GROUP AGREEMENT

This **Group Agreement** is entered into by and between Aetna Health Inc. ("**HMO**") and the **Contract Holder** specified in the attached Cover Sheet. This **Group Agreement** shall be effective on the **Effective Date** specified in the Cover Sheet, and shall continue in force until terminated as provided herein.

In consideration of the mutual promises hereunder and the payment of **Premiums** and fees when due, **We** will provide coverage for benefits in accordance with the terms, conditions, limitations and exclusions set forth in this **Group Agreement**.

Upon acceptance by **Us** of **Contract Holder's** Group Application, and upon receipt of the required initial **Premium,** this **Group Agreement** shall be considered to be agreed to by **Contract Holder** and **Us**, and is fully enforceable in all respects against **Contract Holder** and **Us**.

The **Provider** is required to seek compensation for services rendered directly from the **HMO** except applicable **Copayments** listed in the Schedule of Benefits.

SECTION 1. DEFINITIONS

1.1 The terms **"Contract Holder", "Effective Date", "Initial Term", "Premium Due Date"** and **"Subsequent Terms"** will have the meaning set forth in the attached Cover Sheet. If any of such terms are undefined in the Cover Sheet, such undefined terms shall have the following meaning:

- "**Premium Due Date(s)**" would be the **Effective Date** and each monthly anniversary of the **Effective Date**.
- "**Subsequent Term(s)**" would mean the periods following the **Initial Term** as indicated on the Cover Sheet.

1.2 The terms **"HMO", "Us", "We"** or **"Our"** mean Aetna Health Inc.

1.3 **"Certificate"** means the Certificate of Coverage issued pursuant to this **Group Agreement**.

1.4 **"Grace Period"** is defined in Section 3.3.

1.5 "**Group Agreement"** means the **Contract Holder's** Group Application, this document, the attached Cover Sheet; the **Certificate** and Schedule of Benefits issued hereunder; the initial rate sheet and any subsequent indication of rates issued by **Us** in connection with this **Group Agreement**; and any riders, amendments, endorsements, inserts or attachments issued pursuant hereto, all of which are incorporated into and made a part of this **Group Agreement**.

1.6 **"Party, Parties"** means **HMO** and **Contract Holder**.

1.7 **"Premium(s)"** is defined in Section 3.1.

1.8 **"Renewal Date"** means the first day following the end of the **Initial Term** or any **Subsequent Term**.

1.9 **"Term"** means the **Initial Term** or any **Subsequent Term**.

1.10 Capitalized and bolded terms not defined in this **Group Agreement** shall have the meaning set forth in the **Certificate**. In the event of a conflict between the terms of this **Group Agreement** and the terms of the **Certificate**, the terms of this **Group Agreement** shall prevail.

SECTION 2. COVERAGE

2.1 **Covered Benefits.** **We** will provide coverage for **Covered Benefits** to **Members** subject to the terms and conditions of this **Group Agreement**. Coverage will be provided in accordance with the reasonable exercise of **Our** business judgment, consistent with applicable law. **Members** covered under this **Group Agreement** are subject to all of the conditions and provisions contained herein and in the incorporated documents.

2.2 **Policies and Procedures.** **We** have the right to adopt reasonable policies, procedures, rules, and interpretations of this **Group Agreement** and the **Certificate** in order to promote orderly and efficient administration.

SECTION 3. PREMIUMS AND FEES

3.1 **Premiums.** **Contract Holder** shall pay **Us** on or before each **Premium Due Date** a monthly advance premium (the **"Premium**") determined in accordance with the **Premium** rates and the manner of calculating **Premiums** specified by **HMO**. **Premium** rates and the manner of calculating **Premiums** may be adjusted in accordance with Section 3.5 below. **Premiums** are subject to adjustment, if any, for partial month participation as specified in Section 3.4 below. Membership as of each **Premium Due Date** will be determined by **Us** in accordance with **Our Member** records. A check does not constitute payment until it is honored by a bank. **We** may return a check issued against insufficient funds without making a second deposit attempt. **We** may accept a partial payment of **Premium** without waiving our right to collect the entire amount due.

3.2 **Fees.** In addition to the ordinary **Premium** charges, **We** may charge the following fees:

- Special requests from **Contract Holder** including any significant change in installation (e.g., a significant change in the number of **Members** or a change in the method of reporting **Member** eligibility to **Us**). A fee may also be charged upon initial installation for any custom plan set-ups.
- A reinstatement fee as set forth in Section 6.4.

3.3 **Past Due Premiums and Fees.** If a **Premium** payment or any fees are not paid in full by **Contract Holder** on or before the **Premium Due Date**, **HMO** will require **Contract Holder** to pay interest on the overdue amount at 1½% for each month overdue not to exceed 18% per year, commencing on the 31st day after the **Premium Due Date**. If all **Premiums** and fees are not received before the end of a 30 day grace period (the "**Grace Period"),** this **Group Agreement** will be automatically terminated pursuant to Section 6.3 hereof.

If the **Group Agreement** terminates for any reason, **Contract Holder** will continue to be held liable for all **Premiums** and fees due and unpaid before the termination, including, but not limited to, **Premium** payments for any period of time the **Group Agreement** is in force during the **Grace Period.** **Members** shall also remain liable for **Member** cost sharing and other required contributions to coverage for any period of time the **Group Agreement** is in force during the **Grace Period.** **We** may recover from **Contract Holder Our** costs of collecting any unpaid **Premiums** or fees, including reasonable attorneys' fees and costs of suit.

3.4 **Prorations.** **Premiums** shall be paid in full for **Members** whose coverage is in effect on the **Premium Due Date** or whose coverage terminates on the last day of the **Premium** period.

Premiums for **Members** whose coverage is effective on a day other than the first day of the billing month or whose coverage terminates on a day other than the last day of the billing month shall be adjusted as indicated below:

- If membership becomes effective between the 1st through the 15th of the month, the **Premium** for the whole month is due. If membership is effective between the 16th through the 31st of the month, no **Premium** is due for the first month of membership.

- If membership terminates between the 1st through the 15th of the month, no **Premium** is due for that month. If membership terminates between the 16th through the 31st of the month, the **Premium** for the whole month is due.

3.5 **Changes in Premium.** **We** may also adjust the **Premium** rates and/or the manner of calculating **Premiums** effective as of any **Subsequent Term** upon 30 days prior written notice to **Contract Holder**.

3.6 **Membership Adjustments.** **We** may, at **Our** discretion, make retroactive adjustments to the **Contract Holder's** billings for the termination of **Members** not posted to previous billings. However, **Contract Holder** may only receive a maximum of 1 calendar months' credit for **Member** terminations that occurred more than 30 days before the date **Contract Holder** notified **Us** of the termination. **We** may reduce any such credits by the amount of any payments **We** may have made on behalf of such **Members** (including capitation payments and other claim payments) before **We** were informed their coverage had been terminated. Retroactive additions will be made at **Our** discretion based upon eligibility guidelines, as set forth in the **Certificate**, and are subject to the payment of all applicable **Premiums**.

SECTION 4. ENROLLMENT

4.1 **Open Enrollment.** As described in the **Certificate, Contract Holder** will offer enrollment in **HMO**:

- at least once during every twelve month period during the **Open Enrollment Period**; and

- within 31 days from the date the individual and any dependent becomes eligible for coverage.

Eligible individuals and dependents who are not enrolled within the **Open Enrollment Period** or 31 days of becoming eligible, may be enrolled during any subsequent **Open Enrollment Period**. Coverage will not become effective until confirmed by **Us**. **Contract Holder** agrees to hold the **Open Enrollment Period** consistent with the **Open Enrollment Period** applicable to any other group health benefit plan being offered by the **Contract Holder** and in compliance with applicable law. The **Contract Holder** shall permit **Our** representatives to meet with eligible individuals during the **Open Enrollment Period** unless the parties agree upon an alternate enrollment procedure. As described in the **Certificate**, other enrollment periods may apply.

4.2 **Waiting Period**. There may be a waiting period before individuals are eligible for coverage under this **Group Agreement**. The waiting period, if any, is specified on the **Schedule of Benefits**.

4.3 **Eligibility.** The number of eligible individuals and dependents and composition of the group, the identity and status of the **Contract Holder**, the eligibility requirements used to determine membership in the group, and the participation and contribution standards applicable to the group which exist at the **Effective Date** of this **Group Agreement** are material to the execution and continuation of this **Group Agreement** by **Us**. The **Contract Holder** shall not, during the term of this **Group Agreement**, modify the **Open Enrollment Period**, the waiting period as described on the **Schedule of Benefits**, or any other eligibility requirements as described in the **Certificate** and on the **Schedule of Benefits**, for the purposes of enrolling **Contract Holder's** eligible individuals and dependents under this **Group Agreement**, unless **We** agree to the modification in writing.

SECTION 5. RESPONSIBILITIES OF THE CONTRACT HOLDER

In addition to other obligations set forth in this **Group Agreement**, **Contract Holder** agrees to:

5.1 **Records**. Furnish to **Us**, on a monthly basis (or as otherwise required), on our form (or such other form as **We** may reasonably approve) by facsimile (or such other means as **We** may reasonably approve), such information as **We** may reasonably require to administer this **Group Agreement**. This includes, but is not limited to, information needed to enroll members of the **Contract Holder**, process terminations, and effect changes in family status and transfer of employment of **Members**.

Contract Holder represents that all enrollment and eligibility information that has been or will be supplied to **Us** is accurate. **Contract Holder** acknowledges that **We** can and will rely on such enrollment and eligibility information in determining whether an individual is eligible for **Covered Benefits** under this **Group Agreement**. To the extent such information is supplied to **Us** electronically, **Contract Holder** agrees to:

- Maintain a reasonably complete record of such information (in electronic or hard copy format, including evidence of coverage elections, evidence of eligibility, changes to such elections and terminations) for at least seven years, and to make such information available to **Us** upon request.

- Obtain from all **Subscribers** a "Disclosure of Healthcare Information" authorization in the form currently being used by **Us** in the enrollment process (or such other form as **We** may reasonably approve).

