

# More for you

## Acupuncture therapy benefit from Aetna®

Exciting news! Acupuncture therapy will be offered as a standard benefit to Aetna members. This benefit offers a holistic approach to care — giving your employees alternative treatment options for managing their chronic pain. And you can feel better knowing that they have access to the care that they deserve.

# A win-win

## Benefits for you — and your employees

### For you

- ✓ Lower use of higher-cost services
- ✓ Increased employee satisfaction and retention
- ✓ A more productive workforce with fewer missed workdays

### For employees

- ✓ Safe and effective chronic pain relief
- ✓ Access to a national provider network of acupuncture specialists
- ✓ No costly out-of-pocket expenses

**Want to learn more?** Just contact your Aetna® representative.

Aetna is the brand name used for products and services provided by one or more of the Aetna group of companies, including Aetna Life Insurance Company and its affiliates (Aetna).
