, limitations and exclusions set forth in this **Group Agreement**.

Upon acceptance by **Us** of **Contract Holder’s** Group Application, and upon receipt of the required initial **Premium**, this **Group Agreement** shall be considered to be agreed to by **Contract Holder** and **Us**, and is fully enforceable in all respects against **Contract Holder** and **Us**.

## **SECTION 2. COVERAGE**

- 2.1 **Covered Benefits.** We will provide coverage for **Covered Benefits** to **Members** subject to the terms and conditions of this **Group Agreement**. Coverage will be provided in accordance with the reasonable exercise of **Our** business judgment, consistent with applicable law. **Members** covered under this **Group Agreement** are subject to all of the conditions and provisions contained herein and in the incorporated documents.
- 2.2 **Policies and Procedures.** We have the right to adopt reasonable policies, procedures, rules, and interpretations of this **Group Agreement** and the **Certificate** in order to promote orderly and efficient administration.

## **SECTION 3. PREMIUMS AND FEES**

- 3.1 **Premiums.** **Contract Holder** shall pay **Us** on or before each **Premium Due Date** a monthly advance premium (the "**Premium**") determined in accordance with the **Premium** rates and the manner of calculating **Premiums** specified by **HMO**. **Premium** rates and the manner of calculating **Premiums** may be adjusted in accordance with Section 3.5 below. **Premiums** are subject to adjustment, if any, for partial month participation as specified in Section 3.4 below. Membership as of each **Premium Due Date** will be determined by **Us** in accordance with **Our Member** records. A check does not constitute payment until it is honored by a bank. **We** may return a check issued against insufficient funds without making a second deposit attempt. **We** may accept a partial payment of **Premium** without waiving our right to collect the entire amount due.
- 3.2 **Fees.** In addition to the **Premium**, **We** may charge the following fees:
- An installation fee may be charged upon initial installation of coverage or any significant change in installation (e.g., a significant change in the number of **Members** or a change in the method of reporting **Member** eligibility to **Us**). A fee may also be charged upon initial installation for any custom plan set-ups.
  - A billing fee may be added to each monthly **Premium** bill. The billing fee may include a fee for the recovery of any surcharges for amounts paid through credit card, debit card or other similar means.
  - A reinstatement fee as set forth in Section 6.4.
- 3.3 **Past Due Premiums and Fees.** If a **Premium** payment or any fees are not paid in full by **Contract Holder** on or before the **Premium Due Date**, a late payment charge of 1 ½% of the total amount due per month (or partial month) will be added to the amount due. If all **Premiums** and fees are not received before the end of a 30 day grace period (the "**Grace Period**"), this **Group Agreement** will be automatically terminated pursuant to Section 6.3 hereof on the last day of the grace period.
- If the **Group Agreement** terminates for any reason, **Contract Holder** will continue to be held liable for all **Premiums** and fees due and unpaid before the termination, including, but not limited to, **Premium** payments for any period of time the **Group Agreement** is in force during the **Grace Period**. **Members** shall also remain liable for **Member** cost sharing and other required contributions to coverage for any period of time the **Group Agreement** is in force during the **Grace Period**. **We** may recover from **Contract Holder** **Our** costs of collecting any unpaid **Premiums** or fees, including reasonable attorneys' fees and costs of suit.
- 3.4 **Prorations.** **Premiums** shall be paid in full for **Members** whose coverage is in effect on the **Premium Due Date** or whose coverage terminates on the last day of the **Premium** period.

**Premiums for Members** whose coverage is effective on a day other than the first day of the billing month or whose coverage terminates on a day other than the last day of the billing month shall be adjusted as indicated below

- If membership becomes effective between the 1<sup>st</sup> through the 15<sup>th</sup> of the month, the **Premium** for the whole month is due. If membership is effective between the 16<sup>th</sup> through the 31<sup>st</sup> of the month, no **Premium** is due for the first month of membership.
- If membership terminates between the 1<sup>st</sup> through the 15<sup>th</sup> of the month, no **Premium** is due for that month. If membership terminates between the 16<sup>th</sup> through the 31<sup>st</sup> of the month, the **Premium** for the whole month is due.

3.5 **Changes in Premium.** We may also adjust the **Premium** rates and/or the manner of calculating **Premiums** effective as of any **Premium Due Date** upon 30 days prior written notice to **Contract Holder**, provided that no such adjustment will be made during the **Initial Term** except to reflect changes in applicable law or regulation or a judicial decision having a material impact on the cost of providing **Covered Benefits** to **Members**.

3.6 **Membership Adjustments.** We may, at **Our** discretion, make retroactive adjustments to the **Contract Holder's** billings for the termination of **Members** not posted to previous billings. However, **Contract Holder** may only receive a maximum of 2 calendar months' credit for **Member** terminations that occurred more than 30 days before the date **Contract Holder** notified **Us** of the termination. **We** may reduce any such credits by the amount of any payments **We** may have made on behalf of such **Members** (including capitation payments and other claim payments) before **We** were informed their coverage had been terminated. Retroactive additions will be made at **Our** discretion based upon eligibility guidelines, as set forth in the **Certificate**, and are subject to the payment of all applicable **Premiums**.

#### SECTION 4. **ENROLLMENT**

4.1 **Open Enrollment.** As described in the **Certificate**, **Contract Holder** will offer enrollment in **HMO**:

- at least once during every twelve month period during the **Open Enrollment Period**; and
- within 31 days from the date the individual and any dependent becomes eligible for coverage.

Eligible individuals and dependents who are not enrolled within the **Open Enrollment Period** or 31 days of becoming eligible, may be enrolled during any subsequent **Open Enrollment Period**. Coverage will not become effective until confirmed by **Us**. **Contract Holder** agrees to hold the **Open Enrollment Period** consistent with the **Open Enrollment Period** applicable to any other group health benefit plan being offered by the **Contract Holder** and in compliance with applicable law. The **Contract Holder** shall permit **Our** representatives to meet with eligible individuals during the **Open Enrollment Period** unless the parties agree upon an alternate enrollment procedure. As described in the **Certificate**, other enrollment periods may apply.

4.2 **Waiting Period.** There may be a waiting period before individuals are eligible for coverage under this **Group Agreement**. The waiting period, if any, is specified on the **Schedule of Benefits**.

4.3 **Eligibility.** The number of eligible individuals and dependents and composition of the group, the identity and status of the **Contract Holder**, the eligibility requirements used to determine membership in the group, and the participation and contribution standards applicable to the group which exist at the **Effective Date** of this **Group Agreement** are material to the execution and continuation of this **Group Agreement** by **Us**. The **Contract Holder** shall not, during the term of this **Group Agreement**, modify the **Open Enrollment Period**, the waiting period as described on the **Schedule of Benefits**, or any other eligibility requirements as described in the **Certificate** and on the **Schedule of Benefits**, for the purposes of enrolling **Contract**

**Holder's** eligible individuals and dependents under this **Group Agreement**, unless **We** agree to the modification in writing.

## **SECTION 5. RESPONSIBILITIES OF THE CONTRACT HOLDER**

In addition to other obligations set forth in this **Group Agreement**, **Contract Holder** agrees to:

- 5.1 **Records.** Furnish to **Us**, on a monthly basis (or as otherwise required), on our form (or such other form as **We** may reasonably approve) by facsimile (or such other means as **We** may reasonably approve), such information as **We** may reasonably require to administer this **Group Agreement**. This includes, but is not limited to, information needed to enroll members of the **Contract Holder**, process terminations, and effect changes in family status and transfer of employment of **Members**. **We** will not be liable to **Members** for the fulfillment of any obligation prior to information being received in a form satisfactory to **Us**. **Contract Holder** must notify **Us** of the date in which a **Subscriber's** employment ceases for the purpose of termination of coverage under this **Group Agreement**. Subject to applicable law, unless otherwise specifically agreed to in writing, **We** will consider **Subscriber's** employment to continue until the earlier of:
- until stopped by the **Contract Holder**;
  - if **Subscriber** has stopped working due to temporary lay off or leave of absence, not beyond the end of the policy month after the policy month in which the absence started; and
  - if **Subscriber** stopped working due to disability, not beyond the end of the 30<sup>th</sup> policy month after the month in which the absence started.
- 5.2 **Access.** Make payroll and other records directly related to **Member's** coverage under this **Group Agreement** available to **Us** for inspection, at **Our** expense, at **Contract Holder's** office, during regular business hours, upon reasonable advance request. This provision shall survive termination of this **Group Agreement**.
- 5.3 **Forms.** Distribute materials to **HMO Members** regarding enrollment, health plan features, including **Covered Benefits** and exclusions and limitations of coverage. **Contract Holder** shall, within 31 days of receipt from an eligible individual, forward all completed enrollment information and other required information to **Us**.
- 5.4 **Policies and Procedures; Compliance Verification.** Comply with all policies and procedures established by **Us** in administering and interpreting this **Group Agreement**. **Contract Holder** shall, upon request, provide a certification of its compliance with **Our** participation and contribution requirements and the requirements for a group as defined under applicable law or regulation.
- 5.5 **Continuation Rights and Conversion.** Notify all eligible **Members** of their right to continue or convert coverage pursuant to applicable law.
- 5.6 **ERISA Requirements.** Maintain responsibility for making reports and disclosures required by the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), including the creation, distribution and final content of summary plan descriptions, summary of material modifications and summary annual reports.

## **SECTION 6. TERMINATION**

- 6.1 **Termination by Contract Holder.** This **Group Agreement** may be terminated by **Contract Holder** as of any **Premium Due Date** by providing **Us** with 30 days prior written notice. However, **We** may in **Our** discretion accept an oral indication by **Contract Holder** or its agent or broker of intent to terminate.
- 6.2 **Non-Renewal by Contract Holder.** **We** may request from **Contract Holder** a written indication of their intention to renew or non-renew this **Group Agreement** at any time during the final three months of any

**Term.** If **Contract Holder** fails to reply to such request within the timeframe specified the **Contract Holder** shall be deemed to have provided notice of non-renewal to **Us** and this **Group Agreement** shall be deemed to terminate automatically as of the end of the **Term**. Similarly, upon **Our** written confirmation to **Contract Holder**, **We** may accept an oral indication by **Contract Holder** or its agent or broker of intent to non-renew as **Contract Holder's** notice of termination effective as of the end of the **Term**.

6.3 **Termination by Us.** This **Group Agreement** will terminate as of the last day of the **Grace Period** if the **Premium** remains unpaid at the end of the **Grace Period**.

This **Group Agreement** may also be terminated by **Us** as follows:

- Immediately upon notice to **Contract Holder** if **Contract Holder** has performed any act or practice that constitutes fraud or made any intentional misrepresentation of a material fact relevant to the coverage provided under this **Group Agreement**;
- Immediately upon notice to **Contract Holder** if **Contract Holder** no longer has any enrollee under the Plan who resides or works in the **Service Area**;
- Upon 30 days written notice to **Contract Holder** if **Contract Holder** (i) breaches a provision of this **Group Agreement** and such breach remains uncured at the end of the day notice period; (ii) ceases to meet **Our** requirements for an employer group[ or association]; (iii) fails to meet **Our** contribution or participation requirements applicable to this **Group Agreement** (which contribution and participation requirements are available upon request); (iv) fails to provide the certification required by Section 5.4 within a reasonable period of time specified by **Us**; or (v) changes its eligibility or participation requirements without **Our** consent;
- Upon 90 days written notice to **Contract Holder** (or such shorter notice as may be permitted by applicable law, but in no event less than 30 days) if **We** cease to offer the product to which the **Group Agreement** relates;
- Upon 180 days written notice to **Contract Holder** (or such shorter notice as may be permitted by applicable law, but in no event less than 30 days) if **We** cease to offer coverage in a market in which **Members** covered under this **Group Agreement** reside;

Upon 30 days written notice to **Contract Holder** for any other reason which is acceptable to the Department of Insurance and consistent with the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") or by applicable federal rules and regulations, as amended.

6.4 **Effect of Termination.** No termination of this **Group Agreement** will relieve either party from any obligation incurred before the date of termination. When terminated, this **Group Agreement** and all coverage provided hereunder will end at 12:00 midnight on the effective date of termination. **We** may charge the **Contract Holder** a reinstatement fee if coverage is terminated and subsequently reinstated under this **Group Agreement**. Upon termination, **We** will provide **Members** with Certificates of Creditable Coverage which will show evidence of a **Member's** prior health coverage with **Us** for a period of up to 18 months prior to the loss of coverage.

6.5 **Notice to Subscribers and Members.** It is the responsibility of **Contract Holder** to notify the **Members** of the termination of the **Group Agreement** in compliance with all applicable laws. However, **We** reserve the right to notify **Members** of termination of the **Group Agreement** for any reason, including non-payment of **Premium**. In accordance with the **Certificate**, the **Contract Holder** shall provide written notice to **Members** of their rights upon termination of coverage.

## SECTION 7. **PRIVACY OF INFORMATION**

- 7.1 Compliance with Privacy Laws. We and Contract Holder will abide by all applicable laws and regulations regarding confidentiality of individually identifiable health and other personal information, including the privacy requirements of HIPAA.
- 7.2 Disclosure of Protected Health Information. We will not provide protected health information (“PHI”), as defined in HIPAA, to Contract Holder, and Contract Holder will not request PHI from Us, unless Contract Holder has either:
- provided the certification required by 45 C.F.R. § 164.504(f) and amended Contract Holder’s plan documents to incorporate the necessary changes required by such rule; or
  - provided confirmation that the PHI will not be disclosed to the “plan sponsor”, as such term is defined in 45 C.F.R. § 164.501.
- 7.3 Brokers and Consultants. To the extent any broker or consultant receives PHI in the underwriting process or while advocating on behalf of a Member, Contract Holder understands and agrees that such broker or consultant is acting on behalf of Contract Holder and not Us. We are entitled to rely on Contract Holder’s representations that any such broker or consultant is authorized to act on Contract Holder’s behalf and entitled to have access to the PHI under the relevant circumstances.

## **SECTION 8. INDEPENDENT CONTRACTOR RELATIONSHIPS**

- 8.1 Relationship Between Us and Participating Providers. The relationship between Us and **Participating Providers** is a contractual relationship among independent contractors. **Participating Providers** are not agents or employees of Us nor are We an agent or employee of any **Participating Provider**.

**Participating Providers** are solely responsible for any health services rendered to their **Member** patients. We make no express or implied warranties or representations concerning the qualifications, continued participation, or quality of services of any **Physician, Hospital** or other **Participating Provider**. A **Provider’s** participation may be terminated at any time without advance notice to the **Contract Holder** or **Members**, subject to applicable law. **Participating Providers** provide health care diagnosis, treatment and services for **Members**. We administer and determine plan benefits.

- 8.2 Relationship Between the Parties. The relationship between the **Parties** is a contractual relationship between independent contractors. Neither **Party** is an agent or employee of the other in performing its obligations pursuant to this **Group Agreement**.