We will not be liable to **Members** for the fulfillment of any obligation prior to information being received in a form satisfactory to **Us**. **Contract Holder** must notify **Us** of the date in which a **Subscriber's** employment ceases for the purpose of termination of coverage under this **Group Agreement**. Subject to applicable law, unless otherwise specifically agreed to in writing, **We** will consider **Subscriber's** employment to continue until the earlier of:

- until stopped by the **Contract Holder**;

- if **Subscriber** has stopped working due to temporary lay off or leave of absence, not beyond the end of the policy month after the policy month in which the absence started; and

- if **Subscriber** stopped working due to disability, not beyond the end of the 30th policy month after the month in which the absence started.

5.2 **Access**. Make payroll and other records directly related to **Member's** coverage under this **Group Agreement** available to **Us** for inspection, at **Our** expense, at **Contract Holder's** office, during regular business hours, upon reasonable advance request. This provision shall survive termination of this **Group Agreement**.

5.3 **Forms.** Distribute materials to **HMO Members** regarding enrollment, health plan features, including **Covered Benefits** and exclusions and limitations of coverage. **Contract Holder** shall, within 31 days of receipt from an eligible individual, forward all completed enrollment information and other required information to **Us**.

5.4 **Policies and Procedures; Compliance Verification.** Comply with all policies and procedures established by **Us** in administering and interpreting this **Group Agreement**. **Contract Holder** shall, upon request, provide a certification of its compliance with **Our** participation and contribution requirements and the requirements for a group as defined under applicable law or regulation.

5.5 **Continuation Rights and Conversion.** Notify all eligible **Members** of their right to continue or convert coverage pursuant to applicable law.

5.6 **ERISA Requirements.** Maintain responsibility for making reports and disclosures required by the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), including the creation,

distribution and final content of summary plan descriptions, summary of material modifications and summary annual reports.

SECTION 6. TERMINATION

6.1 **Termination by Contract Holder**. This **Group Agreement** may be terminated by **Contract Holder** as of any **Premium Due Date** by providing **Us** with 30 days prior written notice. However, **We** may in **Our** discretion accept an oral indication by **Contract Holder** or its agent or broker of intent to terminate.

6.2 **Non-Renewal by Contract Holder.** **We** may request from **Contract Holder** a written indication of their intention to renew or non-renew this **Group Agreement** at any time during the final three months of any **Term**. If **Contract Holder** fails to reply to such request within the timeframe specified the **Contract Holder** shall be deemed to have provided notice of non-renewal to **Us** and this **Group Agreement** shall be deemed to terminate automatically as of the end of the **Term**. Similarly, upon **Our** written confirmation to **Contract Holder**, **We** may accept an oral indication by **Contract Holder** or its agent or broker of intent to non-renew as **Contract Holder's** notice of termination effective as of the end of the **Term**.

6.3 **Termination by Us.** This **Group Agreement** will terminate as of the last day of the **Grace Period** if the **Premium** remains unpaid at the end of the **Grace Period**.

This **Group Agreement** may also be terminated by **Us** as follows:

- Upon 45 days written notice to **Contract Holder** if **Contract Holder** has performed any act or practice that constitutes fraud or made any intentional misrepresentation of a material fact relevant to the coverage provided under this **Group Agreement**;

- Upon 45 days written notice to **Contract Holder** if **Contract Holder** no longer has any enrollee under the Plan who resides or works in the **Service Area**;

- Upon 45 days written notice to **Contract Holder** if **Contract Holder** (i) breaches a provision of this **Group Agreement** and such breach remains uncured at the end of the notice period; (ii) ceases to meet **Our** requirements for an employer group or association; (iii) fails to meet **Our** contribution or participation requirements applicable to this **Group Agreement** (which contribution and participation requirements are available upon request); (iv) fails to provide the certification required by Section 5.4 within a reasonable period of time specified by **Us**; or (v) changes its eligibility or participation requirements without **Our** consent;

- Upon 90 days written notice to **Contract Holder** if **We** cease to offer the product to which the **Group Agreement** relates;

- Upon 180 days written notice to **Contract Holder** if **We** cease to offer coverage in a market in which **Members** covered under this **Group Agreement** reside;

- Upon 30 days written notice to **Contract Holder** for any other reason which is acceptable to the Department of Insurance and consistent with the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") or by applicable federal rules and regulations, as amended; or

- Upon 45 days written notice to **Contract Holder** if a member of an association group, the **Contract Holder's** membership in the association ceases.

6.4 **Effect of Termination.** No termination of this **Group Agreement** will relieve either party from any obligation incurred before the date of termination. When terminated, this **Group Agreement** and all coverage provided hereunder will end at 12:00 midnight on the effective date of termination. **We** may charge the **Contract Holder** a reinstatement fee if coverage is terminated and subsequently reinstated under this **Group Agreement**. Upon termination, **We** will provide **Members** with Certificates of

Creditable Coverage which will show evidence of a **Member's** prior health coverage with **Us** for a period of up to 18 months prior to the loss of coverage.

6.5 **Notice to Subscribers and Members**. Except for non-payment of **Premium**, in the event a **Member's** coverage under this **Group Agreement** terminates, **We** shall provide 45 days advance written notice to the **Contract Holder** of termination. In the case of termination due to non-payment of **Premium**, **We** shall provide 14 days advance written notice to the **Contract Holder** of termination. The **Contract Holder** shall mail promptly to each **Member** under this **Group Agreement** and the **Certificate** a true copy of any notice of termination of this **Group Agreement**. The notice shall include the **Member's** conversion rights upon termination of this **Group Agreement**. The **Contract Holder** shall provide to **Us** proof of the mailing, including the date thereof. **We** reserve the right to notify **Members** of termination of the **Group Agreement** for any reason, including non-payment of **Premium**.

SECTION 7. PRIVACY OF INFORMATION

7.1 **Compliance with Privacy Laws.** We and Contract Holder will abide by all applicable laws and regulations regarding confidentiality of individually identifiable health and other personal information, including the privacy requirements of HIPAA.

7.2 **Disclosure of Protected Health Information.** We will not provide protected health information ("PHI"), as defined in HIPAA, to Contract Holder, and Contract Holder will not request PHI from Us, unless Contract Holder has either:

- provided the certification required by 45 C.F.R. § 164.504(f) and amended Contract Holder's plan documents to incorporate the necessary changes required by such rule; or
- provided confirmation that the PHI will not be disclosed to the "plan sponsor", as such term is defined in 45 C.F.R. § 164.501.

7.3 **Brokers and Consultants.** To the extent any broker or consultant receives PHI in the underwriting process or while advocating on behalf of a Member, Contract Holder understands and agrees that such broker or consultant is acting on behalf of Contract Holder and not Us. We are entitled to rely on Contract Holder's representations that any such broker or consultant is authorized to act on Contract Holder's behalf and entitled to have access to the PHI under the relevant circumstances.

SECTION 8. INDEPENDENT CONTRACTOR RELATIONSHIPS

8.1 **Relationship Between Us and Participating Providers**. The relationship between **Us** and **Participating Providers** is a contractual relationship among independent contractors. **Participating Providers** are not agents or employees of **Us** nor are **We** an agent or employee of any **Participating Provider**.

Participating Providers are solely responsible for any health services rendered to their **Member** patients. **We** make no express or implied warranties or representations concerning the qualifications, continued participation, or quality of services of any **Physician**, **Hospital** or other **Participating Provider**. A **Provider's** participation may be terminated at any time without advance notice to the **Contract Holder** or **Members**, subject to applicable law. **Participating Providers** provide health care diagnosis, treatment and services for **Members**. **We** administer and determine plan benefits.

8.2 **Relationship Between the Parties**. The relationship between the **Parties** is a contractual relationship between independent contractors. Neither **Party** is an agent or employee of the other in performing its obligations pursuant to this **Group Agreement**.

SECTION 9. MISCELLANEOUS

9.1 **Delegation and Subcontracting**. **Contract Holder** acknowledges and agrees that **We** may enter into arrangements with third parties to delegate functions hereunder such as utilization management, quality

assurance and provider credentialing, as **We** deem appropriate in **Our** sole discretion and as consistent with applicable laws and regulations. **Contract Holder** also acknowledges that **Our** arrangements with third party vendors (i.e. pharmacy, behavioral health) are subject to change in accordance with applicable laws and regulations.

9.2 **Accreditation and Qualification Status**. **We** may from time to time obtain voluntary accreditation or qualification status from a private accreditation organization or government agency. **We** make no express or implied warranty about **Our** continued qualification or accreditation status.

9.3 **Prior Agreements; Severability**. As of the **Effective Date**, this **Group Agreement** replaces and supersedes all other prior agreements between the **Parties** as well as any other prior written or oral understandings, negotiations, discussions or arrangements between the **Parties** related to matters covered by this **Group Agreement** or the documents incorporated herein. If any provision of this **Group Agreement** is deemed to be invalid or illegal, that provision shall be fully severable and the remaining provisions of this **Group Agreement** shall continue in full force and effect.

9.4 **Amendments.** This **Group Agreement** may be amended as follows:

- This **Group Agreement** shall be deemed to be automatically amended to conform with all rules and regulations promulgated at any time by any state or federal regulatory agency or authority having supervisory authority over **Us**;
- By written agreement between both **Parties**; or
- By **Us** upon 30 days written notice to **Contract Holder**, to the extent that it does not conflict with state law.

The **Parties** agree that an amendment does not require the consent of any employee, **Member** or other person. Except for automatic amendments to comply with law, all amendments to this **Group Agreement** must be approved and executed by **Us**. No other individual has the authority to modify this **Group Agreement**; waive any of its provisions, conditions, or restrictions; extend the time for making a payment; or bind **Us** by making any other commitment or representation or by giving or receiving any information.

9.5 **Clerical Errors**. Clerical errors or delays by **Us** in keeping or reporting data relative to coverage will not reduce or invalidate a **Member's** coverage. Upon discovery of an error or delay, an adjustment of **Premiums** shall be made. **We** may also modify or replace a **Group Agreement**, **Certificate** or other document issued in error.

9.6 **Claim Determinations. We** have complete authority to review all claims for **Covered Benefits** under this **Group Agreement**. In exercising such responsibility, **We** shall have discretionary authority to determine whether and to what extent eligible individuals and beneficiaries are entitled to coverage and to construe any disputed or doubtful terms under this **Group Agreement,** the **Certificate** or any other document incorporated herein. **We** shall be deemed to have properly exercised such authority unless **We** abuse our discretion by acting arbitrarily and capriciously. **Our** review of claims may include the use of commercial software (including Claim Check) and other tools to take into account factors such as an individual's claims history, a **Provider's** billing patterns, complexity of the service or treatment, amount of time and degree of skill needed and the manner of billing.