## **SECTION 9. MISCELLANEOUS**

- 9.1 Delegation and Subcontracting. **Contract Holder** acknowledges and agrees that We may enter into arrangements with third parties to delegate functions hereunder such as utilization management, quality assurance and provider credentialing, as We deem appropriate in **Our** sole discretion and as consistent with applicable laws and regulations. **Contract Holder** also acknowledges that **Our** arrangements with third party vendors (i.e. pharmacy, behavioral health) are subject to change in accordance with applicable laws and regulations.
- 9.2 Accreditation and Qualification Status. We may from time to time obtain voluntary accreditation or qualification status from a private accreditation organization or government agency. We make no express or implied warranty about **Our** continued qualification or accreditation status.
- 9.3 Prior Agreements; Severability. As of the **Effective Date**, this **Group Agreement** replaces and supersedes all other prior agreements between the **Parties** as well as any other prior written or oral understandings, negotiations, discussions or arrangements between the **Parties** related to matters covered by this **Group Agreement** or the documents incorporated herein. If any provision of this **Group**

**Agreement** is deemed to be invalid or illegal, that provision shall be fully severable and the remaining provisions of this **Group Agreement** shall continue in full force and effect.

9.4 **Amendments.** This **Group Agreement** may be amended as follows:

- This **Group Agreement** shall be deemed to be automatically amended to conform with all rules and regulations promulgated at any time by any state or federal regulatory agency or authority having supervisory authority over **Us**;
- By written agreement between both **Parties**; or
- By **Us** upon 30 days written notice to **Contract Holder**.

The **Parties** agree that an amendment does not require the consent of any employee, **Member** or other person. Except for automatic amendments to comply with law, all amendments to this **Group Agreement** must be approved and executed by **Us**. No other individual has the authority to modify this **Group Agreement**; waive any of its provisions, conditions, or restrictions; extend the time for making a payment; or bind **Us** by making any other commitment or representation or by giving or receiving any information.

9.5 **Clerical Errors.** Clerical errors or delays by **Us** in keeping or reporting data relative to coverage will not reduce or invalidate a **Member's** coverage. Upon discovery of an error or delay, an adjustment of **Premiums** shall be made. **We** may also modify or replace a **Group Agreement**, **Certificate** or other document issued in error.

9.6 **Claim Determinations.** **We** have complete authority to review all claims for **Covered Benefits** under this **Group Agreement**. In exercising such responsibility, **We** shall have discretionary authority to determine whether and to what extent eligible individuals and beneficiaries are entitled to coverage and to construe any disputed or doubtful terms under this **Group Agreement**, the **Certificate** or any other document incorporated herein. **We** shall be deemed to have properly exercised such authority unless **We** abuse our discretion by acting arbitrarily and capriciously. **Our** review of claims may include the use of commercial software (including Claim Check) and other tools to take into account factors such as an individual's claims history, a **Provider's** billing patterns, complexity of the service or treatment, amount of time and degree of skill needed and the manner of billing.

9.7 **Misstatements.** If any fact as to the **Contract Holder** or a **Member** is found to have been misstated, an equitable adjustment of **Premiums** may be made. If the misstatement affects the existence or amount of coverage, the true facts will be used in determining whether coverage is or remains in force and its amount.

9.8 **Incontestability.** Except as to a fraudulent misstatement, or issues concerning **Premiums** due:

- No statement made by **Contract Holder** or any **Member** shall be the basis for voiding coverage or denying coverage or be used in defense of a claim unless it is in writing.
- No statement made by **Contract Holder** shall be the basis for voiding this **Group Agreement** after it has been in force for two years from its effective date.

9.9 **Assignability.** No rights or benefits under this **Group Agreement** are assignable by **Contract Holder** to any other party unless approved by **HMO**.

9.10 **Waiver.** **Our** failure to implement, or insist upon compliance with, any provision of this **Group Agreement** or the terms of the **Certificate** incorporated hereunder, at any given time or times, shall not constitute a waiver of **Our** right to implement or insist upon compliance with that provision at any other time or times. This includes, but is not limited to, the payment of **Premiums** or benefits. This applies whether or not the circumstances are the same.

- 9.11 **Notices.** Any notice required or permitted under this **Group Agreement** shall be in writing and shall be deemed to have been given on the date when delivered in person; or, if delivered by first-class United States mail, on the date mailed, proper postage prepaid, and properly addressed to the address set forth in the Group Application or Cover Sheet, or to any more recent address of which the sending party has received written notice or, if delivered by facsimile or other electronic means, on the date sent by facsimile or other electronic means.
- 9.12 **Third Parties.** This **Group Agreement** shall not confer any rights or obligations on third parties except as specifically provided herein.
- 9.13 **Non-Discrimination.** **Contract Holder** agrees to make no attempt, whether through differential contributions or otherwise, to encourage or discourage enrollment in **HMO** of eligible individuals and eligible **Dependents** based on health status or health risk.
- 9.14 **Applicable Law.** This **Group Agreement** shall be governed and construed in accordance with applicable federal law and the law of the state specified in the Cover Sheet or, if no state law is specified, **Our** domicile state.
- 9.15 **Inability to Arrange Services.** If due to circumstances not within **Our** reasonable control, including but not limited to major disaster, epidemic, complete or partial destruction of facilities, riot, civil insurrection, disability of a significant part of **Our Participating Providers** or entities with whom **We** have contracted for services under this **Group Agreement**, or similar causes, the provision of medical or **Hospital** benefits or other services provided under this **Group Agreement** is delayed or rendered impractical, **We** shall not have any liability or obligation on account of such delay or failure to provide services, except to refund the amount of the unearned prepaid **Premiums** held by **Us** on the date such event occurs. **We** are required only to make a good-faith effort to provide or arrange for the provision of services, taking into account the impact of the event.
- 9.16 **Use of the HMO Name and all Symbols, Trademarks, and Service Marks.** **We** reserve the right to control the use of **Our** name and all symbols, trademarks, and service marks presently existing or subsequently established. **Contract Holder** agrees that it will not use such name, symbols, trademarks, or service marks in advertising or promotional materials or otherwise without **Our** prior written consent and will cease any and all usage immediately upon **Our** request or upon termination of this **Group Agreement**.
- 9.17 **Dispute Resolution.** Any controversy, dispute or claim between **Us** on the one hand and one or more **Interested Parties** on the other hand arising out of or relating to the **Group Agreement**, whether stated in tort, contract, statute, claim for benefits, bad faith, professional liability or otherwise ("Claim"), shall be settled by confidential binding arbitration administered by the American Arbitration Association ("AAA") before a sole arbitrator ("Arbitrator"). Judgment on the award rendered by the Arbitrator ("Award") may be entered by any court having jurisdiction thereof. If the AAA declines to administer the case and the parties do not agree on an alternative administrator, a sole neutral arbitrator shall be appointed upon petition to a court having jurisdiction. **We** and **Interested Parties** hereby give up our rights to have Claims decided in a court before a jury.
- Any Claim alleging wrongful acts or omissions of **Participating** or **Non-Participating Providers** shall not include **HMO**. A **Member** must exhaust all grievance, appeal and independent external review procedures prior to the commencement of an arbitration hereunder. No person may recover any damages arising out of or related to the failure to approve or provide any benefit or coverage beyond payment of or coverage for the benefit or coverage where (i) **We** have made available independent external review and (ii) **We** have followed the reviewer's decision. No **Interested Party** may participate in a representative capacity or as a member of any class in any proceeding arising out of or related to the **Group Agreement**. This agreement to arbitrate shall be specifically enforced even if a party to the arbitration is also a party to another proceeding with a third party arising out of the same matter.
- 9.18 **Workers' Compensation.** **Contract Holder** is responsible for protecting **Our** interests in any Workers' Compensation claims or settlements with any eligible individual. **We** shall be reimbursed for all paid

medical expenses which have occurred as a result of any work related injury that is compensable or settled in any manner.

On or before the **Effective Date** of this **Group Agreement** and upon renewal, **Contract Holder** shall submit proof of their Workers' Compensation coverage or an exclusion form which has been accepted by the applicable regulatory authority governing Workers' Compensation. Upon **Our** request, **Contract Holder** shall also submit a monthly report to **Us** listing all Workers' Compensation cases. Such list will contain the name, social security number, date of loss and diagnosis of all applicable eligible individuals.

## **HEALTH CARE REFORM CONTRIBUTION CHANGE NOTICE**

If you maintain a grandfathered health plan as defined under The Patient Protection and Affordable Care Act and you intend to make a change in the contribution rate at any point during the year, you must provide written notice to Aetna 60 days in advance of the effective date of the contribution rate change.

## HMO PROCEDURE

### A. **Selecting a Participating Primary Care Physician.**

At the time of enrollment, each **Member** should select a **Participating Primary Care Physician (PCP)** from **HMO's** Directory of Participating Providers to access **Covered Benefits** as described in this **Certificate**. The choice of a **PCP** is made solely by the **Member**. If the **Member** is a minor or otherwise incapable of selecting a **PCP**, the **Subscriber** should select a **PCP** on the **Member's** behalf. Until a **PCP** is selected, benefits will be limited to coverage for **Medical Emergency** care.

### B. **The Primary Care Physician.**

The **PCP** coordinates a **Member's** medical care, as appropriate, either by providing treatment or by issuing **Referrals** to direct the **Member** to a **Participating Provider**. The **PCP** can also order lab tests and x-rays, prescribe medicines or therapies, and arrange hospitalization.

A **Member** may receive a standing **Referral** from their **PCP** to a **Participating Specialist** if the **Member** has a chronic, disabling or life-threatening condition that requires specialized medical care over a prolonged period of time, and after consulting with their **PCP**, they select a **Participating Specialist** who is responsible for and capable of providing and coordinating their primary and specialty care. During the treatment period authorized by the **Referral**, such **Participating Specialist** shall be permitted to treat the **Member** without a further **Referral** from the **Member's PCP** and to authorize such **Referrals**, procedures, tests and other medical services related to the **Member's** condition as the **Member's PCP** would otherwise be permitted to provide or authorize under this **Certificate**. The standing **Referral** shall be made in accordance with a written plan for **Covered Benefits** developed by the **PCP, Participating Specialist, and Member**.

In certain other situations where a **Member** requires ongoing care from a **Specialist**, the **Member** may receive a standing **Referral** to such **Specialist**. Please refer to the Covered Benefits section of this **Certificate** for details.

Except for a **Medical Emergency, Urgent Care** service or for certain direct access **Specialist** benefits as described in this **Certificate**, only those services which are provided by or referred by a **Member's PCP** will be covered. **Covered Benefits** are described in the **Covered Benefits** section of this **Certificate**. It is a **Member's** responsibility to consult with the **PCP** in all matters regarding the **Member's** medical care.

Certain **PCP** offices are affiliated with integrated delivery systems or other provider groups (i.e., Independent Practice Associations and Physician-Hospital Organizations), and **Members** who select these **PCPs** will generally be referred to **Specialists** and **Hospitals** within that system or group. However, if the group does not include a **Provider** qualified to meet the **Member's** medical needs, the **Member** may request to have services provided by nonaffiliated **Providers**.

If the **Member's PCP** performs, suggests, or recommends a **Member** for a course of treatment that includes services that are not **Covered Benefits**, the entire cost of any such non-covered services will be the **Member's** responsibility.

### C. **Availability of Providers.**

**HMO** cannot guarantee the availability or continued participation of a particular **Provider**. Either **HMO** or any **Participating Provider** may terminate the **Provider** contract or limit the number of **Members** that will be accepted as patients. Except when a **Provider** is terminated for cause, if a **Member** is undergoing a course of treatment from a **Provider** when the **Provider's** participation in the **HMO's Participating Provider** network terminates, **HMO** will notify the **Member** on a timely basis of the termination and cover services and supplies that are **Covered Benefits** provided by the **Provider** to the **Member**:

1. for a period of at least 90 days from the date of the notice of the **Provider's** termination if the **Member** was in an active course of treatment with the **Provider** prior to the notice of termination and the **Member** requested to continue to receive **Covered Benefits** from the **Provider**.
2. at the **Member's** option, for a period of at least 90 days from the date of the notice of the **Provider's** termination if the **Member** had entered their second trimester of pregnancy at the time of the **Provider's** termination of participation.

If the **PCP** initially selected cannot accept additional patients, the **Member** will be notified and given an opportunity to make another **PCP** selection. The **Member** must then cooperate with **HMO** to select another **PCP**. Until a **PCP** is selected, benefits are limited to coverage for **Medical Emergency** care.

**D. Changing a PCP.**

A **Member** may change their **PCP** at any time by calling the Member Services toll-free telephone number listed on the **Member's** identification card or by written or electronic submission of the **HMO's** change form. A **Member** may contact **HMO** to request a change form or for assistance in completing that form. The change will become effective upon **HMO's** receipt and approval of the request.

**E. Ongoing Reviews.**

**HMO** conducts ongoing reviews of those services and supplies, which are recommended or provided by **Health Professionals** to determine whether such services and supplies are **Covered Benefits** under this **Certificate**. If **HMO** determines that the recommended services and supplies are not **Covered Benefits**, the **Member** will be notified. If a **Member** wishes to appeal such determination, the **Member** may then contact **HMO** to seek a review of the determination. Please refer to the Grievance Procedure section of this **Certificate**.

**F. Pre-authorization.**

Certain services and supplies under this **Certificate** may require pre-authorization by **HMO** to determine if they are **Covered Benefits** under this **Certificate**.

**ELIGIBILITY AND ENROLLMENT**

**A. Eligibility.**

1. To be eligible to enroll as a **Subscriber**, an individual must:
  - a. meet all applicable eligibility requirements agreed upon by the **Contract Holder** and **HMO**; and
  - b. live or work in the **Service Area**.
2. To be eligible to enroll as a **Covered Dependent**, the **Contract Holder** must provide dependent coverage for **Subscribers**, and the dependent must be:

- a. the legal spouse of a **Subscriber** under this **Certificate**; or
- b. a dependent unmarried child (including natural, foster, step, legally adopted children, children placed for adoption, a child under court order) who meets the eligibility requirements described in this **Certificate** and on the Schedule of Benefits.

No individual may be covered both as an employee and dependent and no individual may be covered as a dependent of more than one employee.

3. A **Member** who resides outside the **Service Area** is required to choose a **PCP** and return to the **Service Area** for **Covered Benefits**. The only services covered outside the **Service Area** are **Emergency Services** and **Urgent Care**.

## B. **Enrollment.**

Unless otherwise noted, an eligible individual and any eligible dependents may enroll in **HMO** regardless of health status, age, or requirements for health services within 31 days from the eligibility date.

1. Newly Eligible Individuals and Eligible Dependents.

An eligible individual and any eligible dependents may enroll within 31 days of the eligibility date.

2. Open Enrollment Period.

Eligible individuals or dependents who are eligible for enrollment but do not enroll as stated above, may be enrolled during any subsequent **Open Enrollment Period** upon submission of complete enrollment information and **Premium** payment to **HMO**.

3. Enrollment of Newly Eligible Dependents.

- a. Newborn Children.

A newborn child is covered for 31 days from the date of birth. To continue coverage beyond this initial period, the child must be enrolled in **HMO** within the initial 31 day period. If coverage does not require the payment of an additional **Premium** for a **Covered Dependent**, the **Subscriber** must still enroll the child within 31 days after the date of birth.

The coverage for newly born, adopted children, and children placed for adoption consists of coverage of injury and sickness, including the necessary care and treatment of congenital defects and birth abnormalities, and within the limits of this **Certificate**. Coverage includes necessary transportation costs from place of birth to the nearest specialized **Participating** treatment center.

- b. Adopted Children.

A legally adopted child or a child for whom a **Subscriber** is a court appointed legal guardian, and who meets the definition of a **Covered Dependent**, will be treated as a dependent from the date of adoption or upon the date the child was placed for adoption with the **Subscriber**. "Placed for adoption" means the assumption and retention of a legal obligation for total or partial support of a child in anticipation of adoption of the child. The **Subscriber** must make a written request for coverage within 31 days of the date the child is adopted or placed with the **Subscriber** for adoption.

4. Special Rules Which Apply to Children.

a. Qualified Medical Child Support Order.

Coverage is available for a dependent child not residing with a **Subscriber** and who resides outside the **Service Area**, if there is a qualified medical child support order requiring the **Subscriber** to provide dependent health coverage for a non-resident child. The child must meet the definition of a **Covered Dependent**, and the **Subscriber** must make a written request for coverage within 31 days of the court order.

b. Handicapped Children.

Coverage is available for a child who is chiefly dependent upon the **Subscriber** for support and maintenance, and who is 19 years of age or older but incapable of self-support due to mental or physical incapacity. The incapacity must have commenced prior to the age the dependent would have lost eligibility. In order to continue coverage for a handicapped child, the **Subscriber** must provide evidence of the child's incapacity and dependency to **HMO** within 31 days of the date the child's coverage would otherwise terminate. Proof of continued incapacity, including a medical examination, must be submitted to **HMO** as requested, but not more frequently than annually beginning after the 2 year period following the child's attainment of the age specified on the Schedule of Benefits. This eligibility provision will no longer apply on the date the dependent's incapacity ends.

5. Notification of Change in Status.

It shall be a **Member's** responsibility to notify **HMO** of any changes which affect the **Member's** coverage under this **Certificate**, unless a different notification process is agreed to between **HMO** and **Contract Holder**. Such status changes include, but are not limited to, change of address, change of **Covered Dependent** status, and enrollment in Medicare or any other group health plan of any **Member**. Additionally, if requested, a **Subscriber** must provide to **HMO**, within 31 days of the date of the request, evidence satisfactory to **HMO** that a dependent meets the eligibility requirements described in this **Certificate**.

6. Special Enrollment Period.

An eligible individual and eligible dependents may be enrolled during special enrollment periods. A special enrollment period may apply when an eligible individual or eligible dependent loses other health coverage or when an eligible individual acquires a new eligible dependent through marriage, birth, adoption or placement for adoption.

**Special Enrollment Period for Certain Individuals Who Lose Other Health Coverage:**

An eligible individual or an eligible dependent may be enrolled during a special enrollment period, if requirements a, b, c and d are met:

- a. the eligible individual or the eligible dependent was covered under another group health plan or other health insurance coverage when initially eligible for coverage under **HMO**;
- b. the eligible individual or eligible dependent declines coverage in writing under **HMO**;
- c. the eligible individual or eligible dependent loses coverage under the other group health plan or other health insurance coverage for 1 of the following reasons:

- i. the other group health coverage is COBRA continuation coverage under another plan, and the COBRA continuation coverage under that other plan has since been exhausted; or
- ii. the other coverage is a group health plan or other health insurance coverage, and the other coverage has been terminated as a result of loss of eligibility for the coverage or employer contributions towards the other coverage have been terminated.

Loss of eligibility includes a loss of coverage as a result of legal separation, divorce, death, termination of employment, reduction in the number of hours of employment, and any loss of eligibility after a period that is measured by reference to any of the foregoing.

Loss of eligibility does not include a loss due to failure of the individual or the participant to pay **Premiums** on a timely basis or due to termination of coverage for cause as referenced in the Termination of Coverage section of this **Certificate**; and

- d. the eligible individual or eligible dependent enrolls within 31 days of the loss.

The **Effective Date of Coverage** will be the first day of the first calendar month following the date the completed request for enrollment is received.

The eligible individual or the eligible dependent enrolling during a special enrollment period will not be subject to late enrollment provisions, if any, described in this **Certificate**.

**Special Enrollment Period When a New Eligible Dependent is Acquired:**

When a new eligible dependent is acquired through marriage, birth, adoption or placement for adoption, the new eligible dependent (and, if not otherwise enrolled, the eligible individual and other eligible dependents) may be enrolled during a special enrollment period.

The special enrollment period is a period of 31 days, beginning on the date of the marriage, birth, adoption or placement for adoption (as the case may be). If a completed request for enrollment is made during that period, the **Effective Date of Coverage** will be:

- In the case of marriage, the first day of the first calendar month following the date the completed request for enrollment is received.
- In the case of a dependent's birth, adoption or placement for adoption, the date of such birth, adoption or placement for adoption.

The eligible individual or the eligible dependents enrolling during a special enrollment period will not be subject to late enrollment provisions, if any, described in this **Certificate**.

**C. Effective Date of Coverage.**

Coverage shall take effect at 12:01 a.m. on the **Member's** effective date. Coverage shall continue in effect from month to month subject to payment of **Premiums** made by the **Contract Holder** and subject to the Contract Holder Termination section of the **Group Agreement**, and the Termination of Coverage section of this **Certificate**.

Hospital Confinement on **Effective Date of Coverage**.

If a **Member** is an inpatient in a **Hospital** on the **Effective Date of Coverage**, the **Member** will be covered as of that date. Such services are not covered if the **Member** is covered by another health plan on that date and the other health plan is responsible for the cost of the services. **HMO** will not cover any service that is not a **Covered Benefit** under this **Certificate**. To be covered, the **Member** must utilize **Participating Providers** and is subject to all the terms and conditions of this **Certificate**.

### **COVERED BENEFITS**

A **Member** shall be entitled to the **Covered Benefits** as specified below, in accordance with the terms and conditions of this **Certificate**. Unless specifically stated otherwise, in order for benefits to be covered, they must be **Medically Necessary**. For the purpose of coverage, **HMO** may determine whether any benefit provided under the **Certificate** is **Medically Necessary**, and **HMO** has the option to only authorize coverage for a **Covered Benefit** performed by a particular **Provider**. Preventive care, as described below, will be considered **Medically Necessary**.

**ALL SERVICES ARE SUBJECT TO THE EXCLUSIONS AND LIMITATIONS DESCRIBED IN THIS CERTIFICATE.**

To be **Medically Necessary**, the service or supply must:

- be care or services related to diagnosis or treatment of an existing illness or injury, except for covered periodic health evaluations and preventive and well baby care, as determined by **HMO**;

- include only those services and supplies that cannot be safely and satisfactorily provided at home, in a **Physician's** office, on an outpatient basis, or in any facility other than a **Hospital**, when used in relation to inpatient **Hospital** services; and
- as to diagnosis, care and treatment be no more costly (taking into account all health expenses incurred in connection with the service or supply) than any equally effective service or supply in meeting the above tests.

In determining if a service or supply is **Medically Necessary**, **HMO's** Patient Management Medical Director or its **Physician** designee will consider:

- information provided on the **Member's** health status;
- reports in peer reviewed medical literature;
- reports and guidelines published by nationally recognized health care organizations that include supporting scientific data;
- professional standards of safety and effectiveness which are generally recognized in the United States for diagnosis, care or treatment;
- the opinion of **Health Professionals** in the generally recognized health specialty involved;

- the opinion of the attending **Physicians**, which have credence but do not overrule contrary opinions; and
- any other relevant information brought to **HMO's** attention.

All **Covered Benefits** will be covered in accordance with the guidelines determined by **HMO**.

If a **Member** has questions regarding coverage under this **Certificate**, the **Member** may call the Member Services toll-free telephone number listed on the **Member's** identification card.

This may include, but is not limited to, furnishing incorrect or misleading information to **HMO**, or allowing or assisting a person other than the **Member** named on the identification card to obtain **HMO** benefits. **HMO** may, at its discretion, rescind a **Member's** coverage on and after the date that such misrepresentation or fraud occurred. It may also recover from the **Member** the reasonable and recognized charges for **Covered Benefits**, plus **HMO's** cost of recovering those charges, including reasonable attorneys' fees. In the absence of fraud or material misrepresentation, all statements made by any **Member** or any person applying for coverage under this **Certificate** will be deemed representations and not warranties. If coverage is rescinded, **HMO** will refund any **Premiums** paid for that period after the termination date, minus the cost of **Covered Benefits** provided to a **Member** during this period.

Coverage will not be terminated on the basis of a **Member's** health status or health care needs, nor if a **Member** has exercised the **Member's** rights under the **Certificate's** Grievance Procedure to register a complaint against **HMO**. The grievance process described in the preceding paragraph applies only to those terminations affected pursuant to the Termination For Cause subsection of this **Certificate**.

**HMO** shall have no liability or responsibility under this **Certificate** for services provided on or after the date of termination of coverage.

### **CONTINUATION AND CONVERSION**

#### **A. COBRA Continuation Coverage.**

COBRA is the Consolidated Omnibus Budget Reconciliation Act of 1985, and related amendments ("COBRA"). The description of COBRA which follows is intended only to summarize the **Member's** rights under the law. Coverage provided under this **Certificate** offers no greater COBRA rights than COBRA requires and should be construed accordingly. COBRA permits eligible **Members** or eligible **Covered Dependents** to elect to continue group coverage as follows:

**Employees and their Covered Dependents will not be eligible for the continuation of coverage provided by this section if the Contract Holder is exempt from the provisions of COBRA.**

1. Minimum Size of Group:

The **Contract Holder** must have normally employed more than 20 employees on a typical business day during the preceding calendar year. This refers to the number of employees employed, not the number of employees covered by a health plan, and includes full-time and part-time employees.

2. Loss of coverage due to termination (other than for gross misconduct) or reduction of hours of employment:

**Member** may elect to continue coverage for 18 months after eligibility for coverage under this **Certificate** would otherwise cease.

3. Loss of coverage due to:

- a. divorce or legal separation, or
- b. **Subscriber's** death, or
- c. **Subscriber's** entitlement to Medicare benefits, or,
- d. cessation of **Covered Dependent** child status under the Eligibility and Enrollment section of this **Certificate**:

  - b. the last day of the 36 month period.
  - c. the first day on which timely payment of **Premium** is not made subject to the Premiums section of the **Group Agreement**.
  - d. the first day on which the **Contract Holder** ceases to maintain any group health plan.
  - e. the first day, after the day COBRA coverage has been elected, on which a **Member** is actually covered by any other group health plan. In the event the **Member** has a preexisting condition, and the **Member** would be denied coverage under the new plan for a preexisting condition, continuation coverage will not be terminated until the last day of the continuation period, or the date upon which the **Member's** preexisting condition becomes covered under the new plan, whichever occurs first.
  - f. the date, after COBRA coverage has been elected, when the **Member** is entitled to Medicare.
5. Extensions of Coverage Periods:
  - a. The 18 month coverage period may be extended if an event which would otherwise qualify the **Member** for the 36 month coverage period occurs during the 18 month period, but in no event may coverage be longer than 36 months from the event which qualified the **Member** for continuation coverage initially.
  - b. In the event that a **Member** is determined, within the meaning of the Social Security Act, to be disabled and notifies the **Contract Holder** within 60 days of the Social Security determination and before the end of the initial 18 month period, continuation coverage for the **Member** and other qualified beneficiaries may be extended up to an additional 11 months for a total of 29 months. The **Member** must have become disabled during the first 60 days of the COBRA continuation coverage.
6. Responsibility of the **Contract Holder** to provide **Member** with notice of Continuation Rights:

The **Contract Holder** is responsible for providing the necessary notification to **Members**, within the defined time period, as required by COBRA.
7. Responsibility to pay **Premiums** to **HMO**:

The **Subscriber** or **Member** will only have coverage for the 60 day initial enrollment period if the **Subscriber** or **Member** pays the applicable **Premium** charges due within 45 days of submitting the application to the **Contract Holder**.
8. **Premiums** due **HMO** for the continuation of coverage under this section shall be due in accordance with the procedures of the Premiums section of the **Group Agreement** and shall be calculated in accordance with applicable federal law and regulations.

**B. Continuation Coverage Under District of Columbia Laws.**

The Continuation of Health Coverage Emergency Act of 2001 permits **Subscribers** or **Covered Dependents** to elect to continue group coverage if:

1. Size of Group:

The **Contract Holder** that employed the **Subscriber** employed more than one (1) but less than twenty (20) employees on a typical business day during the preceding calendar year. This refers to the number of employees employed, not the number of employees covered by a health plan, and includes full-time and part-time employees.

2. **Subscriber:**

- a. Lost coverage due to termination (other than for gross misconduct);
- b. Is not eligible for continuation of coverage under COBRA; and
- c. Completed the timely election (application) of and payment for coverage as described below.

3. **Covered Dependent** lost coverage due to:

- a. **Subscriber's** loss of coverage as described in Section B.2 above; or
- b. cessation of the **Covered Dependent's** child status under the Eligibility and Enrollment section of this **Certificate**:

The **Member** may elect to continue coverage for 3 months after eligibility for coverage under this **Certificate** would otherwise cease.

Continuation coverage ends at the earliest of the following events:

1. the last day of the 3-month period;
2. the first day on which timely payment of **Premium** is not made subject to the Premiums section of the **Group Agreement**;
3. the first day on which the **Contract Holder** ceases to maintain any group health plan;
4. the **Member** establishes residence outside the **HMO Service Area**;
5. the first day on which the **Member** is actually covered by any other group health plan. In the event the **Member** has a preexisting condition, and the **Member** would be denied coverage under the new plan for a preexisting condition, continuation coverage will not be terminated until the last day of the continuation period, or the date upon which the **Member's** preexisting condition becomes covered under the new plan, whichever occurs first; or
6. the date the **Member** is entitled to Medicare.

Responsibility to provide **Member** with notice of Continuation Rights

The **Contract Holder** is responsible for providing the necessary notification to **Members** of the right to continue coverage under this act, within fifteen (15) days after the date the **Member's** coverage would otherwise terminate. Failure of the **Contract Holder** to furnish notice to the **Member** will not extend the right to continue coverage beyond the time provided under this act.

Responsibility to enroll and pay **Premiums** to **HMO**

Coverage for the period of time required to initially enroll, will be extended only where the **Subscriber** or **Member** applies for the continuation coverage and pays the applicable **Premium** charges due to the **Contract Holder** and **Contract Holder** in turn remits same to **HMO**, within forty-five (45) days of the date the **Member's** coverage would otherwise terminate.

**Premiums** due **HMO** for the continuation of coverage under this section shall be due in accordance with the procedures of the **Premiums** section of the **Group Agreement** and shall be calculated in accordance with applicable laws and regulations, and shall not exceed 102% of the **Contract Holder's** group **Premium** rate.