9.7 **Misstatements.** If any fact as to the **Contract Holder** or a **Member** is found to have been misstated, an equitable adjustment of **Premiums** may be made. If the misstatement affects the existence or amount of coverage, the true facts will be used in determining whether coverage is or remains in force and its amount.

9.8 **Incontestability.** Except as to a fraudulent misstatement, or issues concerning **Premiums** due:

- No statement made by **Contract Holder** or any **Member** shall be the basis for voiding coverage or denying coverage or be used in defense of a claim unless it is in writing.

- No statement made by **Contract Holder** shall be the basis for voiding this **Group Agreement** after it has been in force for two years from its effective date.

9.9 **Assignability.** No rights or benefits under this **Group Agreement** are assignable by **Contract Holder** to any other party unless approved by **HMO**.

9.10 **Waiver.** **Our** failure to implement, or insist upon compliance with, any provision of this **Group Agreement** or the terms of the **Certificate** incorporated hereunder, at any given time or times, shall not constitute a waiver of **Our** right to implement or insist upon compliance with that provision at any other time or times. This includes, but is not limited to, the payment of **Premiums** or benefits. This applies whether or not the circumstances are the same.

9.11 **Notices.** Any notice required or permitted under this **Group Agreement** shall be in writing and shall be deemed to have been given on the date when delivered in person; or, if delivered by first-class United States mail, on the date mailed, proper postage prepaid, and properly addressed to the address set forth in the Group Application or Cover Sheet, or to any more recent address of which the sending party has received written notice or, if delivered by facsimile or other electronic means, on the date sent by facsimile or other electronic means.

9.12 **Third Parties.** This **Group Agreement** shall not confer any rights or obligations on third parties except as specifically provided herein.

9.13 **Non-Discrimination.** **Contract Holder** agrees to make no attempt, whether through differential contributions or otherwise, to encourage or discourage enrollment in **HMO** of eligible individuals and eligible **Dependents** based on health status or health risk.

9.14 **Applicable Law.** This **Group Agreement** shall be governed and construed in accordance with applicable federal law and the law of the state specified in the Cover Sheet or, if no state law is specified, **Our** domicile state.

9.15 **Inability to Arrange Services.** If due to circumstances not within **Our** reasonable control, including but not limited to major disaster, epidemic, complete or partial destruction of facilities, riot, civil insurrection, disability of a significant part of **Our Participating Providers** or entities with whom **We** have contracted for services under this **Group Agreement**, or similar causes, the provision of medical or **Hospital** benefits or other services provided under this **Group Agreement** is delayed or rendered impractical, **We** shall not have any liability or obligation on account of such delay or failure to provide services, except to refund the amount of the unearned prepaid **Premiums** held by **Us** on the date such event occurs. **We** are required only to make a good-faith effort to provide or arrange for the provision of services, taking into account the impact of the event.

9.16 **Use of the HMO Name and all Symbols, Trademarks, and Service Marks.** **We** reserve the right to control the use of **Our** name and all symbols, trademarks, and service marks presently existing or subsequently established. **Contract Holder** agrees that it will not use such name, symbols, trademarks, or service marks in advertising or promotional materials or otherwise without **Our** prior written consent and will cease any and all usage immediately upon **Our** request or upon termination of this **Group Agreement**.

9.17 **Workers' Compensation.** **Contract Holder** is responsible for protecting **Our** interests in any Workers' Compensation claims or settlements with any eligible individual. **We** shall be reimbursed for all paid medical expenses which have occurred as a result of any work related injury that is compensable or settled in any manner.

On or before the **Effective Date** of this **Group Agreement** and upon renewal, **Contract Holder** shall submit proof of their Workers' Compensation coverage or an exclusion form which has been accepted by the applicable regulatory authority governing Workers' Compensation. Upon **Our** request, **Contract**

Holder shall also submit a monthly report to **Us** listing all Workers' Compensation cases. Such list will contain the name, social security number, date of loss and diagnosis of all applicable eligible individuals.

HEALTH CARE REFORM CONTRIBUTION CHANGE NOTICE

If you maintain a grandfathered health plan as defined under The Patient Protection and Affordable Care Act and you intend to make a change in the contribution rate at any point during the year, you must provide written notice to Aetna 60 days in advance of the effective date of the contribution rate change.

HMO PROCEDURE

A. **Selecting a Participating Primary Care Physician.**

At the time of enrollment, each **Member** should select a **Participating Primary Care Physician** (**PCP)** from **HMO's** Directory of Participating Providers to access **Covered Benefits** as described in this **Certificate**. The choice of a **PCP** is made solely by the **Member**. If the **Member** is a minor or otherwise incapable of selecting a **PCP**, the **Subscriber** should select a **PCP** on the **Member's** behalf. Until a **PCP** is selected, benefits will be limited to coverage for **Medical Emergency** care.

B. **The Primary Care Physician.**

The **PCP** coordinates a **Member's** medical care, as appropriate, either by providing treatment or by issuing **Referrals** to direct the **Member** to another **Participating Provider**. The **PCP** can also order lab tests and x-rays, prescribe medicines or therapies, and arrange hospitalization. Except in a **Medical Emergency** or for certain direct access **Specialist** benefits as described in this **Certificate**, only those services which are provided by or referred by a **Member's PCP** will be covered. **Covered Benefits** are described in the Covered Benefits section of this **Certificate**. It is a **Member's** responsibility to consult with the **PCP** in all matters regarding the **Member's** medical care.

Certain **PCP** offices are affiliated with integrated delivery systems or other provider groups (i.e., Independent Practice Associations and Physician-Hospital Organizations), and **Members** who select these **PCPs** will generally be referred to **Specialists** and **Hospitals** within that system or group. However, if the group does not include a **Provider** qualified to meet the **Member's** medical needs, the **Member** may request to have services provided by nonaffiliated **Providers**.

In certain situations where a **Member** requires ongoing care from a **Specialist**, the **Member** may receive a standing **Referral** to such **Specialist**. Please refer to the **Covered Benefits** section of this **Certificate** for details.

If the **Member's PCP** performs, suggests, or recommends a **Member** for a course of treatment that includes services that are not **Covered Benefits**, the entire cost of any such non-covered services will be the **Member's** responsibility.

C. **Availability of Providers.**

HMO cannot guarantee the availability or continued participation of a particular **Provider**. Either **HMO** or any **Participating Provider** may terminate the **Provider** contract or limit the number of **Members** that will be accepted as patients. If the **PCP** initially selected cannot accept additional patients, the **Member** will be notified and given an opportunity to make another **PCP** selection. The **Member** must then cooperate with **HMO** to select another **PCP**. Until a **PCP** is selected, benefits are limited to coverage for **Medical Emergency** care.

Continuity of Care - If a **Member's Provider** terminates participation with **HMO** for reasons other than imminent harm to patient care, a determination of fraud, or a final disciplinary action by a state licensing board that impairs the **Participating Provider's** ability to practice, **HMO** will continue coverage for a **Member** to continue an ongoing course of treatment with the **Member's** current **Provider** during a transitional period. The coverage will be authorized by **HMO** for the transitional period only if the **Provider** agrees to accept reimbursement at the rates applicable prior to the start of the transitional period as payment in full, adhere to **HMO's** quality standards and to provide medical information related to such care, and to adhere to **HMO's** policies and procedures. This paragraph shall not be construed to require **HMO** to provide coverage for benefits: a) otherwise not covered under this **Certificate**; b) beyond the 90th day after the effective date of the **Provider's** termination of participation with **HMO**; c) beyond 9 months in the case of a **Member** who at the time of the termination has been diagnosed with a terminal illness; or d) if the **Member is** beyond her 4th month of pregnancy, **HMO's** obligation to pay for services extends

through the delivery of the child, immediate postpartum care, and examination within the first 6 weeks following delivery.

D. **Changing a PCP.**

A **Member** may change their **PCP** at any time by calling the Member Services toll-free telephone number listed on the **Member's** identification card or by written or electronic submission of the **HMO's** change form. A **Member** may contact **HMO** to request a change form or for assistance in completing that form. The change will become effective upon **HMO's** receipt and approval of the request.

E. **Ongoing Reviews.**

HMO conducts ongoing reviews of those services and supplies which are recommended or provided by **Health Professionals** to determine whether such services and supplies are **Covered Benefits** under this **Certificate**. If **HMO** determines that the recommended services and supplies are not **Covered Benefits**, the **Member** will be notified. If a **Member** wishes to appeal such determination, the **Member** may then contact **HMO** to seek a review of the determination. Please refer to the Claim Procedures/Complaints and Appeals, External Review section of this **Certificate**.

F. **Pre-authorization.**

Certain services and supplies under this **Certificate** may require pre-authorization by **HMO** to determine if they are **Covered Benefits** under this **Certificate**.

ELIGIBILITY AND ENROLLMENT

A. **Eligibility.**

1. To be eligible to enroll as a **Subscriber**, an individual must:

   a. meet all applicable eligibility requirements agreed upon by the **Contract Holder** and **HMO**; and

   b. live or work in the **Service Area**.

2. To be eligible to enroll as a **Covered Dependent**, the **Contract Holder** must provide dependent coverage for **Subscribers**, and the dependent must be:

   a. the legal spouse of a **Subscriber** under this **Certificate**; or

   b. a dependent unmarried child (including natural, foster, step, legally adopted children, children placed for adoption, a child under court order) who meets the eligibility requirements described in this **Certificate** and on the Schedule of Benefits.

   No individual may be covered both as an employee and dependent and no individual may be covered as a dependent of more than one employee.

3. A **Member** who resides outside the **Service Area** is required to choose a **PCP** and return to the **Service Area** for **Covered Benefits**. The only services covered outside the **Service Area** are **Emergency Services** and **Urgent Care**.

B. **Enrollment.**

Unless otherwise noted, an eligible individual and any eligible dependents may enroll in **HMO** regardless of health status, age, or requirements for health services within 31 days from the eligibility date.

1. Newly Eligible Individuals and Eligible Dependents.

   An eligible individual and any eligible dependents may enroll within 31days of the eligibility date.

2. Open Enrollment Period.

   Eligible individuals or dependents who are eligible for enrollment but do not enroll as stated above, may be enrolled during any subsequent **Open Enrollment Period** upon submission of complete enrollment information and **Premium** payment to **HMO**.