C. **Extension of Benefits While Member is Receiving Inpatient Care.**

Any **Member** who is receiving inpatient care in a **Hospital** or **Skilled Nursing Facility** on the date coverage under this **Certificate** terminates is covered in accordance with the **Certificate** only for the specific medical condition causing that confinement or for complications arising from the condition causing that confinement, until the earlier of:

1. the date of discharge from such inpatient stay;
2. determination by the **HMO** Medical Director in consultation with the attending **Physician**, that care in the **Hospital** or **Skilled Nursing Facility** is no longer **Medically Necessary**;
3. the date the contractual benefit limit has been reached;
4. the date the **Member** becomes covered for similar coverage from another health benefits plan; or
5. 12 months of coverage under this extension of benefits provision.

The extension of benefits shall not extend the time periods during which a **Member** may enroll for continuation or conversion coverage, expand the benefits for such coverage, nor waive the requirements concerning the payment of **Premium** for such coverage.

D. **Conversion Privilege.**

This subsection does not continue coverage under the **Group Agreement**. It permits the issuance of an individual health care coverage agreement (conversion coverage) under certain conditions.

Conversion is not initiated by **HMO**. The conversion privilege set forth in this subsection must be initiated by the eligible **Member**. The **Contract Holder** is responsible for giving notice of the conversion privilege in accordance with its normal procedures; however, in the event continuation coverage ceases pursuant to expiration of COBRA benefits as described in the COBRA Continuation Coverage section of this **Certificate**, the **Contract Holder** shall notify the **Member** at some time during the 180 day period prior to the expiration of coverage.

1. Eligibility.

In the event a **Member** ceases to be eligible for coverage under this **Certificate** and has been continuously enrolled for 3 months under **HMO**, such person may, within 31 days after termination of coverage under this **Certificate**, convert to individual coverage with **HMO**, effective as of the date of such termination, without evidence of insurability provided that **Member's** coverage under this **Certificate** terminated for 1 of the following reasons:

- a. coverage under this **Certificate** was terminated, and was not replaced with continuous and similar coverage by the **Contract Holder**;

- b. the **Subscriber** ceased to meet the eligibility requirements as described in this **Certificate** and on the Schedule of Benefits, in which case the **Subscriber** and **Subscriber's** dependents who are **Members** pursuant to this **Certificate**, if any, are eligible to convert;

- d. continuation coverage ceased under the COBRA Continuation Coverage section of this **Certificate**.

Any **Member** who is eligible to convert to individual coverage, may do so in accordance with the rules and regulations governing items such as initial payment, the form of the agreement and all terms and conditions thereunder as **HMO** may have in effect at the time of **Member's** application for conversion, without furnishing evidence of insurability. The conversion coverage will provide benefits no less than what is then required by, and no benefits contrary to, any applicable law or regulation. However, the conversion coverage may not provide the same coverage, and may be less than what is provided under the **Group Agreement**. Upon request, **HMO** or the **Contract Holder** will furnish details about conversion coverage.

- 2. A spouse has the right to convert upon the death of or divorce from the **Subscriber** and a **Covered Dependent** child has the right to convert upon reaching the age limit on the Schedule of Benefits or upon death of the **Subscriber** (subject to the ability of minors to be bound by contract).

  - i. an admission, availability of care, continued stay, or other health care service is or is not a covered benefit; and
  - ii. if it is a covered benefit, that it has been reviewed and does not meet the **HMO's** requirements for **Medical Necessity**, appropriateness, health care setting, level of care or effectiveness; and

5. A “grievance” means an oral or written request, filed by a **Member** or health care provider on behalf of a **Member** with the **HMO** through the **HMO**’s internal grievance process, for reconsideration of a decision by the **HMO** that involved a benefit determination, provider service, or quality of care issue.
6. A peer of the treating health care provider” means a physician or other health care professional who holds a non-restricted license in a state of the United States and in the same or similar specialty as typically manages the medical condition, procedure or treatment under review.

**B. Reconsideration of an HMO Decision – Level I**

**Informal Internal Process**

1. **Members** with inquiries or complaints should contact the **HMO**, either verbally or in writing, at the **HMO**’s address and telephone number listed on the front of this amendment. Inquiries and complaints will be logged, triaged and routed to the appropriate **HMO** Department for resolution. If a **Member** is not satisfied with the resolution of their inquiry or complaint they may file a formal grievance. The grievance should contain sufficient information for the **HMO** to investigate and render a decision.
2. **Members** who are dissatisfied with an adverse decision may discuss and review the decision with the Medical Director, or other designee who rendered the decision. **Members** who wish to request a reconsideration of an adverse decision should file a formal grievance with the **HMO** at the following address and telephone number:

Senior Medical Director  
Aetna Health Inc.  
1301 McCormick Drive  
Largo, Maryland 20774  
1-888-287-4206

**Formal Internal Process**

Grievances will be routed directly to the **HMO**’s Regional Grievance Unit. The Regional Grievance Unit will send a written notice to the **Member** within five (5) working days of this initial contact. The notice will include the following:

- An acknowledgement that the grievance was received;
- The name, address, and telephone number of the Regional Grievance Unit;
- Instructions on how to submit written materials;
- The details of the internal appeal process and procedures; and

Grievances will be handled as follows:

The Regional Grievance Unit will review, render a decision, and send a written notice to the **Member** or the health care provider, if filed on behalf of the **Member**, within fourteen (14) working days of receipt of the grievance. This notice will include:

- The alternate length of treatment or alternate treatment settings, if any, that the **HMO** deems appropriate;
- A list of individuals participating in the review of the grievance, including their titles and an indication that credentialing information is available on request;
- A statement of the reviewer’s understanding of the pertinent facts of the grievance;
- A reference to the evidence or documentation used as the basis for the decision; and, in cases involving a denial of services, instructions for requesting a written statement of the clinical rationale, including the clinical review criteria used; and
- A description of the next level of appeal (in at least 12 point typeface).

C. **Appeal Hearing – Level II**

1. The **Member** has thirty (30) days from the notification of the Level I decision to request a Level II appeal hearing.
2. Within ten (10) days of receipt of a written request for a Level II appeal hearing, the **HMO** will provide the **Member** filing the request with an acknowledgement letter.
3. The Regional Grievance Unit will review all of the information submitted and gather any additional information necessary to prepare and render a decision about the grievance. If there is insufficient information available to make a decision the Regional Grievance Unit will, within ten (10) working days of receipt of the grievance, notify the **Member** or health care provider on behalf of the **Member**, of the need for additional information. The Regional Grievance Unit also will offer to assist the **Member** or health care provider obtain the information.
4. The Regional Grievance Unit will set up the hearing and send written notification to the **Member** with the date, time and location of the hearing and a description of the Level II hearing process and the **Member’s** rights.
5. A review body at the local market (hereinafter the “Appeal Hearing Panel”) will be formed to handle the appeal hearing. The reviewers must not have participated in any prior review determinations. The composition of the review body must be peers of the treating health care provider (physician to physician; chiropractor to chiropractor) and must be board certified or board eligible in a discipline pertinent to the issue under review, if the appeal involves a medical necessity issue.
6. The **HMO** will hold appeal hearings as needed, but no more than thirty (30) days after receiving a request.
7. In the event a **Member** is unable to attend the hearing on the scheduled hearing day, the **Member** may request that the hearing be rescheduled to the next hearing day or heard in the **Member’s** absence.

8. The **Member** will have the right to attend the appeal hearing, question the representative of **HMO** designated to appear at the hearing and any other witnesses, and present their case. The **Member** also will have the right to be assisted or represented by a person of the **Member's** choice, and to submit written material in support of their appeal. The **Member** may bring a physician or other expert(s) to testify on the **Member's** behalf. The **HMO** will also have the right to present witnesses. Counsel for the **Member** may present the **Member's** case and question witnesses; if the **Member** is so represented. Similarly, the **HMO** also may choose to be represented by counsel. The Appeal Hearing Panel will have the right to question the **HMO** representative, the **Member** and any other witnesses.
9. The appeal hearing will be informal. The Appeal Hearing Panel will not apply formal rules of evidence in reviewing documentation or accepting testimony at the hearing. The Chair of the Appeal Hearing Panel will have the right to exclude redundant testimony or excessive argument by any party or witness.
10. A written record of the appeal hearing will be made by stenographic transcription. All testimony will be under oath.
11. Before the record is closed, the Chair of the Appeal Hearing Panel will ask both the **Member** and the **HMO** representative (or their counsel) whether there is any additional evidence or argument which the party wishes to present to the Appeal Hearing Panel. Once all evidence and arguments have been received, the record of the appeal hearing will be closed. The deliberations of the Appeal Hearing Panel will be confidential and will not be transcribed.
12. The Appeal Hearing Panel will render a written decision within five (5) working days of the conclusion of the appeal hearing. A fifteen (15) working day extension to resolve the appeal may be granted with the **Member's** written permission.

The written decision will contain:

- The decision, in clear terms, with the contractual (benefits) or clinical (medical appropriateness) rationale;
  - A list of individuals participating in the review of the appeal, including their titles and credentialing information;
  - A statement of the Appeal Hearing Panel's understanding of the pertinent facts of the appeal;
  - A reference to the evidence or documentation used as the basis for the decision, and in the cases involving a denial of services, instructions for requesting a written statement of the clinical rationale, including the clinical review criteria used; and
  - Additional appeal rights (in at least 12-point typeface) including relevant external review rights.
13. If the deadline for completing the appeal is not met by the **HMO**, the **Member** or the health care provider on behalf of the **Member** will be relieved of the duty to exhaust the **HMO's** internal review process and may file a request for an external review, as described below.

#### D. **External Review**

Once the internal appeal process is exhausted (except as otherwise noted in this procedure) the **Member** may file a request for an external review with the Director of the Department of Health for the District of Columbia at the following address:

Grievance Coordinator  
Department of Health  
Office of the General Counsel  
825 North Capitol Street, N.E.  
Room 4119  
Washington, DC 20002  
(202) 442-5979

A request for an external review must be received by the Department of Health within thirty (30) working days after the date of receipt of the appeal hearing decision.

Instructions on how to request an external review are included with the Appeal Hearing Panel's response to the second level appeal.

E. **Expedited Review of Adverse Decisions**

1. The **Member** or health care provider on behalf of the **Member**, may request an expedited review at either Level I or Level II when an adverse decision is rendered for health care services that are proposed but have not been delivered, and the services are necessary to treat a condition or illness that would reasonably appear to seriously jeopardize the life or health of the **Member** or the **Member's** ability to regain maximum function, without immediate medical attention. The **Member** and health care provider will be notified immediately if the **HMO** does not have sufficient information to complete the expedited review and the **HMO** will assist the **Member** or health care provider in gathering the necessary information without further delay.
2. Expedited reviews will be performed by a physician advisor, a peer of the treating health care provider, or a panel of other appropriate health care providers, at least one of which is a physician advisor.
3. Expedited reviews will be completed within twenty-four (24) hours of the time the **Member** or health care provider initiates the request.
4. Within one (1) day after a decision has been orally communicated to the **Member** or health care provider, a written notice will be sent to the **Member** or health care provider. The notice will include:
  - The decision, in clear terms, with the contractual (benefits) or clinical (medical appropriateness) rationale;
  - A list of individuals participating in the review, including titles and credentialing information;
  - A statement of the reviewer's understanding of the pertinent facts of the review;
  - A reference to the evidence or documentation used as the basis for the decision, and in cases involving a denial of services, instructions for requesting a written statement of the clinical rationale, including the clinical review criteria used; and
  - If the denial is upheld, a statement advising the **Member** or health care provider of their right to file a grievance and a description of how to file a grievance.
5. If the expedited review is a concurrent review determination, the service should be continued without liability to the **Member** until the **Member** is notified of the decision, unless it is related to an initial unauthorized admission.

6. The **HMO** is not required to provide an expedited review for retrospective non-certifications.

A Member may file a complaint with the Director of the Department of Health if a decision is not received within twenty-four (24) hours of the filing of the request for an expedited review.

F. **Record Retention.**

The **HMO** will retain the records of all grievances and appeals for a period of at least seven (7) years.

G. **Fees and Costs.**

Nothing herein will be construed to require the **HMO** to pay counsel fees or any other fees or costs incurred by a **Member** in pursuing a grievance or appeal.

H. **Dispute Resolution**

Any controversy, dispute or claim between **HMO** on the one hand and one or more **Interested Parties** on the other hand arising out of or relating to the **Group Agreement**, whether stated in tort, contract, statute, claim for benefits, bad faith, professional liability or otherwise ("Claim"), shall be settled by confidential binding arbitration administered by the American Arbitration Association ("AAA") before a sole arbitrator ("Arbitrator"). Judgment on the award rendered by the Arbitrator ("Award") may be entered by any court having jurisdiction thereof. If the AAA declines to administer the case and the parties do not agree on an alternative administrator, a sole neutral arbitrator shall be appointed upon petition to a court having jurisdiction. **HMO** and **Interested Parties** hereby give up their rights to have Claims decided in a court before a jury.

Any Claim alleging wrongful acts or omissions of **Participating** or non-participating **Providers** shall not include **HMO**. A **Member** must exhaust all grievance, appeal and independent external review procedures prior to the commencement of an arbitration hereunder. No person may recover any damages arising out of or related to the failure to approve or provide any benefit or coverage beyond payment of or coverage for the benefit or coverage where (i) **HMO** has made available independent external review and (ii) **HMO** has followed the reviewer's decision. Punitive damages may not be recovered as part of a Claim under any circumstances. No **Interested Party** may participate in a representative capacity or as a member of any class in any proceeding arising out of or related to the **Group Agreement**. This agreement to arbitrate shall be specifically enforced even if a party to the arbitration is also a party to another proceeding with a third party arising out of the same matter.

### **COORDINATION OF BENEFITS**

Some **Members** have health coverage in addition to the coverage provided under this **Certificate**. When this is the case, the benefits paid by other plans will be taken into account. This may mean a reduction in benefits payable under this **Certificate**, including any applicable benefits payable for dental or pharmacy services or supplies.

When coverage under this **Certificate** and coverage under another plan applies, the order in which the various plans will pay benefits must be figured. This will be done as follows using the first rule that applies:

- A. The primary plan pays or provides its benefits as if the secondary plan or plans did not exist.
- B. A plan with no rules for coordination with other benefits will be deemed to pay its benefits before a plan which contains such rules.
- C. A plan may consider the benefits paid or provided by another plan in determining its benefits only when it is secondary to that other plan.

D. A plan which covers a person other than as a dependent will be deemed to pay its benefits before a plan which covers the person as a dependent; except that if the person is also a Medicare beneficiary and as a result of the Social Security Act of 1965, as amended, Medicare is:

1. secondary to the plan covering the person as a dependent; and
2. primary to the plan covering the person as other than a dependent;

the benefits of a plan which covers the person as a dependent will be determined before the benefits of a plan which:

1. covers the person as other than a dependent; and
2. is secondary to Medicare.

E. Except in the case of a dependent child whose parents are divorced or separated, the plan which covers the person as a dependent of a person whose birthday comes first in a calendar year will be primary to the plan which covers the person as a dependent of a person whose birthday comes later in that calendar year. If both parents have the same birthday, the benefits of a plan which covered one parent longer are determined before those of a plan which covered the other parent for a shorter period of time.

If the other plan does not have the rule described in this provision (E) but instead has a rule based on the gender of the parent and if, as a result, the plans do not agree on the order of benefits, the rule in the other plan will determine the order of benefits.

F. In the case of a dependent child whose parents are divorced or separated:

1. If there is a court decree which states that the parents shall share joint custody of a dependent child, without stating that one of the parents is responsible for the health care expenses of the child, the order of benefit determination rules specified in (E) above will apply.
2. If there is a court decree which makes one parent financially responsible for the medical, dental or other health care expenses of such child, the benefits of a plan which covers the child as a dependent of such parent will be determined before the benefits of any other plan which covers the child as a dependent child.
3. If there is not such a court decree:

If the parent with custody of the child has not remarried, the benefits of a plan which covers the child as a dependent of the parent with custody of the child will be determined before the benefits of a plan which covers the child as a dependent of the parent without custody.

If the parent with custody of the child has remarried, the benefits of a plan which covers the child as a dependent of the parent with custody shall be determined before the benefits of a plan which covers that child as a dependent of the stepparent. The benefits of a plan which covers that child as a dependent of the stepparent will be determined before the benefits of a plan which covers that child as a dependent of the parent without custody.

G. If A, B, C, D, E and F above do not establish an order of payment, the plan under which the person has been covered for the longest will be deemed to pay its benefits first; except that:

The benefits of a plan which covers the person as a:

1. laid-off or retired employee; or
2. the dependent of such person;

shall be determined after the benefits of any other plan which covers such person as:

1. an employee who is not laid-off or retired; or
2. a dependent of such person.

If the other plan does not have a provision:

1. regarding laid-off or retired employees; and
2. as a result, each plan determines its benefits after the other,

then the above paragraph will not apply.

The benefits of a plan which covers the person on whose expenses claim is based under a right of continuation pursuant to federal or state law shall be determined after the benefits of any other plan which covers the person other than under such right of continuation.

If the other plan does not have a provision:

1. regarding right of continuation pursuant to federal or state law; and
2. as a result, each plan determines its benefits after the other,

then the above paragraph will not apply.

- H. If the preceding rules do not determine the primary plan, the **Covered Benefits** shall be shared equally between the plans meeting the definition of plan under this section. In addition, this plan will not pay more than it would have paid had it been primary.

**HMO** has the right to release or obtain any information and make or recover any payment it considers necessary in order to administer this provision.

Other plan means any other plan of health expense coverage under:

1. Group insurance.
2. Any other type of coverage for persons in a group. This includes plans that are insured and those that are not.
3. No-fault and traditional "fault" auto insurance including medical payments coverage provided on other than a group basis to the extent allowed by law.

**Payment of Benefits.**

Under the **Coordination of Benefits** provision of this **Certificate**, the amount normally reimbursed for **Covered Benefits** under this **Certificate** is reduced to take into account payments made by other plans. The general rule is that the benefits otherwise payable under this **Certificate** for all **Covered Benefits** will be reduced by all other plan benefits payable for those expenses. When the **Coordination of Benefits** rules of this **Certificate** and an other plan both agree that this **Certificate** determines its benefits before such other plan, the benefits of the other plan will be ignored in applying the general rule above to the claim involved. Such reduced amount will be charged against any applicable benefit limit of this coverage.

**Facility of Payment.**

A payment made by another plan may include an amount which should have been paid under this **Certificate**. If it does, **HMO** may pay that amount to the plan that made that payment. That amount will then be treated as though it

were a benefit paid by **HMO**. **HMO** will not have to pay that amount again. The term "payment made" means reasonable cash value of the benefits provided in the form of services.

#### **Recovery of Overpayments.**

If the benefits paid under this **Certificate**, plus the benefits paid by other plans, exceeds the total amount of **Covered Benefits**, **HMO** has the right to recover the amount of that excess payment if it is the secondary plan, from among 1 or more of the following: (1) any person to or for whom such payments were made; (2) other plans; or (3) any other entity to which such payments were made. This right of recovery shall be exercised at **HMO's** discretion. A **Member** shall execute any documents and cooperate with **HMO** to secure its right to recover such overpayments, upon request from **HMO**.

#### **Medicare And Other Federal Or State Government Programs.**

The provisions of this section will apply to the maximum extent permitted by federal or state law. **HMO** will not reduce the benefits due any **Member** due to that **Member's** eligibility for Medicare where federal law requires that **HMO** determine its benefits for that **Member** without regard to the benefits available under Medicare.

The coverage under this **Certificate** is not intended to duplicate any benefits for which **Members** are, or could be, eligible for under Medicare or any other federal or state government programs (such as Workers' Compensation). All sums payable under such programs for services provided pursuant to this **Certificate** shall be payable to and retained by **HMO**. Each **Member** shall complete and submit to **HMO** such consents, releases, assignments and other documents as may be requested by **HMO** in order to obtain or assure reimbursement under Medicare or any other government programs for which **Members** are eligible.

A **Member** is eligible for Medicare any time the **Member** is covered under it. **Members** are considered to be eligible for Medicare or other government programs if they:

1. Are covered under a program;
2. Have refused to be covered under a program for which they are eligible;
3. Have terminated coverage under a program; or
4. Have failed to make proper request for coverage under a program.

#### **Active Employees and Their Dependents Who Are Eligible For Medicare.**

Certain rules apply to active employees and their **Covered Dependents** who are eligible for Medicare. When an active **Subscriber**, or the **Covered Dependent** of an active **Subscriber**, is eligible for Medicare and the **Subscriber** or **Covered Dependent** belongs to a group covered by this **Certificate** with 20 or more employees, the coverage under this **Certificate** will be primary. If the **Member** belongs to a covered group of less than 20 employees, Medicare benefits will be primary and benefits payable under this **Certificate** will be secondary provided the **Contract Holder** elects to continue coverage for the active **Subscriber** or the **Covered Dependent**.

#### **Covered Persons Who Are Disabled or Who Have End Stage Renal Disease (ESRD).**

Special rules apply to **Members** who are disabled or who have End Stage Renal Disease. This **Certificate** will make primary and secondary payer determination in accordance with the Omnibus Budget Reconciliation Act (OBRA), as amended.

#### **Provision for Coordination with Medicare**

**HMO** reserves the right to figure the total amount of "regular benefits" for any medical benefits under this **Certificate**. (This will be the amount that would be payable if there were no Medicare benefits.) If this is more than the amount Medicare provides for the expenses involved, **HMO** will pay the difference. Otherwise, **HMO** will pay no benefits. This will be done for each claim. Charges for services used to satisfy a **Member's** Medicare Part B deductible will be applied under this **Certificate** in the order received by **HMO**. Two or more charges for services received at the same time will be applied starting with the largest first. Any rules for **Coordination of Benefits**, as

outlined in this **Certificate**, will be applied after **HMO's** benefits have been calculated under the rules in this section. **Covered Benefits** will be reduced by any Medicare benefits available for those **Covered Benefits**.

### **SUBROGATION AND RIGHT OF RECOVERY**

If **HMO** provides health care benefits under this **Certificate** to a **Member** for injuries or illness for which another party is or may be responsible, then **HMO** retains the right to repayment of the full cost of all benefits provided by **HMO** on behalf of the **Member** that are associated with the injury or illness for which another party is or may be responsible. **HMO's** rights of recovery apply to any recoveries made by or on behalf of the **Member** from the following sources, including but not limited to: payments made by a third-party tortfeasor or any insurance company on behalf of the third-party tortfeasor; any payments or awards under an uninsured or underinsured motorist coverage policy; any Workers' Compensation or disability award or settlement; medical payments coverage under any automobile policy, premises or homeowners medical payments coverage or premises or homeowners insurance coverage; any other payments from a source intended to compensate a **Member** for injuries resulting from an accident or alleged negligence.

The **Member** specifically acknowledges **HMO's** right of subrogation. When **HMO** provides health care benefits for injuries or illnesses for which another party is or may be responsible, **HMO** shall be subrogated to the **Member's** rights of recovery against any party to the extent of the full cost of all benefits provided by **HMO**. **HMO** may proceed against any party with or without the **Member's** consent.

The **Member** also specifically acknowledges **HMO's** right of reimbursement. This right of reimbursement attaches when **HMO** has provided health care benefits for injuries or illness for which another party is or may be responsible and the **Member** and/or the **Member's** representative has recovered any amounts from another party or any party making payments on the party's behalf. By providing any benefit under this **Certificate**, **HMO** is granted an assignment of the proceeds of any settlement, judgment or other payment received by the **Member** to the extent of the full cost of all benefits provided by **HMO**. **HMO's** right of reimbursement is cumulative with and not exclusive of **HMO's** subrogation right and **HMO** may choose to exercise either or both rights of recovery.

The **Member** and the **Member's** representatives further agree to:

- A. Notify **HMO** promptly and in writing when notice is given to any party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to injuries or illness sustained by the **Member** that may be the legal responsibility of another party;
- B. Cooperate with **HMO** and do whatever is necessary to secure **HMO's** rights of subrogation and/or reimbursement under this **Certificate**;
- C. Give **HMO** a first-priority lien on any recovery, settlement or judgment or other source of compensation which may be had from any party to the extent of the full cost of all benefits associated with injuries or illness provided by **HMO** for which another party is or may be responsible (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement);
- D. Pay, as the first priority, from any recovery, settlement or judgment or other source of compensation, any and all amounts due **HMO** as reimbursement for the full cost of all benefits associated with injuries or illness provided by **HMO** for which another party is or may be responsible (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement), unless otherwise agreed to by **HMO** in writing; and
- E. Do nothing to prejudice **HMO's** rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits provided by **HMO**.

**HMO** may recover the full cost of all benefits provided by **HMO** under this **Certificate** without regard to any claim of fault on the part of the **Member**, whether by comparative negligence or otherwise. No court costs or attorney fees may be deducted from **HMO's** recovery without the prior express written consent of **HMO**. In the event the **Member** or the **Member's** representative fails to cooperate with **HMO**, the **Member** shall be responsible for all benefits paid by **HMO** in addition to costs and attorney's fees incurred by **HMO** in obtaining repayment.

### **RESPONSIBILITY OF MEMBERS**

- A. **Members** or applicants shall complete and submit to **HMO** such application or other forms or statements as **HMO** may reasonably request. **Members** represent that all information contained in such applications, forms and statements submitted to **HMO** incident to enrollment under this **Certificate** or the administration herein shall be true, correct, and complete to the best of the **Member's** knowledge and belief.
- B. The **Member** shall notify **HMO** immediately of any change of address for the **Member** or any of the **Subscriber's Covered Dependents**, unless a different notification process is agreed to between **HMO** and **Contract Holder**.
- C. The **Member** understands that **HMO** is acting in reliance upon all information provided to it by the **Member** at time of enrollment and afterwards and represents that information so provided is true and accurate.
- D. By electing coverage pursuant to this **Certificate**, or accepting benefits hereunder, all **Members** who are legally capable of contracting, and the legal representatives of all **Members** who are incapable of contracting, at time of enrollment and afterwards, represent that all information so provided is true and accurate and agree to all terms, conditions and provisions in this **Certificate**.
- E. **Members** are subject to and shall abide by the rules and regulations of each **Provider** from which benefits are provided.

### **GENERAL PROVISIONS**

- A. **Identification Card.** The identification card issued by **HMO** to **Members** pursuant to this **Certificate** is for identification purposes only. Possession of an **HMO** identification card confers no right to services or benefits under this **Certificate**, and misuse of such identification card may be grounds for termination of **Member's** coverage pursuant to the Termination of Coverage section of this **Certificate**. If the **Member** who misuses the card is the **Subscriber**, coverage may be terminated for the **Subscriber** as well as any of the **Covered Dependents**. To be eligible for services or benefits under this **Certificate**, the holder of the card must be a **Member** on whose behalf all applicable **Premium** charges under this **Certificate** have been paid. Any person receiving services or benefits which such person is not entitled to receive pursuant to the provisions of this **Certificate** shall be charged for such services or benefits at billed charges.

If any **Member** permits the use of the **Member's HMO** identification card by any other person, such card may be retained by **HMO**, and all rights of such **Member** and their **Covered Dependents**, if any, pursuant to this **Certificate** shall be terminated immediately, subject to the Grievance Procedure in this **Certificate**.

- B. **Reports and Records.** **HMO** is entitled to receive from any **Provider** of services to **Members**, information reasonably necessary to administer this **Certificate** subject to all applicable confidentiality requirements as defined in the General Provisions section of this **Certificate**. By accepting coverage under this **Certificate**, the **Subscriber**, for himself or herself, and for all **Covered Dependents** covered hereunder, authorizes each and every **Provider** who renders services to a **Member** hereunder to:
  - 1. disclose all facts pertaining to the care, treatment and physical condition of the **Member** to **HMO**, or a medical, dental, or mental health professional that **HMO** may engage to assist it in reviewing a treatment or claim;

2. render reports pertaining to the care, treatment and physical condition of the **Member** to **HMO**, or a medical, dental, or mental health professional that **HMO** may engage to assist it in reviewing a treatment or claim; and
  3. permit copying of the **Member's** records by **HMO**.
- C. **Refusal of Treatment.** A **Member** may, for personal reasons, refuse to accept procedures, medicines, or courses of treatment recommended by a **Participating Provider**. If the **Participating Provider** (after a second **Participating Provider's** opinion, if requested by **Member**) believes that no professionally acceptable alternative exists, and if after being so advised, **Member** still refuses to follow the recommended treatment or procedure, neither the **Participating Provider**, nor **HMO**, will have further responsibility to provide any of the benefits available under this **Certificate** for treatment of such condition or its consequences or related conditions. **HMO** will provide written notice to **Member** of a decision not to provide further benefits for a particular condition. This decision is subject to the Grievance Procedure in this **Certificate**. Coverage for treatment of the condition involved will be resumed in the event **Member** agrees to follow the recommended treatment or procedure.
- D. **Assignment of Benefits.** All rights of the **Member** to receive benefits hereunder are personal to the **Member** and may not be assigned.
- E. **Legal Action.** No action at law or in equity may be maintained against **HMO** for any expense or bill unless and until the appeal process has been exhausted, and in no event prior to the expiration of 60 days after written submission of claim has been furnished in accordance with requirements set forth in the **Group Agreement**. No action shall be brought after the expiration of 3 years after the time written submission of claim is required to be furnished.
- F. **Independent Contractor Relationship.**
1. **Participating Providers**, non-participating **Providers**, institutions, facilities or agencies are neither agents nor employees of **HMO**. AETNA HEALTH INC.  
(DISTRICT OF COLUMBIA)  
COORDINATION OF BENEFITS AMENDMENT

**Contract Holder Group Agreement** Effective Date: January 1, 2012

The definitions of **Allowable Expense** and **Coordination of Benefits** shown in the Definitions section of the **Certificate** are hereby deleted.