3. Enrollment of Newly Eligible Dependents.

   a. Newborn Children.

      A newborn child is covered for 31 days from the date of birth. To continue coverage beyond this initial period, the child must be enrolled in **HMO** within the initial 31 day period. Payment of the required **Premium** and fees must be furnished to **HMO** within 31 days after the date of birth in order to ensure continuation of coverage beyond such 31 days. If coverage does not require the payment of an additional **Premium** for a **Covered Dependent**, the **Subscriber** must still enroll the child within 31 days after the date of birth.

      The coverage for newly born, adopted children, and children placed for adoption consists of coverage of injury and sickness, including the necessary care and treatment of congenital defects and birth abnormalities, inherited metabolic diseases, and within the limits of this **Certificate**. Coverage includes necessary transportation costs from place of birth to the nearest specialized **Participating** treatment center.

   b. Adopted Children.

      A legally adopted child or a child for whom a **Subscriber** is a court appointed legal guardian, and who meets the definition of a **Covered Dependent**, will be treated as a dependent from the date of adoption or upon the date the child was placed for adoption with the **Subscriber**. "Placed for adoption" means the assumption and retention of a legal obligation for total or partial support of a child in anticipation of adoption of the child. The **Subscriber** must make a written request for coverage within 31 days of the date the child is adopted or placed with the **Subscriber** for adoption.

4. Special Rules Which Apply to Children.

   a. Qualified Medical Child Support Order.

      Coverage is available for a dependent child not residing with a **Subscriber** and who resides outside the **Service Area**, if there is a qualified medical child support order requiring the **Subscriber** to provide dependent health coverage for a non-resident child. The child must meet the definition of a **Covered Dependent**, and the **Subscriber** must make a written request for coverage within 31 days of the court order.

   b. Handicapped Children.

      Coverage is available for a child who is chiefly dependent upon the **Subscriber** for support and maintenance, and who is 19 years of age or older but incapable of self-support due to mental or physical incapacity. The incapacity must have commenced prior to the age the dependent would have lost eligibility. In order to continue coverage for a handicapped child, the **Subscriber** must provide evidence of the child's incapacity and dependency to **HMO** within 31 days of the date the child's coverage would otherwise

terminate. Proof of continued incapacity, including a medical examination, must be submitted to **HMO** as requested, but not more frequently than annually beginning after the 2 year period following the child's attainment of the age specified on the Schedule of Benefits. This eligibility provision will no longer apply on the date the dependent's incapacity ends.

5. Notification of Change in Status.

It shall be a **Member's** responsibility to notify **HMO** of any changes which affect the **Member's** coverage under this **Certificate** unless a different notification process is agreed to between **HMO** and **Contract Holder**. Such status changes include, but are not limited to, change of address, change of **Covered Dependent** status, and enrollment in Medicare or any other group health plan of any **Member**. Additionally, if requested, a **Subscriber** must provide to **HMO**, within 31 days of the date of the request, evidence satisfactory to **HMO** that a dependent meets the eligibility requirements described in this **Certificate**.

6. Special Enrollment Period.

An eligible individual and eligible dependents may be enrolled during special enrollment periods. A special enrollment period may apply when an eligible individual or eligible dependent loses other health coverage or when an eligible individual acquires a new eligible dependent through marriage, birth, adoption or placement for adoption.

Special Enrollment Period for Certain Individuals Who Lose Other Health Coverage:

An eligible individual or an eligible dependent may be enrolled during a special enrollment period, if requirements a, b, c and d are met:

a. the eligible individual or the eligible dependent was covered under another group health plan or other health insurance coverage when initially eligible for coverage;

b. the eligible individual or eligible dependent declines coverage in writing under **HMO**;

c. the eligible individual or eligible dependent loses coverage under the other group health plan or other health insurance coverage for 1 of the following reasons:

   i. the other group health coverage is COBRA continuation coverage under another plan, and the COBRA continuation coverage under that other plan has since been exhausted; or

   ii. the other coverage is a group health plan or other health insurance coverage, and the other coverage has been terminated as a result of loss of eligibility for the coverage or employer contributions towards the other coverage have been terminated.

   Loss of eligibility includes a loss of coverage as a result of legal separation, divorce, death, termination of employment, reduction in the number of hours of employment, and any loss of eligibility after a period that is measured by reference to any of the foregoing.

   Loss of eligibility does not include a loss due to failure of the individual or the participant to pay **Premiums** on a timely basis or due to termination of coverage for cause as referenced in the Termination of Coverage section of this **Certificate**; and

d. the eligible individual or eligible dependent enrolls within 31 days of the loss.

The **Effective Date of Coverage** will be the first day of the first calendar month following the date the completed request for enrollment is received.

The eligible individual or the eligible dependent enrolling during a special enrollment period will not be subject to late enrollment provisions, if any, described in this **Certificate**.

Special Enrollment Period When a New Eligible Dependent is Acquired:

When a new eligible dependent is acquired through marriage, birth, adoption or placement for adoption, the new eligible dependent (and, if not otherwise enrolled, the eligible individual and other eligible dependents) may be enrolled during a special enrollment period.

The special enrollment period is a period of 31 days, beginning on the date of the marriage, birth, adoption or placement for adoption (as the case may be). If a completed request for enrollment is made during that period, the **Effective Date of Coverage** will be:

- In the case of marriage, the first day of the first calendar month following the date the completed request for enrollment is received.
- In the case of a dependent's birth, adoption or placement for adoption, the date of such birth, adoption or placement for adoption.

The eligible individual or the eligible dependents enrolling during a special enrollment period will not be subject to late enrollment provisions, if any, described in this **Certificate**.

C. **Effective Date of Coverage**.

Coverage shall take effect at 12:01 a.m. on the **Member's** effective date. Coverage shall continue in effect from month to month subject to payment of **Premiums** made by the **Contract Holder** and subject to the Termination section of the **Group Agreement**, and the Termination of Coverage section of this **Certificate**.

Hospital Confinement on **Effective Date of Coverage**.

If a **Member** is an inpatient in a **Hospital** on the **Effective Date of Coverage**, the **Member** will be covered as of that date. Such services are not covered if the **Member** is covered by another health plan on that date and the other health plan is responsible for the cost of the services. **HMO** will not cover any service that is not a **Covered Benefit** under this **Certificate**. To be covered, the **Member** must utilize **Participating Providers** and is subject to all the terms and conditions of this **Certificate**.

ALL SERVICES ARE SUBJECT TO THE EXCLUSIONS AND LIMITATIONS DESCRIBED IN THIS CERTIFICATE.

To be **Medically Necessary**, the service or supply must:

- include only those services and supplies that cannot be safely and satisfactorily provided at home, in a **Physician's** office, on an outpatient basis, or in any facility other than a **Hospital**, when used in relation to inpatient **Hospital** services; and

- as to diagnosis, care and treatment be no more costly (taking into account all health expenses incurred in connection with the service or supply) than any equally effective service or supply in meeting the above tests.

In determining if a service or supply is **Medically Necessary**, **HMO's** Patient Management Medical Director or its **Physician** designee will consider:

- information provided on the **Member's** health status;

- reports in peer reviewed medical literature;

- reports and guidelines published by nationally recognized health care organizations that include supporting scientific data;

- professional standards of safety and effectiveness which are generally recognized in the United States for diagnosis, care or treatment;

A **Member's** coverage under this **Certificate** will terminate upon the earliest of any of the conditions listed below, and termination will be effective on the date indicated on the Schedule of Benefits.

2. the **Group Agreement** terminates;

3. the **Subscriber** is no longer eligible as outlined in this **Certificate** and/or on the Schedule of Benefits; or

4. the **Subscriber** becomes covered under another plan provided by the **Contract Holder**.

B. **Termination of Dependent Coverage.**

A **Covered Dependent's** coverage will terminate for any of the following reasons:

1. a **Covered Dependent** is no longer eligible, as outlined on the Schedule of Benefits;

2. the **Group Agreement** terminates; or

3. the **Subscriber's** coverage terminates.

In the event a **Member's** coverage under this **Certificate** will terminate under subsections A.2. and B.2. of this Termination of Coverage section, **HMO** shall provide 30 days advance written notice to the **Contract Holder** of termination. The **Contract Holder** shall mail promptly to each **Member** under the **Group Agreement** and this **Certificate** a true copy of any notice of termination of the **Group Agreement**. The notice shall include the **Member's** conversion rights upon termination of the **Group Agreement**. The **Contract Holder** shall provide to the **HMO** proof of the mailing, including the date thereof. If the insurer fails to provide the 30 days notice required by this section, coverage under this **Certificate** shall remain in effect at the existing **Premium** until 30 days after the notice is given or until the effective date of replacement of coverage is obtained by the **Subscriber**, whichever occurs first.

Additionally, if the **Group Agreement** has been canceled, the **HMO** shall notify each **Subscriber** of their right to conversion coverage within 15 business days after the end of the **Group Agreement** grace period.

C. **Termination For Cause.**

HMO may terminate coverage for cause:

1. upon 31 days advance written notice, if the **Member** is unable to establish or maintain, after repeated attempts, a satisfactory physician-patient relationship with a **Participating Provider**. Notice shall be given by certified mail and return receipt requested. At the effective date of such

termination, prepayments received by **HMO** on account of such terminated **Member** or **Members** for periods after the effective date of termination shall be refunded to the **Contract Holder**.

2. upon 31 days advance written notice, if the **Member** has failed to make any required **Copayment** or any other payment which the **Member** is obligated to pay. This may include, but is not limited to, furnishing incorrect or misleading information to **HMO**, or allowing or assisting a person other than the **Member** named on the identification card to obtain **HMO** benefits. In the absence of fraud or material misrepresentation, all statements made by any **Member** or any person applying for coverage under this **Certificate** will be deemed representations and not warranties. No statement made for the purpose of obtaining coverage will result in the termination of coverage or reduction of benefits unless the statement is contained in writing and signed by the **Member**, and a copy of same has been furnished to the **Member** prior to termination.

6. upon 30 days advance written notice, if a **Member** acts in such a disruptive manner as to prevent or adversely affect the ordinary operations of **HMO** or a **Participating Provider**.

7. upon 30 days advance written notice, if a **Member** requested an **Appeal** in accordance with the **HMO's** Right to Rescind Coverage section of this **Certificate** and the appeal decision was found in favor of the **HMO**.