The **Coordination of Benefits** section of the Certificate is deleted in its entirety and is replaced with the following:

**COORDINATION OF BENEFITS**

**Definitions.** When used in this provision, the following words and phrases have the following meaning:

**Allowable Expense.** A health care service or expense, including coinsurance and **Copayments**, that is covered at least in part by any of the **Plans** covering the **Member**. When a **Plan** provides benefits in the form of services the reasonable cash value of each service will be considered an **Allowable Expense** and a benefit paid. This **Plan** limits coordination of healthcare services or expenses with those services or expenses that are covered under similar types of **Plans**, e.g. coordination with Medical/Pharmacy coverage is coordinated with Medical/Pharmacy **Plans**. An expense or service that is not covered by any of the **Plans** is not an **Allowable Expense**. The following are examples of expenses and services that are not **Allowable Expenses**:

1. If a **Member** is confined in a private **Hospital** room, the difference between the cost of a semi-private room in the **Hospital** and the private room (unless the **Member's** stay in the private **Hospital** room is **Medically Necessary** in terms of generally accepted medical practice, or one of the **Plans** routinely provides coverage of **Hospital** private rooms) is not an **Allowable Expense**.
2. If a **Member** is covered by 2 or more **Plans** that compute their benefit payments on the basis of **Reasonable Charge**, any amount in excess of the highest of the **Reasonable Charges** for a specific benefit is not an **Allowable Expense**.
3. If a **Member** is covered by 2 or more **Plans** that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an **Allowable Expense**, unless the **Secondary Plan's** provider's contract prohibits any billing in excess of the provider's agreed upon rates.
4. The amount a benefit is reduced by the **Primary Plan** because a **Member** does not comply with the **Plan** provisions. Examples of these provisions are second surgical opinions, pre-authorization of admissions, and preferred provider arrangements.

If a **Member** is covered by 1 **Plan** that calculates its benefits or services on the basis of **Reasonable Charges** and another **Plan** that provides its benefits or services on the basis of negotiated fees, the **Primary Plan's** payment arrangements shall be the **Allowable Expense** for all the **Plans**.

**Claim Determination Period(s).** Usually, the calendar year.

**Closed Panel Plan(s).** A **Plan** that provides health benefits to **Members** primarily in the form of services through a panel of **Providers** that have contracted with or are employed by the **Plan**, and that limits or excludes benefits for services provided by other **Providers**, except in cases of **Emergency Services** or **Referral** by a panel **Provider**.

**Coordination of Benefits (COB).** A provision that is intended to avoid claims payment delays and duplication of benefits when a person is covered by 2 or more **Plans**. It avoids claims payment delays by establishing an order in

which **Plans** pay their claims and providing the authority for the orderly transfer of information needed to pay claims promptly. It may avoid duplication of benefits by permitting a reduction of the benefits of a **Plan** when, by the rules established by this provision, it does not have to pay its benefits first.

**Custodial Parent.** A parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.

**Medicare.** The health insurance provided by Title XVIII of the Social Security Act, as amended. It includes **HMO** or similar coverage that is an authorized alternative to Parts A and B of **Medicare**.

**Plan(s).** Any **Plan** providing benefits or services by reason of medical or dental care or treatment, which benefits or services are provided by one of the following:

1. Group, blanket, or franchise health insurance policies issued by insurers, including health care service contractors;
2. Other prepaid coverage under service plan contracts, or under group or individual practice;
3. Uninsured arrangements of group or group-type coverage;
4. Labor-management trustee plans, labor organization plans, employer organization plans, or employee benefit organization plans;
5. Medical benefits coverage in a group, group-type, and individual automobile “no-fault” and traditional automobile “fault” type contracts;
6. **Medicare** or other governmental benefits;
7. Other group-type contracts. Group type contracts are those which are not available to the general public and can be obtained and maintained only because membership in or connection with a particular organization or group.

If the **Plan** includes both medical and dental coverage, those coverages will be considered separate **Plans**. The Medical/Pharmacy coverage will be coordinated with other Medical/Pharmacy **Plans**. In turn, the dental coverage will be coordinated with other dental **Plans**.

**Plan Expenses.** Any necessary and reasonable health expenses, part or all of which are covered under this **Plan**.

**Primary Plan/Secondary Plan.** The order of benefit determination rules state whether coverage under this **Certificate** is a **Primary Plan** or **Secondary Plan** as to another **Plan** covering the **Member**.

When coverage under this **Certificate** is a **Primary Plan**, its benefits are determined before those of the other **Plan** and without considering the other **Plan**'s benefits.

When coverage under this **Certificate** is a **Secondary Plan**, its benefits are determined after those of the other **Plan** and may be reduced because of the other **Plan**'s benefits.

When there are more than 2 **Plans** covering the person, coverage under this **Certificate** may be a **Primary Plan** as to 1 or more other **Plans**, and may be a **Secondary Plan** as to a different **Plan(s)**.

This **Coordination of Benefits (COB)** provision applies to this **Certificate** when a **Subscriber** or the **Covered Dependent** has medical and/or dental coverage under more than 1 **Plan**.

The Order of Benefit Determination Rules below determines which **Plan** will pay as the **Primary Plan**. The **Primary Plan** pays first without regard to the possibility that another **Plan** may cover some expenses. A **Secondary Plan** pays after the **Primary Plan** and may reduce the benefits it pays.

## Order of Benefit Determination.

When 2 or more **Plans** pay benefits, the rules for determining the order of payment are as follows:

- A. The **Primary Plan** pays or provides its benefits as if the **Secondary Plan(s)** did not exist.
- B. A **Plan** that does not contain a **COB** provision that is consistent with this provision is always primary. There is one exception: coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the **Plan** provided by the **Contract Holder**. Examples of this type of exception are major medical coverage's that are superimposed over base plan providing **Hospital** and surgical benefits, and insurance type coverage's that are written in connection with a **Closed Panel Plan** to provide out-of-network benefits.
- C. A **Plan** may consider the benefits paid or provided by another **Plan** in determining its benefits only when it is secondary to that other **Plan**.
- D. The first of the following rules that describes which **Plan** pays its benefits before another **Plan** is the rule which will govern:
  1. **Non-Dependent or Dependent.** The **Plan** that covers the person other than as a dependent, for example as an employee, **Subscriber** or retiree is primary and the **Plan** that covers the person as a dependent is secondary. However, if the person is a **Medicare** beneficiary and, as a result of federal law, **Medicare** is secondary to the **Plan** covering the person as a dependent; and primary to the **Plan** covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the 2 **Plans** is reversed so that the **Plan** covering the person as an employee, **Subscriber** or retiree is secondary and the other **Plan** is primary.
  2. **Dependent Child Covered Under More Than One Plan.** The order of benefits when a child is covered by more than one **Plan** is:
    - a. The **Primary Plan** is the **Plan** of the parent whose birthday is earlier in the year if:
      - The parents are married;
      - The parents are not separated (whether or not they ever have been married); or
      - A court decree awards joint custody without specifying that 1 party has the responsibility to provide health care coverage.
    - If both parents have the same birthday, the **Plan** that covered either of the parents longer is primary.
    - b. If the specific terms of a court decree state that one of the parents is responsible for the child's health care expenses or health care coverage and the **Plan** of that parent has actual knowledge of those terms, that **Plan** is primary. This rule applies to **Claim Determination Periods** or **Plan** years commencing after the **Plan** is given notice of the court decree.
    - c. If the parents are not married, or are separated (whether or not they ever have been married) or are divorced, the order of benefits is:
      - The **Plan** of the **Custodial Parent**;
      - The **Plan** of the spouse of the **Custodial Parent**;
      - The **Plan** of the non-custodial parent; and then
      - The **Plan** of the spouse of the non-custodial parent.

3. **Active or Inactive Employee.** The **Plan** that covers a person as an employee who is neither laid off nor retired, is the **Primary Plan**. The same holds true if a person is a dependent of a person covered as a retiree and an employee. If the other **Plan** does not have this rule, and if, as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. Coverage provided to an individual as a retired worker and as a dependent of an actively working spouse will be determined under this section.
4. **Continuation Coverage.** If a person whose coverage is provided under a right of continuation provided by federal or state law also is covered under another **Plan**, the **Plan** covering the person as an employee, **Subscriber** or retiree (or as that person's dependent) is primary, and the continuation coverage is secondary. If the other **Plan** does not have this rule, and if, as a result, the **Plans** do not agree on the order of benefits, this rule is ignored.
5. **Longer or Shorter Length of Coverage.** The **Plan** that covered the person as an employee, **Member** or **Subscriber** longer is primary.
6. **If the preceding rules do not determine the Primary Plan,** the **Allowable Expenses** shall be shared equally between the **Plan's** meeting the definition of **Plan** under this section. In addition, this **Plan** will not pay more than it would have paid had it been primary.

**Effect on Benefits of this Certificate.**

A.

Under the **Coordination of Benefits** provision of this **Certificate**, the amount normally reimbursed for **Covered Benefits** under this **Certificate** is reduced to take into account payments made by other plans. The general rule is that the benefits otherwise payable under this **Certificate** for all **Covered Benefits** will be reduced by all other plan benefits payable for those expenses. When the **Coordination of Benefits** rules of this **Certificate** and an other plan both agree that this **Certificate** determines its benefits before such other plan, the benefits of the other plan will be ignored in applying the general rule above to the claim involved. Such reduced amount will be charged against any applicable benefit limit of this coverage.

- B. If a **Member** is enrolled in 2 or more **Closed Panel Plans** and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by 1 **Closed Panel Plan**, **COB** shall not apply between that **Plan** and other **Closed Panel Plans**.

**Effect of Medicare.**

The following provisions explain how the benefits under this **Certificate** interact with benefits available under **Medicare**.

A **Member** is eligible for **Medicare** if **Member**:

1. Is covered under **Medicare** by reason of age, disability, or End Stage Renal Disease;
2. Is not covered under **Medicare** because of:
  - Having refused **Medicare**;
  - Having dropped **Medicare**; or
  - Having failed to make proper request for **Medicare**.

If a **Member** is eligible for **Medicare**, coverage under this **Certificate** will be determined as follows:

If a **Member's** coverage under this **Certificate** is based on current employment with the **Contract Holder**, coverage under this **Certificate** will act as the primary payor for the **Medicare** beneficiary who is eligible for **Medicare**:

1. solely due to age if this **Plan** is subject to the Social Security Act requirements for **Medicare** with respect to working aged (i.e., generally a plan of an employer with 20 or more employees);
2. due to diagnosis of End Stage Renal Disease, but only during the first 30 months of such eligibility for **Medicare** benefits. But this does not apply if at the start of such eligibility the **Member** was already eligible for **Medicare** benefits and this **Plan's** benefits were payable on a **Secondary Plan** basis;
3. solely due to any disability other than End Stage Renal Disease; but only if this **Plan** meets the definition of a large group health plan in the Internal Revenue Code (i.e., generally a plan of an employer with 100 or more employees).

Otherwise, coverage under this **Certificate** will cover the benefits as the **Secondary Plan**. Coverage under this **Certificate** will pay the difference between the benefits of this **Plan** and the benefits that **Medicare** pays, up to 100% of **Plan Expenses**.

Charges used to satisfy a **Member's** Part B deductible under **Medicare** will be applied under this **Plan** in the order received by **HMO**. Two or more charges received at the same time will be applied starting with the largest first.

Any rule for coordinating "other plan" benefits with those under this **Plan** will be applied after this **Plan's** benefits have been figured under the above rules.

Those charges for non-emergency care or treatment furnished by a **Member's Physician** under a Private Contract are excluded. A Private Contract is a contract between a **Medicare** beneficiary and a **Physician** who has decided not to provide services through **Medicare**.

This exclusion applies to services an "opt out" **Physician** has agreed to perform under a Private Contract signed by the **Member**. **Physicians** who have decided not to provide services through **Medicare** must file an "opt out" affidavit with all carriers who have jurisdiction over claims the **Physician** would otherwise file with **Medicare** and be filed no later than 10 days after the first private contract to which the affidavit applies is entered into with a **Medicare** beneficiary.

#### **Multiple Coverage Under this Plan.**

If a **Member** is covered under this **Plan** both as a **Subscriber** and a **Covered Dependent** or as a **Covered Dependent** of 2 **Subscribers**, the following will also apply:

- The **Members** coverage in each capacity under this **Plan** will be set up as a separate "**Plan**".
- The order in which various **Plans** will pay benefits will apply to the "**Plans**" set up above and to all other **Plans**.
- This provision will not apply more than once to figure the total benefits payable to the person for each claim under this **Plan**.

#### **Right to Receive and Release Needed Information.**

Certain facts about health care coverage and services are needed to apply these **COB** rules and to determine benefits under this **Plan** and other **Plans**. **HMO** has the right to release or obtain any information and make or recover any payments it considers necessary in order to administer this provision.

#### **Facility of Payment.**

Any payment made under another **Plan** may include an amount which should have been paid under coverage under this **Certificate**. If so, **HMO** may pay that amount to the organization, which made that payment. That amount will then be treated as though it were a benefit paid under this **Certificate**. **HMO** will not have to pay that amount again. The term "payment made" means reasonable cash value of the benefits provided in the form of services.

**Right of Recovery.**

If the amount of the payments made by **HMO** is more than it should have paid under this **COB** provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid; or any other person or organization that may be responsible for the benefits or services provided for the **Member**. The “amount of the payments made” includes the reasonable cash value of any benefits provided in the form of services.

Prostate cancer screening services that are in accordance with the latest screening guidelines issued by the American Cancer Society for the ages, family histories, and frequencies referenced in such guidelines, are covered when ordered or prescribed by and obtained through a **Participating Provider**.

**AMENDMENT TO THE  
CERTIFICATE OF COVERAGE**

The Aetna Health Inc. **Certificate** is hereby amended as follows:

**CONTINUATION AND CONVERSION**

Subsection H Conversion Privilege of the Continuation and Conversion Section of this **Certificate** is hereby deleted and replaced in its entirety as follows:

**C. Conversion Privilege.**

This subsection does not continue coverage under the **Group Agreement**. It permits the issuance of an individual health care coverage agreement (conversion coverage) under certain conditions.

The conversion privilege set forth in this subsection must be initiated by the eligible **Member**. The **HMO** is responsible for giving notice of the conversion privilege in accordance with its normal procedures; however, in the event continuation coverage ceases pursuant to expiration of COBRA benefits as described in the COBRA Continuation Coverage section of this **Certificate**, the **Contract Holder** shall notify the **Member** at some time during the 180-day period prior to the expiration of coverage.