The fact that **Members** are not notified by the **Contract Holder** of the termination of their coverage due to the termination of the **Group Agreement** shall not deem the continuation of a **Members'** coverage beyond the date coverage terminates.

A **Member** may request an **Appeal**, as described in the Claim Procedures/Complaints and Appeals, External Review section of this **Certificate**, within 15 working days after receiving notice that **HMO** has or will terminate the **Member's** coverage as described in the Termination For Cause subsection of this **Certificate**. **HMO** will continue the **Member's** coverage in force until a final decision on the **Appeal** is rendered, provided the **Premium** is paid throughout the period prior to the issuance of that final decision. The **HMO** will refund any **Premiums** paid for that period after the termination date, minus the cost of **Covered Benefits** provided to a **Member** during this period.

Coverage will not be terminated on the basis of a **Member's** health status or health care needs, nor if a **Member** has exercised the **Member's** rights under the **Certificate's** Complaints Procedure. The **Appeal** process described in the preceding paragraph applies only to those terminations affected pursuant to the Termination for Cause subsection of this **Certificate**.

HMO's RIGHT TO RESCIND COVERAGE

HMO may, at its discretion, rescind a **Member's** coverage upon discovering, that in applying for or obtaining coverage under this **Certificate**, a material misrepresentation by the **Member** or the **Member** has committed fraud against **HMO**. This may include, but is not limited to, furnishing incorrect or misleading information to **HMO** such that if the true facts would have been made known to **HMO**, **HMO** would not have enrolled the **Member**. It may also recover from the **Member** the reasonable and recognized charges for **Covered Benefits**, plus **HMO's** cost of recovering those charges, including reasonable attorneys' fees.

A **Member** may request an **Appeal**, as described in the Claim Procedures/Complaints and Appeals, External Review section of this **Certificate**, within 15 working days after receiving notice that **HMO** has or will rescind the **Member's** coverage. If a **Member** requests an **Appeal**, coverage under this **Certificate** will not be rescinded and **HMO** will continue the **Member's** coverage in force until a final decision on the complaint is rendered, provided the **Premium** is paid throughout the period prior to the issuance of that final decision. Subject to the Termination for Cause section of this **Certificate**, **HMO** will terminate coverage if the final decision is in favor of **HMO**.

CONTINUATION AND CONVERSION

A. COBRA Continuation Coverage. COBRA is the Consolidated Omnibus Budget Reconciliation Act of 1985, and related amendments ("COBRA"). The description of COBRA which follows is intended only to summarize the **Member's** rights under the law. Coverage provided under this **Certificate** offers no greater COBRA rights than COBRA requires and should be construed accordingly. COBRA permits eligible **Members** or eligible **Covered Dependents** to elect to continue group coverage as follows:

Employees and their **Covered Dependents** will not be eligible for the continuation of coverage provided by this section if the **Contract Holder** is exempt from the provisions of COBRA.

1. Minimum Size of Group:

The **Contract Holder** must have normally employed more than 20 employees on a typical business day during the preceding **Contract Year**. This refers to the number of employees employed, not the number of employees covered by a health plan, and includes full-time and part-time employees.

2. Loss of coverage due to termination (other than for gross misconduct) or reduction of hours of employment:

Member may elect to continue coverage for 18 months after eligibility for coverage under this **Certificate** would otherwise cease.

3. Loss of coverage due to:

   a. divorce or legal separation, or
   b. **Member's** death, or
   c. **Member's** entitlement to Medicare benefits, or,
   d. cessation of **Covered Dependent** child status under the Eligibility and Enrollment section of this **Certificate**:

The **Member** may elect to continue coverage for 36 months after eligibility for coverage under this **Certificate** would otherwise cease.

4. Continuation coverage ends at the earliest of the following events:

   a. the last day of the 18-month period.
   b. the last day of the 36-month period.
   c. the first day on which timely payment of **Premium** is not made subject to the **Premiums** section of the **HMO** Document.
   d. the first day on which the **Contract Holder** ceases to maintain any group health plan.

e. the first day, after the day COBRA coverage has been elected, on which a **Member** is actually covered by any other group health plan. In the event the **Member** has a Preexisting Condition, and the **Member** would be denied coverage under the new plan for a Preexisting Condition, continuation coverage will not be terminated until the last day of the continuation period, or the date upon which the **Member's** Preexisting Condition becomes covered under the new plan, whichever occurs first.

f. the date, after COBRA coverage had been elected, the **Member** is entitled to Medicare.

5. Extensions of Coverage Periods:

a. The 18-month coverage period may be extended if an event which would otherwise qualify the **Member** for the 36-month coverage period occurs during the 18-month period, but in no event may coverage be longer than 36 months from the event which qualified the **Member** for continuation coverage initially.

b. In the event that a **Member** is determined, within the meaning of the Social Security Act, to be disabled and notifies the **Contract Holder** within 60 days of the Social Security determination and before the end of the initial 18-month period, continuation coverage for the **Member** and other qualified beneficiaries may be extended up to an additional 11 months for a total of 29 months. The **Member** must have become disabled during the first 60 days of the COBRA continuation coverage.

6. Responsibility to provide **Member** with notice of Continuation Rights: The **Contract Holder** is responsible for providing the necessary notification to **Members**, within the defined time period (60 days), as required by the COBRA.

7. Responsibility to pay **Premiums** to **HMO**: Coverage for the 60 day period as described above to initially enroll, will be extended only where the **Member** or **Member** pays the applicable **Premium** charges due within 45 days of submitting the application to the **Contract Holder** and **Contract Holder** in turn remitting same to the **HMO**.

8. **Premiums** due to the **HMO** for the continuation of coverage under this section shall be due in accordance with the procedures of the **Premiums** section of the **HMO** Document and shall be calculated in accordance with applicable federal law and regulations.

B. Continuation of Coverage under Kentucky State Law.

As an alternative to the continued coverage described in Section A, above; the **Contract Holder** shall permit **Members** whose coverage under the **Group Agreement** would otherwise terminate upon the termination of the **Member's** employment, to continue their benefits as explained in this Section.

The **HMO** is responsible for giving a **Member** notice of their right to continuation coverage upon notice from the **Contract Holder** that the **Member's** employment has terminated. The **Member** must have been continuously enrolled for 3 months under **HMO**, and pay the applicable **Premium** to the **HMO** within 31 days after the date the **Member's** coverage would have otherwise terminated. Continuation of coverage under this **Certificate** need not be granted in the following situations:

1. on the **Effective Date of Coverage**, the **Member** is or could be covered by Medicare;

2. on the **Effective Date of Coverage**, the **Member** is or could be covered by other group coverage (insured or uninsured).

This continued coverage is only available for a period of 18 months after the date that the **Member's** coverage under the **Group Agreement** would otherwise have terminated because of the termination of employment. The continued coverage may terminate before the end of that 18 month period if:

1. the **HMO** does not receive **Premium** for such coverage when due; or

2. the date the **Group Agreement** between the **Contract Holder** and the **HMO** is terminated and is not replaced by another **Group Agreement** within 31 days.

If the **Group Agreement** is terminated and replaced by a succeeding insurer, **Members** on continuation coverage under this **Certificate** shall remain covered under this **Certificate** until continuation coverage terminates according to this Section B.

If the coverage being continued under this Section B. terminates because the maximum period of continuation has been reached, conversion coverage will be available on the terms set forth in Section F, below.

The right to continue coverage under this **Certificate** shall also be available:

1. to the surviving spouse, at the death of the **Member**, with respect to the spouse and such children whose coverage under the **Group Agreement** would terminate or terminates by reason of the death of the **Member**.

2. to a child solely with respect to himself upon termination of membership in the group or his coverage by reason of operation of the limiting age of coverage under the **Group Agreement** while covered as a dependent thereunder; or

3. to a former spouse for himself and such children of whom he is awarded custody when coverage under the **Group Agreement** would terminate or terminates by reason of termination of dependency as defined in the **Group Agreement** and resulting from an order dissolving the marriage entered by a court of competent jurisdiction.

C. Extension of Benefits While **Member** is Receiving Inpatient Care.

Any **Member** who is receiving inpatient care in a **Hospital** or **Skilled Nursing Facility** on the date coverage under this **Certificate** terminates is covered in accordance with the **Certificate** only for the specific medical condition causing that confinement or for complications arising from the condition causing that confinement, until the earlier of:

1. the date of discharge from such inpatient stay;

2. the date the contractual benefit limit has been reached;

3. the date the **Member** becomes covered for similar coverage from another health benefits plan; or

4. 12 months of coverage under this extension of benefits provision.

The extension of benefits shall not extend the time periods during which a **Member** may enroll for continuation or conversion coverage, expand the benefits for such coverage, nor waive the requirements concerning the payment of **Premium** for such coverage.

D. Extension of Benefits Upon Total Disability.

Any **Member** who is **Totally Disabled** on the date coverage under this **Certificate** terminates is covered in accordance with this **Certificate**.

This extension of benefits shall only:

1. provide **Covered Benefits** that are necessary to treat medical conditions causing or directly related to the disability as determined by **HMO**; and

2. remain in effect until the earlier of the date that:

    a. the **Member** is no longer **Totally Disabled**;

    b. the **Member** has exhausted the **Covered Benefits** under this **Certificate** available for treatment of the disabling condition;

    c. the **Member** has become eligible for coverage from another health benefit plan which does not exclude coverage for the disabling condition; or

    d. after a period of 12 months in which benefits under this **Certificate** are provided to the **Member**.

The extension of benefits shall not extend the time periods during which a **Member** may enroll for continuation or conversion coverage, expand the benefits for such coverage, nor waive the requirements concerning the payment of **Premium** for such coverage.

E. Conversion Privilege.

This subsection does not continue coverage under the **Group Agreement**. It permits the issuance of an individual health care coverage agreement (conversion coverage) under certain conditions.

HMO is responsible for giving a **Member** notice of their conversion privilege:

1. upon notice from the **Contract Holder** that the **Subscriber** has terminated employment with the **Contract Holder**;

2. in the event continuation coverage ceases pursuant to expiration of COBRA benefits as described in the COBRA Continuation Coverage section of this **Certificate**, **HMO** shall notify the **Subscriber** at some time during the 180 day period prior to the expiration of coverage; or

3. upon termination of the **Group Agreement**.

Members who are eligible for Medicare at the time their coverage under this **Certificate** is terminated are not eligible for conversion.

Eligibility.

In the event a **Member** ceases to be eligible for coverage under this **Certificate** and has been continuously enrolled for 3 months under **HMO**, such **Member** may, within 31 days after termination of coverage under this **Certificate**, pay the applicable **Premium** and convert to individual coverage with **HMO**, effective as of the date of such termination, without evidence of insurability provided that **Member's** coverage under this **Certificate** terminated for 1 of the following reasons:

1. coverage under this **Certificate** was terminated, and was not replaced with continuous and similar coverage by the **Contract Holder**;

2. the **Member** ceased to meet the eligibility requirements as described in this **Certificate** and on the Schedule of Benefits, in which case the **Member** and any **Covered Dependents** who are **Members** pursuant to this **Certificate**, are eligible to convert;

3. a **Covered Dependent** ceased to meet the eligibility requirements as described in this **Certificate** and on the Schedule of Benefits because of the **Member's** age or the death or divorce of **Member**; or

4. continuation coverage ceased under the COBRA Continuation Coverage section of this **Certificate**.

A pre-existing conditions limitation may apply to individual coverage, provided a pre-existing conditions limitation applies under the Exclusions and Limitations section of this **Certificate**.

Any **Member** who is eligible to convert to individual coverage, may do so in accordance with the rules and regulations governing items such as initial **Premium** payment, the form of the agreement and all terms and conditions thereunder as **HMO** may have in effect at the time of **Member's** application for conversion, without furnishing evidence of insurability. The conversion coverage will provide benefits no less than what is then required by, and no benefits contrary to, any applicable law or regulation. However, the conversion coverage may not provide the same coverage, and may be less than what is provided under the **Group Agreement**. Upon request, **HMO** or the **Contract Holder** will furnish details about conversion coverage.

CLAIM PROCEDURES/COMPLAINTS AND APPEALS, EXTERNAL REVIEW

A **Member** may call Member Services toll-free telephone number listed on the **Member's** identification card to obtain information regarding **HMO'**s Claims Procedures, Complaints and Appeals, External Review procedures.

CLAIM PROCEDURES

A claim occurs whenever a **Member** or the **Member's** authorized representative requests pre-authorization as required by the plan from **HMO**, a **Referral** as required by the plan from a **Participating Provider** or requests payment for services or treatment received. As an **HMO Member**, most claims do not require forms to be submitted. However, if a **Member** receives a bill for **Covered Benefits**, the bill must be submitted promptly to the **HMO** for payment. Send the itemized bill for payment with the **Member's** identification number clearly marked to the address shown on the **Member's** ID card.

The **HMO** will make a decision on the **Member's** claim and will send the **Member** written notification of the determination whether adverse or not adverse.

Adverse benefit determinations are decisions made by the **HMO** that result in denial, reduction, or termination of a benefit or the amount paid for it. It also means a decision not to provide a benefit or service. Adverse benefit determinations can be made for one or more of the following reasons:

- **Utilization Review. HMO** determines that the service or supply is not Medically Necessary or are Experimental or Investigational Procedures;
- **No Coverage. HMO** determines that a service or supply is not covered by the plan. A service or supply is not covered if it is not included in the list of **Covered Benefits**;
- it is excluded from coverage;
- an **HMO** limitation has been reached; or
- **Eligibility. HMO** determines that the **Subscriber** or **Subscriber**'s **Covered Dependents** are not eligible to be covered by the **HMO**.

Written notice of an adverse benefit determination will be provided to the **Member** within the following time frames. The notice will provide important information that will assist the **Member** in making an **Appeal** of the adverse benefit determination, if the **Member** wishes to do so. Please see the Complaint and Appeals section of this **Certificate** for more information about **Appeals**.

COMPLAINTS AND APPEALS

HMO has procedures for **Members** to use if they are dissatisfied with a decision that the **HMO** has made or with the operation of the **HMO**. The procedure the **Member** needs to follow will depend on the type of issue or problem the **Member** has.

If the state of Kentucky requirements are more beneficial to the **Member**, the state requirements will govern.

- **Appeal.** An **Appeal** is a request to the **HMO** to reconsider an adverse benefit determination.
- **Complaint.** A **Complaint** is an expression of dissatisfaction about quality of care or the operation of the **HMO**.

A. **Complaints.**

If the **Member** is dissatisfied with the administrative services the **Member** receives from the **HMO** or wants to complain about a **Participating Provider**, call or write Member Services within 30 calendar days of the incident. The response will tell the **Member** what the **Member** needs to do to seek an additional review.

B. **Appeals of Adverse Benefit Determinations.**

The **Member** will receive written notice of an adverse benefit determination from the **HMO**. The notice will include the reason for the decision and it will explain what steps must be taken if the **Member** wishes to **Appeal**. The notice will also identify the **Member's** rights to receive additional information that may be relevant to an **Appeal**. Requests for an **Appeal** must be made either orally or in writing within 180 calendar days from the date of the notice.

A **Member** may also choose to have another person (an authorized representative) make the **Appeal** on the **Member's** behalf. In addition, in case of an urgent care claim or a pre-service claim, a **Physician** may also represent the **Member** in the **Appeal**.

The **HMO** provides for one level of **Appeal** of the adverse benefit determination. The **Member** must complete that level of **HMO** review before bringing a lawsuit against the **HMO**. The following chart summarizes some information about how the **Appeal** is handled for different types of claims.

The **Appeal** shall be conducted by a **Physician** who did not participate in the **Utilization Review** or adverse benefit determination at issue. However, in the case of an **Appeal** involving a medical or surgical specialty or subspecialty, **HMO** shall, upon request by a **Member** or their representative, utilize a board eligible or certified **Physician** in the appropriate specialty or subspecialty area to conduct the **Appeal**.

EXTERNAL REVIEW

Members, or an authorized person, or a **Provider** with consent of the **Member,** shall submit a request for a confidential external review to **HMO** within 60 days of the date the **Member** receives notice of the decision that an adverse benefit determination has been rendered under **HMO's Appeal** process as described above. As part of this request, the **Member** shall provide to **HMO** or its designee written consent authorizing the independent review entity to obtain all necessary medical records from both **HMO** and any **Provider** utilized for review purposes regarding the decision to deny, limit, reduce or terminate coverage.

If the **Member** has new clinical information regarding their **Appeal**. A **Member**, or individual acting on behalf of the **Member**, who has new clinical information shall provide that information to **HMO** prior to the initiation of the external review process. **HMO** shall render a decision within 5 business days from the date of the receipt of the information.

A **Member** may request external review if:

a. the **HMO** rendered an adverse benefit determination;

b. the **Member** has completed **HMO's Appeal** process, or **HMO** has failed to make a timely determination or notification of adverse benefit determination;

c. this **Certificate** was effective on the date of service or treatment or, if a pre-service denial, the **Member** was enrolled and eligible to receive **Covered Benefits** under this **Certificate** on the date the proposed service was requested; and

d. the entire cost of the treatment or service will cost the **Member** at least $100 if the **Member** has no healthcare coverage.

The **Member** shall be responsible for payment of a 1 time filing fee of $25 to be paid to the independent review entity. In addition, the fee shall be refunded if the independent review entity finds in favor of the **Member**.

The independent review entity shall render a determination within 21 calendar days of their receipt for a non-expedited external review. The determination may be extended up to an additional 14 calendar days upon agreement by the **Member** and **HMO**.

The determination may be extended up to an additional 24 hours upon agreement by the **Member** and **HMO**.

The decision of the independent review entity is final and binding on **HMO**.

COORDINATION OF BENEFITS

Definitions. When used in this provision, the following words and phrases have the following meaning:

Allowable Expense. A health care service or expense, including coinsurance and **Copayments**, that is covered at least in part by any of the **Plans** covering the **Member**. When a **Plan** provides benefits in the form of services the reasonable cash value of each service will be considered an **Allowable Expense** and a benefit paid. An expense or service that is not covered by any of the **Plans** is not an **Allowable Expense**. The following are examples of expenses and services that are not **Allowable Expenses**:

1. If a **Member** is confined in a private **Hospital** room, the difference between the cost of a semi-private room in the **Hospital** and the private room (unless the **Member's** stay in the private **Hospital** room is **Medically Necessary** in terms of generally accepted medical practice, or one of the **Plans** routinely provides coverage of **Hospital** private rooms) is not an **Allowable Expense**.

2. If a **Member** is covered by 2 or more **Plans** that compute their benefit payments on the basis of **Reasonable Charge**, any amount in excess of the highest of the **Reasonable Charges** for a specific benefit is not an **Allowable Expense**.

3. If a **Member** is covered by 2 or more **Plans** that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an **Allowable Expense**, unless the **Secondary Plan's** provider's contract prohibits any billing in excess of the provider's agreed upon rates.

4. The amount a benefit is reduced by the **Primary Plan** because a **Member** does not comply with the **Plan** provisions. Examples of these provisions are second surgical opinions, pre-authorization of admissions, and preferred provider arrangements.

If a **Member** is covered by 1 **Plan** that calculates its benefits or services on the basis of **Reasonable Charges** and another **Plan** that provides its benefits or services on the basis of negotiated fees, the **Primary Plan's** payment arrangements shall be the **Allowable Expense** for all the **Plans**.

Claim Determination Period(s). The calendar year.

Closed Panel Plan(s). A **Plan** that provides health benefits to **Members** primarily in the form of services through a panel of **Providers** that have contracted with or are employed by the **Plan**, and that limits or excludes benefits for services provided by other **Providers**, except in cases of **Emergency Services** or **Referral** by a panel **Provider**.

Coordination of Benefits (COB). A provision that is intended to avoid claims payment delays and duplication of benefits when a person is covered by 2 or more **Plans**. It avoids claims payment delays by establishing an order in which **Plans** pay their claims and providing the authority for the orderly transfer of information needed to pay claims promptly. It may avoid duplication of benefits by permitting a reduction of the benefits of a **Plan** when, by the rules established by this provision, it does not have to pay its benefits first.

Custodial Parent. A parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.

Medicare. The health insurance provided by Title XVIII of the Social Security Act, as amended. It includes **HMO** or similar coverage that is an authorized alternative to Parts A and B of **Medicare**.