1. Eligibility.

In the event a **Member** ceases to be eligible for coverage under this **Certificate** and has been continuously enrolled for three (3) months under **HMO**, such person may, within 31 days after termination of coverage under this **Certificate**, convert to individual coverage with **HMO**, effective as of the date of such termination, without evidence of insurability, unless the **Member**: is enrolled in another health maintenance organization; is covered or eligible for coverage under a group or individual health insurance policy which provides substantial medical, surgical and hospital benefits; is covered by or eligible for Medicare at the time their coverage under this **Certificate** terminates; or, unless that **Member's** coverage under this **Certificate** terminated for one of the following reasons:

- a. Inability of the **Member** to establish a reasonable physician-patient relationship; or
- b. Fraudulent use of the **HMO's** identification card by the **Member**, the alteration or sale of prescriptions by the **Member**, or an attempt by the **Subscriber** to enroll noneligible persons as dependents; or
- c. Failure of the **Subscriber** to pay any premium charge when due; or
- d. Failure of the **Subscriber** to pay any **Deductible** or **Copayment**; or

- e. Change of the place of residence of the **Member** to a location outside the **Service Area** of the **HMO**.

Any **Member** who is eligible to convert to individual coverage, may do so in accordance with the rules and regulations governing items such as initial payment, the form of the agreement and all terms and conditions thereunder as **HMO** may have in effect at the time of **Member's** application for conversion, without furnishing evidence of insurability. The conversion coverage will provide benefits no less than what is then required by, and no benefits contrary to, any applicable law or regulation. However, the conversion coverage may not provide the same coverage, and may be less than what is provided under the **Group Agreement**. Upon request, **HMO** or the **Contract Holder** will furnish details about conversion coverage.

- 2. A spouse has the right to convert upon the death of or divorce from the **Subscriber** and a **Covered Dependent** child has the right to convert upon reaching the age limit or upon death of the **Subscriber** (subject to the ability of minors to be bound by contract).

All other terms and conditions of the **Certificate** shall remain in full force and effect except as amended herein.

**AMENDMENT TO THE GROUP AGREEMENT AND CERTIFICATE OF COVERAGE**

**Contract Holder Group Agreement** Effective Date: January 1, 2012

The **HMO Group Agreement** is hereby amended as follows:

All references to “grievance” in the **Group Agreement** are hereby changed to “**Complaint**”.

The **HMO Certificate of Coverage** is hereby amended as follows:

1. All references to “grievance” in the **Certificate** are hereby changed to “**Complaint**”.
2. All references to the “Grievance Procedure” sections in the **Certificate** are hereby deleted and replaced by the following:  
  
“Claim Procedures/Complaints and Appeals/Dispute Resolution”
3. The first 2 paragraphs following subsection C.6 of the Termination of Coverage section of the **Certificate** are hereby replaced by the following:

A **Member** may register a **Complaint** with **HMO**, as described in the Claim Procedures/Complaints and Appeals/Dispute Resolution section of this **Certificate**, after receiving notice that **HMO** has or will terminate the **Member’s** coverage as described in the Termination For Cause subsection of the **Certificate**. **HMO** will continue the **Member’s** coverage in force until a final decision on the **Complaint** is rendered, provided the **Premium** is paid throughout the period prior to the issuance of that final decision. **HMO** may rescind coverage, to the date coverage would have terminated had the **Member** not registered a **Complaint** with **HMO**, if the final decision is in favor of **HMO**. If coverage is rescinded, **HMO** will refund any **Premiums** paid for that period after the termination date, minus the cost of Covered Benefits provided to a **Member** during this period.

Coverage will not be terminated on the basis of a **Member’s** health status or health care needs, nor if a **Member** has exercised the **Member’s** rights under the **Certificate’s** Claim Procedures/Complaints and Appeals Dispute Resolution section to register a **Complaint** with **HMO**. The **Complaint** process described in the preceding paragraph applies only to those terminations affected pursuant to the Termination for Cause subsection of this **Certificate**.

4. The “Inquiry, Complaint, Grievance and Appeal Procedure” Section of the **Certificate** is hereby deleted and replaced by the following:

**CLAIM PROCEDURES/COMPLAINTS AND APPEALS /DISPUTE RESOLUTION**

**CLAIM PROCEDURES**

A claim occurs whenever a **Member** or the **Member’s** authorized representative requests pre-authorization as required by the plan from **HMO**, a **Referral** as required by the plan from a **Participating Provider** or requests payment for services or treatment received. As an **HMO Member**, most claims do not require forms to be submitted. However, if a **Member** receives a bill for **Covered Benefits**, the bill must be submitted promptly to the **HMO** for payment. Send the itemized bill for payment with the **Member’s** identification number clearly marked to the address shown on the **Member’s** ID card.

The **HMO** will make a decision on the **Member's** claim. For urgent care claims and pre-service claims, the **HMO** will send the **Member** written notification of the determination, whether adverse or not adverse. For other types of claims, the **Member** may only receive notice if the **HMO** makes an adverse benefit determination.

Adverse benefit determinations are decisions made by the **HMO** that result in denial, reduction, or termination of a benefit or the amount paid for it. It also means a decision not to provide a benefit or service. Adverse benefit determinations can be made for one or more of the following reasons:

- **Utilization Review.** **HMO** determines that the service or supply is not **Medically Necessary** or are **Experimental or Investigational Procedures**;
- **No Coverage.** **HMO** determines that a service or supply is not covered by the plan. A service or supply is not covered if it is not included in the list of **Covered Benefits**;
- it is excluded from coverage;
- an **HMO** limitation has been reached; or
- **Eligibility.** **HMO** determines that the **Subscriber** or **Subscriber's Covered Dependents** are not eligible to be covered by the **HMO**.

Written notice of an adverse benefit determination will be provided to the **Member** within the following time frames. Under certain circumstances, these time frames may be extended. The notice will provide important information that will assist the **Member** in making an **Appeal** of the adverse benefit determination, if the **Member** wishes to do so. Please see the Complaints and Appeals section of this **Certificate** for more information about **Appeals**.

## COMPLAINTS AND APPEALS

**HMO** has procedures for **Members** to use if they are dissatisfied with a decision that the **HMO** has made or with the operation of the **HMO**. The procedure the **Member** needs to follow will depend on the type of issue or problem the **Member** has.

- **Appeal.** An **Appeal** is a request to the **HMO** to reconsider an adverse benefit determination. The **Appeal** procedure for an adverse benefit determination has two levels.
- **Complaint.** A **Complaint** is an expression of dissatisfaction about quality of care or the operation of the **HMO**.

### A. **Complaints.**

If the **Member** is dissatisfied with the administrative services the **Member** receives from the **HMO** or wants to complain about a **Participating Provider**, call or write Member Services within 30 calendar days of the incident. The **Member** will need to include a detailed description of the matter and include copies of any records or documents that the **Member** thinks are relevant to the matter. The **HMO** will review the information and provide the **Member** with a written response within 30 calendar days of the receipt of the **Complaint**, unless additional information is needed and it cannot be obtained within this time frame. The response will tell the **Member** what the **Member** needs to do to seek an additional review.

### B. **Appeals of Adverse Benefit Determinations.**

The **Member** will receive written notice of an adverse benefit determination from the **HMO**. The notice will include the reason for the decision and it will explain what steps must be taken if the **Member** wishes to **Appeal**. The notice will also identify the **Member's** rights to receive additional information that may be relevant to an **Appeal**. Requests for an **Appeal** must be made in writing within 180 calendar days from the date of the notice.

A **Member** may also choose to have another person (an authorized representative) make the **Appeal** on the **Member's** behalf by providing the **HMO** with written consent. However, in case of an urgent care claim or a pre-service claim, a **Physician** may represent the **Member** in the **Appeal**.

The **HMO** provides for two levels of **Appeal** of the adverse benefit determination. The **Member** must complete the two levels of **HMO** review before bringing a lawsuit against the **HMO**. If the **Member** decides to **Appeal** to the second level, the request must be made in writing within 60 calendar days from the date of the notice. The following chart summarizes some information about how the **Appeals** are handled for different types of claims.

A **Member** and/or an authorized representative may attend the Level Two **Appeal** hearing and question the representative of **HMO** and/or any other witnesses, and present their case. The hearing will be informal. A **Member's Physician** or other experts may testify. **HMO** also has the right to present witnesses.

C. **External Review**

Once the internal appeal process is exhausted (except as otherwise noted in this procedure) the **Member** may file a request for an external review.

1. Requests for external reviews that involve **Medical Necessity** issues should be filed with the Director of the Department of Health for the District of Columbia at the following address:

Director

Washington, DC 20002

A request for an external review must be received within thirty (30) working days after the date of receipt of the appeal hearing decision.

Instructions on how to request an external review are included with the **HMO** Appeal Committee's response to the second level appeal.

**D. Exhaustion of Process.**

The foregoing procedures and process are mandatory and must be exhausted prior to:

1. any investigation of a **Complaint** or **Appeal** by the Department of Insurance; or
2. the filing of a **Complaint** or **Appeal** with the Department of Insurance; or
3. the establishing of any litigation or arbitration, or any administrative proceeding regarding either any alleged breach of the **Group Agreement** or **Certificate** by **HMO**, or any matter within the scope of the **Complaints** and **Appeals** process.

**E. Record Retention.**

**HMO** shall retain the records of all **Complaints** and **Appeals** for a period of at least 7 years.

**F. Fees and Costs.**

Nothing herein shall be construed to require **HMO** to pay counsel fees or any other fees or costs incurred by a **Member** in pursuing a **Complaint** or **Appeal**.

## **DISPUTE RESOLUTION**

Any controversy, dispute or claim between **HMO** on the one hand and one or more **Interested Parties** on the other hand arising out of or relating to the **Group Agreement**, whether stated in tort, contract, statute, claim for benefits, bad faith, professional liability or otherwise ("Claim"), shall be settled by confidential binding arbitration administered by the American Arbitration Association ("AAA") before a sole arbitrator ("Arbitrator"). Judgment on the award rendered by the Arbitrator ("Award") may be entered by any court having jurisdiction thereof. If the AAA declines to administer the case and the parties do not agree on an alternative administrator, a sole neutral arbitrator shall be appointed upon petition to a court having jurisdiction. **HMO** and **Interested Parties** hereby give up their rights to have Claims decided in a court before a jury.

Any Claim alleging wrongful acts or omissions of **Participating** or non-participating **Providers** shall not include **HMO**. A **Member** must exhaust all **Complaint**, **Appeal** and independent external review procedures prior to the commencement of an arbitration hereunder. No person may recover any damages arising out of or related to the failure to approve or provide any benefit or coverage beyond payment of or coverage for the benefit or coverage where (i) **HMO** has made available independent external review and (ii) **HMO** has followed the reviewer's decision. Punitive damages may not be recovered as part of a Claim under any circumstances. No **Interested Party** may participate in a representative capacity or as a member of any class in any proceeding arising out of or related to the **Group Agreement**. This agreement to arbitrate shall be specifically enforced even if a party to the arbitration is also a party to another proceeding with a third party arising out of the same matter.

- **Medically Necessary, Medically Necessary Services, or Medical Necessity.** Services that are appropriate and consistent with the diagnosis in accordance with accepted medical standards as described in the Covered Benefits section of this **Certificate**. **Medical Necessity**, when used in relation to services, shall have the same meaning as **Medically Necessary Services**. This definition applies only to the determination by **HMO** of whether health care services are **Covered Benefits** under this **Certificate**. The fact that a **Physician** may prescribe, authorize, or direct a service does not of itself make it **Medically Necessary** or covered by the **Group Agreement**.

All other terms and conditions of the **Certificate** shall remain in full force and effect except as amended herein.

The Aetna Health Inc. **Certificate** is hereby amended as follows:

The **Outpatient Rehabilitation Benefits** provision under the Covered Benefits section of the **Certificate** is hereby deleted and replaced with the following:

**Rehabilitation Benefits.**

The following benefits are covered when rendered by **Participating Providers** upon **Referral** issued by the **Member's PCP** and pre-authorized by **HMO**.

1. Cardiac and Pulmonary Rehabilitation Benefits.
  - a. Cardiac rehabilitation benefits are available as part of a **Member's** inpatient **Hospital** stay. A limited course of outpatient cardiac rehabilitation is covered when **Medically Necessary** following angioplasty, cardiovascular surgery, congestive heart failure or myocardial infarction.

**AETNA HEALTH INC.  
(DISTRICT OF COLUMBIA)**

**HOME HEALTH CARE AMENDMENT**

**Contract Holder Group Agreement** Effective Date: January 1, 2012

The Aetna Health Inc. **Certificate** is hereby amended as follows:

The Definitions of “**Custodial Care**”, “**Homebound Member**”, “**Skilled Care**” and “**Skilled Nursing Facility**” are hereby deleted and replaced with the following definitions:

- **Custodial Care.** Services and supplies that are primarily intended to help a **Member** meet their personal needs. Care can be **Custodial Care** even if it is prescribed by a **Physician**, delivered by trained medical personnel, or even if it involves artificial methods (or equipment) such as feeding tubes, monitors, or catheters. Examples of **Custodial Care** include, but are not limited to:
  1. Changing dressings and bandages, periodic turning and positioning in bed, administering oral medication, watching or protecting a **Member**.
  2. Care of a stable tracheostomy, including intermittent suctioning.
  3. Care of a stable colostomy/ileostomy.
  4. Care of stable gastrostomy/jejunostomy/nasogastric tube (intermittent or continuous) feedings.
  5. Care of a stable indwelling bladder catheter, including emptying/changing containers and clamping tubing.
  6. Respite care, adult (or child) day care, or convalescent care.
  7. Helping a **Member** perform an activity of daily living, such as: walking, grooming, bathing, dressing, getting in and out of bed, toileting, eating, or preparing food.
  8. Any services that an individual without medical or paramedical training can perform or be trained to perform.
  
- **Homebound Member.** A **Member** who is confined to their place of residence due to an illness or injury which makes leaving the home medically contraindicated or if the act of transport would be a serious risk to their life or health.

Examples where a **Member** would not be considered homebound are:

1. A **Member** who does not often travel from home because of feebleness and/or insecurity brought on by advanced age (or otherwise).
  2. A wheelchair bound **Member** who could safely be transported via wheelchair accessible transport.
- **Skilled Nursing.** Services that require the medical training of and are provided by a licensed nursing professional and are not **Custodial Care**.
  
  - **Skilled Nursing Facility.** An institution or a distinct part of an institution that is licensed or approved under state or local law, and which is primarily engaged in providing **Skilled Nursing** care and related services for residents who require medical or nursing care, or rehabilitation services for the rehabilitation of injured, disabled, or sick persons. **Skilled Nursing Facility** does not include institutions which provide only minimal care, **Custodial Care** services, ambulatory or part-time care services, or institutions which primarily provide for the care and treatment of mental illness and substance abuse. The facility must qualify as a **Skilled Nursing Facility** under

Medicare or as an institution accredited by the Joint Commission on Accreditation of Health Care Organizations, the Bureau of Hospitals of the American Osteopathic Association, the Commission on the Accreditation of Rehabilitative Facilities, or as otherwise determined by the health insurer to meet the reasonable standards applied by any of the aforesaid authorities. Examples of **Skilled Nursing Facilities** include Rehabilitation Hospitals (all levels of care, e.g. acute) and portions of a **Hospital** designated for Skilled or Rehabilitation services.