Plan(s). Any **Plan** providing benefits or services by reason of medical or dental care or treatment, which benefits or services are provided by one of the following:

1. Group, blanket, or franchise health insurance policies issued by insurers, including health care service contractors;
2. Other prepaid coverage under service plan contracts, or under group or individual practice;
3. Uninsured arrangements of group or group-type coverage;
4. Labor-management trusteed plans, labor organization plans, employer organization plans, or employee benefit organization plans;
5. Medicare or other governmental benefits;
6. Other group-type contracts. Group type contracts are those which are not available to the general public and can be obtained and maintained only because of membership in or connection with a particular organization or group.

Medical benefits coverage in a group, group-type, and individual automobile "no-fault" and traditional automobile "fault" type contracts are not **Plans**.

If the contract includes both medical and dental coverage those coverages, will be considered separate **Plans**. The Medical/Pharmacy coverage will be coordinated with other Medical/Pharmacy **Plans**. In turn, the dental coverage will be coordinated with other dental **Plans**.

Plan Expenses. Any necessary and reasonable health expenses, part or all of which is covered under this **Plan**.

Primary Plan/Secondary Plan. The order of benefit determination rules state whether coverage under this **Certificate** is a **Primary Plan** or **Secondary Plan** as to another **Plan** covering the **Member**.

When coverage under this **Certificate** is a **Primary Plan**, its benefits are determined before those of the other **Plan** and without considering the other **Plan's** benefits.

When coverage under this **Certificate** is a **Secondary Plan**, its benefits are determined after those of the other **Plan** and may be reduced because of the other **Plan's** benefits.

When there are more than 2 **Plans** covering the person, coverage under this **Certificate** may be a **Primary Plan** as to 1 or more other **Plans**, and may be a **Secondary Plan** as to a different **Plan(s)**.

This **Coordination of Benefits (COB)** provision applies to this **Certificate** when a **Subscriber** or the **Covered Dependent** has medical and/or dental coverage under more than 1 **Plan.**

If any provision of this section is deemed to be invalid or illegal, that provision shall be fully severable and the remaining provisions of this section shall continue in full force and effect.

The Order of Benefit Determination Rules below determines which **Plan** will pay as the **Primary Plan**. The **Primary Plan** pays first without regard to the possibility that another **Plan** may cover some expenses. A **Secondary Plan** pays after the **Primary Plan** and may reduce the benefits it pays so that payments from all group **Plans** do not exceed 100% of the total **Allowable Expense**.

If you are covered by more than 1 health benefit **Plan**, you should file all your claims with each **Plan**.

Order of Benefit Determination.

When 2 or more **Plans** pay benefits, the rules for determining the order of payment are as follows:

A. The **Primary Plan** pays or provides its benefits as if the **Secondary Plan(s)** did not exist.

B. A **Plan** that does not contain a **COB** provision that is consistent with this provision is always primary. There is one exception: coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the **Plan** provided by the **Contract Holder**. Examples of this type of exception are major medical coverage's that are superimposed over base plan providing **Hospital** and surgical benefits, and insurance type coverages that are written in connection with a **Closed Panel Plan** to provide out-of-network benefits.

C. A **Plan** may consider the benefits paid or provided by another **Plan** in determining its benefits only when it is secondary to that other **Plan**.

D. The first of the following rules that describes which **Plan** pays its benefits before another **Plan** is the rule which will govern:

   1. **Non-Dependent or Dependent.** The **Plan** that covers the person other than as a dependent, for example as an employee, **Subscriber** or retiree is primary and the **Plan** that covers the person, as a dependent is secondary. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the **Plan** covering the person as a dependent; and primary to the **Plan** covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the 2 **Plans** is reversed so that the **Plan** covering the person as an employee, **Subscriber** or retiree is secondary and the other **Plan** is primary.

   2. **Dependent Child Covered Under More Than One Plan.** The order of benefits when a child including a newborn, is covered by more than one **Plan** is:

      a. The **Primary Plan** is the **Plan** of the parent whose birthday is earlier in the year if:

         - The parents are married;
         - The parents are not separated (whether or not they ever have been married); or
         - A court decree awards joint custody without specifying that 1 party has the responsibility to provide health care coverage.

      If both parents have the same birthday, the **Plan** that covered either of the parents longer is primary.

      b. If the specific terms of a court decree state that one of the parents is responsible for the child's health care expenses or health care coverage and the **Plan** of that parent has actual knowledge of those terms, that **Plan** is primary. This rule applies to **Claim Determination Periods** or **Plan** years commencing after the **Plan** is given notice of the court decree.

c. If the parents are not married, or are separated (whether or not they ever have been married) or are divorced, the order of benefits is:

- The **Plan** of the **Custodial Parent**;
- The **Plan** of the spouse of the **Custodial Parent**;
- The **Plan** of the non-custodial parent; and then
- The **Plan** of the spouse of the non-custodial parent.

3. **Active or Inactive Employee.** The **Plan** that covers a person as an employee who is neither laid off nor retired, is the **Primary Plan**. The same holds true if a person is a dependent of a person covered as a retiree and an employee. If the other **Plan** does not have this rule, and if, as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. Coverage provided to an individual as a retired worker and as a dependent of an actively working spouse will be determined under this section.

4. **Continuation Coverage.** If a person whose coverage is provided under a right of continuation provided by federal or state law also is covered under another **Plan**, the **Plan** covering the person as an employee, **Subscriber** or retiree (or as that person's dependent) is primary, and the continuation coverage is secondary. If the other **Plan** does not have this rule, and if, as a result, the **Plans** do not agree on the order of benefits, this rule is ignored.

5. **Longer or Shorter Length of Coverage.** The **Plan** that covered the person as an employee, **Member** or **Subscriber** longer is primary.

6. **If the preceding rules do not determine the Primary Plan**, the **Allowable Expenses** shall be shared equally between the **Plans** meeting the definition of **Plan** under this section. In addition, this **Plan** will not pay more than it would have paid had it been primary.

Effect of Benefits on this Certificate.

A. When this **Plan** is secondary, it may reduce its benefits so that the total benefits paid or provided by all **Plans** during a **Claim Determination Period** are not more than 100% of total **Allowable Expenses**. The difference between the benefit payments that this **Plan** would have paid had it been the **Primary Plan**, and the benefit payments that it actually paid or provided shall be recorded as a benefit reserve for the **Member** and used by this **Plan** to pay any **Allowable Expenses**, not otherwise paid during the claim determination period. As each claim is submitted, this **Plan** will:

1. Determine its obligation to pay or provide benefits under its contract;

2. Determine whether a benefit reserve has been recorded for the **Member**; and

3. Determine whether there are any unpaid **Allowable Expenses** during that **Claim Determination Period**.

This **Plan** shall use the **Member's** recorded benefit reserve, if any, to pay up to 100% of total **Allowable Expenses** incurred during the **Claim Determination Period**, at the end of which:

1. The benefit reserve shall return to zero; and

2. A new benefit reserve shall be created for each new **Claim Determination Period**.

The benefits of this **Plan** shall be reduced when the sum of the benefits payable under this **Plan**, in the absence of this Coordination of Benefits provision, and the benefits that would be payable under the other plans, in the absence of a Coordination of Benefits provision, whether or not a claim is made, exceeds the **Allowable Expenses** in a **Claim Determination Period**, with a reduction of benefits as follows:

(a) The benefits of this **Plan** shall be reduced so that they and the benefits payable under the other plans do not total more than the **Allowable Expenses**; and

(b) Each benefit is reduced in proportion and charged against any applicable benefit limit of the **Plan**.

B. If a **Member** is enrolled in 2 or more **Closed Panel Plans** and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by 1 **Closed Panel Plan**, **COB** shall not apply between that **Plan** and other **Closed Panel Plans**.

Effect of Medicare on COB.

The following provisions explain how the benefits under this **Certificate** interact with benefits available under **Medicare**.

A **Member** is eligible for **Medicare** any time the **Member** is covered under it. **Members** are considered to be eligible for **Medicare** or other government programs if they:

1. Are covered under a program;

2. Have refused to be covered under a program for which they are eligible;

3. Have terminated coverage under a program; or

4. Have failed to make proper request for coverage under a program.

If a **Member** is eligible for **Medicare**, coverage under this **Certificate** will pay for such benefits as follows:

If a **Member's** coverage under this **Certificate** is based on current employment with the **Contract Holder**, coverage under this **Certificate** will act as the **Primary Plan** for the **Medicare** beneficiary who is eligible for **Medicare**:

1. solely due to age if this **Plan** is subject to the Social Security Act requirements for **Medicare** with respect to working aged (i.e., generally a plan of an employer with 20 or more eligible employees);

2. due to diagnosis of End Stage Renal Disease, but only during the first 30 months of such eligibility for **Medicare** benefits. But this does not apply if at the start of such eligibility the **Member** was already eligible for **Medicare** benefits and this **Plan's** benefits were payable on a **Secondary Plan** basis;

3. solely due to any disability other than End Stage Renal Disease; but only if this **Plan** meets the definition of a large group health plan in the Internal Revenue Code (i.e., generally a plan of an employer with 100 or more eligible employees).

Otherwise, coverage under this **Certificate** will cover the benefits as the **Secondary Plan**. Coverage under this **Certificate** will pay the difference between the benefits of this **Plan** and the benefits that **Medicare** pays, up to 100% of **Plan Expenses**.

Charges used to satisfy a **Member's** Part B deductible under **Medicare** will be applied under this **Plan** in the order received by **HMO**. Two or more charges received at the same time will be applied starting with the largest first.

Any rule for coordinating "other plan" benefits with those under this **Plan** will be applied after this **Plan's** benefits have been figured under the above rules.

Those charges for non-emergency care or treatment furnished by a **Member's Physician** under a Private Contract are excluded. A Private Contract is a contract between a **Medicare** beneficiary and a **Physician** who has decided not to provide services through **Medicare**.

This exclusion applies to services an “opt out” **Physician** has agreed to perform under a Private Contract signed by the **Member**. **Physicians** who have decided not to provide services through **Medicare** must file an “opt out” affidavit with all carriers who have jurisdiction over claims the **Physician** would otherwise file with **Medicare** and be filed no later than 10 days after the first private contract to which the affidavit applies is entered into with a **Medicare** beneficiary.

Multiple Coverage Under This Plan.

If a **Member** is covered under this **Plan** both as a **Subscriber** and a **Covered Dependent** or as a **Covered Dependent** of 2 **Subscribers**, the following will also apply:

- The **Members** coverage in each capacity under this **Plan** will be set up as a separate “**Plan**”.
- The order in which various **Plans** will pay benefits will apply to the “**Plans**” set up above and to all other **Plans**.
- This provision will not apply more than once to figure the total benefits payable to the person for each claim under this **Plan**.