The **Home Health Benefits** provision under the Covered Benefits section of the **Certificate** is hereby deleted and replaced with the following:

#### **Home Health Benefits.**

The following services are covered for a **Homebound Member** when provided by a **Participating** home health care agency. Pre-authorization must be obtained from the **HMO** by the **Member's** attending **Participating Physician**. **HMO** shall not be required to provide home health benefits when **HMO** determines the treatment setting is not appropriate, or when there is a more cost effective setting in which to provide covered health care services. Coverage for **Home Health Services** is not determined by the availability of caregivers to perform the services; the absence of a person to perform a non-skilled or **Custodial Care** service does not cause the service to become covered. If the **Member** is a minor or an adult who is dependent upon others for non-skilled care (e.g. bathing, eating, toileting), coverage for **Home Health Services** will only be provided during times when there is a family member or caregiver present in the home to meet the **Member's** non-skilled needs. Coverage is subject to the maximum number of visits, if any, shown on the Schedule of Benefits.

**SUBROGATION AND WORKERS COMPENSATION AMENDMENT**

**Contract Holder Group Agreement** Effective Date: January 1, 2012

The Aetna Health Inc. **Certificate** is hereby amended as follows:

The **Subrogation and Right of Recovery** provision in the **Certificate** is hereby deleted and replaced with the following:

**SUBROGATION AND RIGHT OF REIMBURSEMENT**

As used herein, the term “Third Party” means any party that is, or may be, or is claimed to be responsible for injuries or illness to a **Member**. Such injuries or illness are referred to as “Third Party injuries.” “Responsible Party” includes any parties actually, possibly or potentially responsible for payment of expenses associated with the care or treatment of Third Party injuries.

If this Plan provides benefits under this **Certificate** to a **Member** for expenses incurred due to Third Party injuries, then **HMO** retains the right to repayment of the full cost of all benefits provided by this Plan on behalf of the **Member** that are associated with the Third Party injuries. **HMO**'s rights of recovery apply to any recoveries made by or on behalf of the **Member** from any sources, including but not limited to: payments made by a Third Party or any insurance company on behalf of the Third Party; any payments or awards under an uninsured or underinsured motorist coverage policy; any Workers' Compensation or disability award or settlement; medical payments coverage under any automobile policy, premises or homeowners medical payments coverage or premises or homeowners insurance coverage; and any other payments from a source intended to compensate a **Member** for Third Party injuries.

By accepting benefits under this Plan, the **Member** specifically acknowledges **HMO**'s right of subrogation. When this Plan provides health care benefits for expenses incurred due to Third Party injuries, **HMO** shall be subrogated to the **Member**'s rights of recovery against any party to the extent of the full cost of all benefits provided by this Plan. **HMO** may proceed against any party with or without the **Member**'s consent.

By accepting benefits under this Plan, the **Member** also specifically acknowledges **HMO**'s right of reimbursement. This right of reimbursement attaches when this Plan has provided health care benefits for expenses incurred due to Third Party injuries and the **Member** or the **Member**'s representative has recovered any amounts from any sources, including but not limited to: payments made by a Third Party or any insurance company on behalf of the Third Party; any payments or awards under an uninsured or underinsured motorist coverage policy; any Workers' Compensation or disability award or settlement; medical payments coverage under any automobile policy, premises or homeowners medical payments coverage or premises or homeowners insurance coverage; and any other payments from a source intended to compensate a **Member** for Third Party injuries. By providing any benefit under **Certificate**, **HMO** is granted an assignment of the proceeds of any settlement, judgment or other payment received by the **Member** to the extent of the full cost of all benefits provided by this Plan. **HMO**'s right of reimbursement is cumulative with and not exclusive of **HMO**'s subrogation right and **HMO** may choose to exercise either or both rights of recovery. By accepting benefits under this Plan, the **Member** and the **Member**'s representatives further agree to:

- A. Notify **HMO** promptly and in writing when notice is given to any party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to Third Party injuries sustained by the **Member**;
- B. Cooperate with **HMO**, provide **HMO** with requested information, and do whatever is necessary to secure **HMO's** rights of subrogation and reimbursement under this **Certificate**;
- C. Give **HMO** a first-priority lien on any recovery, settlement or judgment or other source of compensation which may be had from any party to the extent of the full cost of all benefits associated with Third Party injuries provided by this Plan (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement);
- D. Pay, as the first priority, from any recovery, settlement, judgment, or other source of compensation, any and all amounts due **HMO** as reimbursement for the full cost of all benefits associated with Third Party injuries provided by this Plan (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement, and regardless of whether such payment will result in a recovery to the **Member** which is insufficient to make the **Member** whole or to compensate the **Member** in part or in whole for the damages sustained), unless otherwise agreed to by **HMO** in writing; and
- E. Do nothing to prejudice **HMO's** rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery, which specifically attempts to reduce or exclude the full cost of all benefits provided by this Plan.
- F. Serve as a constructive trustee for the benefit of this Plan over any settlement or recovery funds received as a result of Third Party injuries.

**HMO** may recover the full cost of all benefits provided by this Plan under this **Certificate** without regard to any claim of fault on the part of the **Member**, whether by comparative negligence or otherwise. No court costs or attorney fees may be deducted from **HMO's** recovery, and **HMO** is not required to pay or contribute to paying court costs or attorney's fees for the attorney hired by the **Member** to pursue the **Member's** claim or lawsuit against any Responsible Party without the prior express written consent of **HMO**. In the event the **Member** or the **Member's** representative fails to cooperate with **HMO**, the **Member** shall be responsible for all benefits provided by this Plan in addition to costs and attorney's fees incurred by **HMO** in obtaining repayment.

#### **RECOVERY RIGHTS RELATED TO WORKER'S COMPENSATION**

If benefits are provided by **HMO** for illness or injuries to a **Member** and **HMO** determines the **Member** received Worker's Compensation benefits for the same incident that resulted in the illness or injuries, **HMO** has the right to recover as described under the Subrogation and Right of Recovery provision. "Worker's Compensation benefits" includes benefits paid in connection with a Worker's Compensation claim, whether paid by an employer directly, a worker's compensation insurance carrier, or any fund designed to provide compensation for worker's compensation claims. **HMO** will exercise its Recovery Rights against the **Member**.

The Recovery Rights will be applied even though:

- a) The Worker's Compensation benefits are in dispute or are paid by means of settlement or compromise;
- b) No final determination is made that bodily injury or sickness was sustained in the course of or resulted from the Member's employment;

- c) The amount of Worker's Compensation benefits due to medical or health care is not agreed upon or defined by the **Member** or the Worker's Compensation carrier; or
- d) The medical or health care benefits are specifically excluded from the Worker's Compensation settlement or compromise.

By accepting benefits under this Plan, the **Member** or the **Member's** representatives agree to notify **HMO** of any Worker's Compensation claim made, and to reimburse **HMO** as described above.

**HMO** and **Contract Holder** agree to offer **Member Covered Benefits** under this plan as described below and subject to the provisions of this Rider. The **Member** may obtain certain **Covered Benefits** from **Participating Providers** without a **Referral** from their selected **PCP**.

Until a **PCP** is selected, benefits will be limited to coverage for **Medical Emergency** care.

The **HMO** Procedure section of the **Certificate** is deleted and replaced with the following:

The **PCP** provides services for the treatment of routine illnesses, injuries, well baby and preventive care services which do not require the services of a **Specialist**, and for non-office hour **Urgent Care** services under this plan. The **Member's** selected **PCP** or that **PCP's** covering **Physician** is required to be available 7 days a week, 24 hours a day for **Urgent Care** services.

A **Member** is encouraged to select a **PCP** for themselves and for each of their **Covered Dependents** at the time of enrollment, however this is not a plan requirement. If a **Member** selects a **PCP**, the **Member** may change their **PCP** at any time by contacting **HMO**.

If the **Member's PCP** performs, suggests, or recommends a **Member** for a course of treatment that includes services that are not **Covered Benefits**, the entire cost of any such non-covered services will be the **Member's** responsibility.

The **Covered Benefits** section of the **Certificate** is amended to include the following provisions:

- **Self-Referral Services.**

Except as described in the Exclusions and Limitations section of this Rider, the **Certificate**, any amendments and/or riders are hereby revised to remove the requirement that a **Member** must obtain a **Referral** from their **PCP** prior to accessing **Covered Benefits** from **Participating Providers**.

Except as described in this Rider, the Covered Benefits section and the Exclusions and Limitations section of the **Certificate** remain unchanged and the ability of a **Member** to directly access **Participating Providers** does not alter any other provisions of the **Certificate**. Except for **Emergency Services** and out-of-area **Urgent Care** services, a **Member** must access **Covered Benefits** from **Participating Providers** and facilities or benefits will not be covered and a **Member** will be responsible for all expenses incurred unless **HMO** has pre-authorized the services to a non-participating **Provider**.

### COVERED BENEFITS

The Covered Benefits section of the **Certificate** is amended to add the following provision:

**A. Outpatient Prescription Drug Open Formulary Benefit**

**Medically Necessary** outpatient prescription drugs and insulin are covered when prescribed by a **Provider** licensed to prescribe federal legend prescription drugs or medicines subject to the terms, **HMO** policies, Exclusions and Limitations section described in this rider and the **Certificate**. Coverage is based on **HMO's** or an affiliate's determination, in its sole discretion, if a prescription drug is covered. Some items are covered only with pre-authorization from **HMO**. Items covered by this rider are subject to drug utilization review by **HMO** and/or **Member's Participating Provider** and/or **Member's Participating Retail or Mail Order Pharmacy**.

**B.** Each prescription is limited to a maximum 30 day supply when filled at a **Participating Retail Pharmacy** or 90 day supply when filled by the **Participating Mail Order Pharmacy** designated by **HMO**. Except in an emergency or **Urgent Care** situation, or when the **Member** is traveling outside the **HMO Service Area**, prescriptions must be filled at a **Participating Retail or Mail Order Pharmacy**. Coverage of prescription drugs may, in **HMO's** sole discretion, be subject to the **Precertification Program**, the **Step Therapy Program** or other **HMO** requirements or limitations.

**C.** FDA approved prescription drugs are covered when the off-label use of the drug has not been approved by the FDA for that indication, provided that such drug is recognized for treatment of such indication in one of the standard reference compendia (the United States Pharmacopoeia Drug Information, the American Medical Association Drug Evaluations, or the American Hospital Formulary Service Drug Information), or the safety and effectiveness of use for this indication has been adequately demonstrated by at least one study published in a nationally recognized peer reviewed journal. Coverage of off label use of these drugs may, in **HMO's** sole discretion, be subject to the **Precertification Program**, the **Step Therapy Program**, or other **HMO** requirements or limitations.

**D. Emergency Prescriptions** - Emergency prescriptions are covered subject to the following terms:

When a **Member** needs a prescription filled in an emergency or **Urgent Care** situation, or when the **Member** is traveling outside of the **HMO Service Area**, **HMO** will reimburse the **Member** as described below.

When a **Member** obtains an emergency or out-of-area **Urgent Care** prescription at a non-**Participating Retail Pharmacy**, **Member** must directly pay the pharmacy in full for the cost of the prescription. **Member** is responsible for submitting a request for reimbursement in writing to **HMO** with a receipt for the cost of the prescription. Reimbursement requests are subject to professional review by **HMO** to determine if the event meets **HMO's** requirements. Upon approval of the claim, **HMO** will directly reimburse the **Member** 100% of the cost of the

prescription, less the applicable **Copayment** specified below and any **Brand Name Prescription Drug** cost differentials as applicable. Coverage for items obtained from a non-**Participating** pharmacy is limited to items obtained in connection with covered emergency and out-of-area **Urgent Care** services. **Members** must access a **Participating Retail Pharmacy** for **Urgent Care** prescriptions inside the **HMO Service Area**.

When a **Member** obtains an emergency or **Urgent Care** prescription at any **Participating Retail Pharmacy**, including an out-of-area **Participating Retail Pharmacy**, **Member** will pay to the **Participating Retail Pharmacy** the **Copayment(s)**, plus the **Brand Name Prescription Drug** cost differentials where applicable and as described below. **Members** are required to present their ID card at the time the prescription is filled. **HMO** will not cover claims submitted as a direct reimbursement request from a **Member** for a prescription purchased at a **Participating Retail Pharmacy** except upon professional review and approval by **HMO** in its sole discretion. **Members** must access a **Participating Retail Pharmacy** for **Urgent Care** prescriptions inside the **HMO Service Area**.

E. **Mail Order Prescription Drugs.** Subject to the terms and limitations set forth in this rider, **Medically Necessary** outpatient Prescription drugs are covered when dispensed by the **Participating Mail Order Pharmacy** designated by **HMO** and when prescribed by a **Provider** licensed to prescribe federal legend prescription drugs. **Members** are required to obtain prescriptions greater than a 30 day supply from the designated **Participating Mail Order Pharmacy**. Outpatient prescription drugs will not be covered if dispensed by a **Participating Mail Order Pharmacy** in quantities that are less than a 31 day supply or more than a 90 day supply (if the **Provider** prescribes such amounts).

F. **Additional Benefits.**

The following prescription drugs, medicines, and supplies are also covered subject to the terms described in this rider:

- **Diabetic Supplies.**

If the **Member** obtains more than a 34 day supply of prescription drugs or medicines at the **Participating Retail** or **Mail Order Pharmacy**, not to exceed a 90 day supply, 1 **Copayment** is payable for each supply dispensed. The **Copayment** does not apply to the Maximum Out-of-Pocket Limit shown in the Schedule of Benefits for the medical plan, if any.

## Notice

Please be aware that administration of the definition of “negotiated charge” for Prescription Drug Expense Coverage for most plans has been changed to support the following:

As to the Prescription Drug Expense Coverage:

The amount **HMO** has established for each **prescription drug** obtained from a **Participating Retail, Mail Order, or Specialty Pharmacy Network Pharmacy**. The **Negotiated Charge** may reflect amounts **HMO** has agreed to pay directly to the **Participating Retail, Mail Order, or Specialty Pharmacy Network Pharmacy**, or to a third party vendor for the prescription drug, and may include an additional service or risk charge set by **HMO**.

The **Negotiated Charge** does not include or reflect any amount **HMO**, an affiliate, or a third party vendor, may receive under a rebate arrangement between **HMO**, an affiliate or a third party vendor and a drug manufacturer for any prescription drug, including prescription drugs on the **Drug Formulary**.

Where permitted by law, this change has been, or will be made to all Member Plan Documents effective as of the first renewal date for the plan occurring after January 1, 2010.

## **IMPORTANT HEALTH CARE REFORM NOTICES**

### **CHOICE OF PROVIDER**

If your Aetna plan generally requires or allows the designation of a primary care provider, you have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. If the plan or health insurance coverage designates a primary care provider automatically, then until you make this designation, Aetna designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact your Employer or, if you are a current member, your Aetna contact number on the back of your ID card.

If your Aetna plan allows for the designation of a primary care provider for a child, you may designate a pediatrician as the primary care provider.

If your Aetna plan provides coverage for obstetric or gynecological care and requires the designation of a primary care provider then you do not need prior authorization from Aetna or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your Employer or, if you are a current member, your Aetna contact number on the back of your ID card.