Right to Receive and Release Needed Information.

Certain facts about health care coverage and services are needed to apply these **COB** rules and to determine benefits under this **Plan** and other **Plans**. **HMO** has the right to release or obtain any information and make or recover any payments it considers necessary in order to administer this provision.

Facility of Payment.

Any payment made under another **Plan** may include an amount which should have been paid under coverage under this **Certificate**. If so, **HMO** may pay that amount to the organization, which made that payment. That amount will then be treated as though it were a benefit paid under this **Certificate**. **HMO** will not have to pay that amount again. The term “payment made” means reasonable cash value of the benefits provided in the form of services.

Right of Recovery.

If the amount of the payments made by **HMO** is more than it should have paid under this **COB** provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid; or any other person or organization that may be responsible for the benefits or services provided for the **Member**. The “amount of the payments made” includes the reasonable cash value of any benefits provided in the form of services.

SUBROGATION AND RIGHT OF RECOVERY

If **HMO** provides health care benefits under this **Certificate** to a **Member** for injuries or illness for which another party is or may be responsible, then **HMO** retains the right to repayment of the full cost of all benefits provided by **HMO** on behalf of the **Member** that are associated with the injury or illness for which another party is or may be responsible. **HMO’s** rights of recovery apply to any recoveries made by or on behalf of the **Member** from the following sources, as allowed by law, including but not limited to: payments made by a third-party tortfeasor or any insurance company on behalf of the third-party tortfeasor; any payments or awards under an uninsured or underinsured motorist coverage policy; any workers’ compensation or disability award or settlement; medical payments coverage under any automobile policy, premises or homeowners medical payments coverage or premises or homeowners insurance coverage; any other payments from a source intended to compensate a **Member** for injuries resulting from an accident or alleged negligence.

The **Member** specifically acknowledges **HMO’s** right of subrogation. When **HMO** provides health care benefits for injuries or illnesses for which another party is or may be responsible, **HMO** shall be subrogated to the **Member’s** rights of recovery against any party to the extent of the full cost of all benefits provided by **HMO**. **HMO** may proceed against any party with or without the **Member’s** consent.

The **Member** also specifically acknowledges **HMO’s** right of reimbursement. This right of reimbursement attaches when **HMO** has provided health care benefits for injuries or illness for which another party is or may be responsible and the **Member** and/or the **Member’s** representative has recovered any amounts from another party or any party making payments on the party’s behalf. By providing any benefit under this **Certificate**, **HMO** is granted an assignment of the proceeds of any settlement, judgment or other payment received by the **Member** to the extent of the full cost of all benefits provided by **HMO**. **HMO’s** right of reimbursement is cumulative with and not exclusive of **HMO’s** subrogation right and **HMO** may choose to exercise either or both rights of recovery.

The **Member** and the **Member’s** representatives further agree to:

A. Notify **HMO** promptly and in writing when notice is given to any party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to injuries or illness sustained by the **Member** that may be the legal responsibility of a third party; and

B. Cooperate with **HMO** and do whatever is necessary to secure **HMO's** rights of subrogation and/or reimbursement under this **Certificate**;

C. Give **HMO** a first-priority lien on any recovery, settlement or judgment or other source of compensation which may be had from any party to the extent of the full cost of all benefits associated with injuries or illness provided by **HMO** for which another party is or may be responsible (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement);

D. Pay, as the first priority, from any recovery, settlement or judgment or other source of compensation, any and all amounts due **HMO** as reimbursement for the full cost of all benefits associated with injuries or illness provided by **HMO** for which another party is or may be responsible (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement), unless otherwise agreed to by **HMO** in writing; and

E. Do nothing to prejudice **HMO's** rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits provided by **HMO**.

HMO may recover the full cost of all benefits provided by **HMO** under this **Certificate** without regard to any claim of fault on the part of the **Member**, whether by comparative negligence or otherwise. No court costs or attorney fees may be deducted from **HMO’s** recovery without the prior express written consent of **HMO**. In the event the **Member** or the **Member’s** representative fails to cooperate with **HMO**, the **Member** shall be responsible for all benefits paid by **HMO** in addition to costs and attorney's fees incurred by **HMO** in obtaining repayment.

HOME HEALTH CARE AMENDMENT

Contract Holder Group Agreement Effective Date: January 1, 2013

Aetna Health Inc. **Certificate** is hereby amended as follows:

The Definitions of **"Custodial Care", "Homebound Member", "Skilled Care"** and **"Skilled Nursing Facility"** are hereby deleted and replaced with the following definitions:

- **Custodial Care.** Services and supplies that are primarily intended to help a **Member** meet their personal needs. Care can be **Custodial Care** even if it is prescribed by a **Physician**, delivered by trained medical personnel, or even if it involves artificial methods (or equipment) such as feeding tubes, monitors, or catheters. Examples of **Custodial Care** include, but are not limited to:

  1. Changing dressings and bandages, periodic turning and positioning in bed, administering oral medication, watching or protecting a **Member.**
  2. Care of a stable tracheostomy, including intermittent suctioning.
  3. Care of a stable colostomy/ileostomy.
  4. Care of stable gastrostomy/jejunostomy/nasogastric tube (intermittent or continuous) feedings.
  5. Care of a stable indwelling bladder catheter, including emptying/changing containers and clamping tubing.
  6. Respite care, adult (or child) day care, or convalescent care.
  7. Helping a **Member** perform an activity of daily living, such as: walking, grooming, bathing, dressing, getting in and out of bed, toileting, eating, or preparing food.
  8. Any services that an individual without medical or paramedical training can perform or be trained to perform.

- **Homebound Member.** A **Member** who is confined to their place of residence due to an illness or injury which makes leaving the home medically contraindicated or if the act of transport would be a serious risk to their life or health.

  Examples where a **Member** would not be considered homebound are:

  1. A **Member** who does not often travel from home because of feebleness and/or insecurity brought on by advanced age (or otherwise).

  2. A wheelchair bound **Member** who could safely be transported via wheelchair accessible transport.

- **Skilled Nursing.** Services that require the medical training of and are provided by a licensed nursing professional and are not **Custodial Care**.

- **Skilled Nursing Facility.** An institution or a distinct part of an institution that is licensed or approved under state or local law, and which is primarily engaged in providing **Skilled Nursing** care and related services for residents who require medical or nursing care, or rehabilitation services for the rehabilitation of injured, disabled, or sick persons. **Skilled Nursing Facility** does not include institutions which provide only minimal care, **Custodial Care** services, ambulatory or part-time care services, or institutions which primarily provide for the care and treatment of mental illness and substance abuse. The facility must qualify as a **Skilled Nursing Facility** under Medicare or as an institution accredited by the Joint Commission on Accreditation of Health Care Organizations, the Bureau of Hospitals of the American Osteopathic Association, the Commission on the Accreditation of Rehabilitative Facilities, or as otherwise determined

by the health insurer to meet the reasonable standards applied by any of the aforesaid authorities. Examples of **Skilled Nursing Facilities** include Rehabilitation Hospitals (all levels of care, e.g. acute) and portions of a **Hospital** designated for Skilled or Rehabilitation services.

The **Home Health Benefits** provision under the Covered Benefits section of the **Certificate** is hereby deleted and replaced with the following:

Home Health Benefits.

The following services are covered for a **Homebound Member** when provided by a **Participating** home health care agency. Pre-authorization must be obtained from the **HMO** by the **Member's** attending **Participating Physician**. **HMO** shall not be required to provide home health benefits when **HMO** determines the treatment setting is not appropriate, or when there is a more cost effective setting in which to provide covered health care services. Coverage for **Home Health Services** is not determined by the availability of caregivers to perform the services; the absence of a person to perform a non-skilled or **Custodial Care** service does not cause the service to become covered. If the **Member** is a minor or an adult who is dependent upon others for non-skilled care (e.g. bathing, eating, toileting), coverage for **Home Health Services** will only be provided during times when there is a family member or caregiver present in the home to meet the **Member's** non-skilled needs. Coverage is subject to the maximum number of visits, if any, shown on the Schedule of Benefits.

Skilled Nursing services that require the medical training of and are provided by a licensed nursing professional are a covered benefit. Services must be provided during intermittent visits of 4 hours or less with a daily maximum of 3 visits. Up to 12 hours (3 visits) of continuous **Skilled Nursing** services per day within 30 days of an inpatient **Hospital** or **Skilled Nursing Facility** discharge may be covered, when all home health care criteria are met, for transition from the **Hospital** or **Skilled Nursing Facility** to home care. Services are subject to the limits, if any, listed in the Outpatient Home Health Visits section of the Schedule of Benefits.

Services of a home health aide are covered only when they are provided in conjunction with **Skilled Nursing** services and directly support the **Skilled Nursing.** Services must be provided during intermittent visits of 4 hours or less with a daily maximum of 3 visits. Services are subject to the limits, if any, listed in the Outpatient Home Health Visits section of the Schedule of Benefits.

Medical social services are covered only when they are provided in conjunction with **Skilled Nursing** services and must be provided by a qualified social worker.

Outpatient home health short-term physical, speech, or occupational therapy is covered when the above home health care criteria are met. Coverage is subject to the conditions and limits listed in the Outpatient Rehabilitation Benefit section of the **Certificate** and the Outpatient Rehabilitation section of the Schedule of Benefits.

The Private Duty Nursing exclusion under the Exclusions and Limitations section of the **Certificate** is hereby deleted and replaced with the following:

- Private Duty Nursing *(See the Home Health Benefits section regarding coverage of nursing services).*

The Exclusions and Limitations section of the **Certificate** is hereby amended to include the following:

- Nursing and home health aide services provided outside of the home (such as in conjunction with school, vacation, work or recreational activities).

The Aetna Health Inc. **Certificate** is hereby amended as follows:

The General Provisions section of the **Certificate** is hereby amended to include the following:

R. **Proof of Loss and Claims Payment.**

1. **Proof of Loss:** Written proof of loss must be furnished to **HMO** within 90 days after a **Member** incurs **Covered Benefits**. Failure to furnish the proof of loss within the time required will not invalidate nor reduce any claim if it is not reasonably possible to give the proof of loss within 90 days, provided the proof of loss is furnished as soon as reasonably possible. However, except in the absence of legal capacity of the claimant, the proof of loss may not be furnished later than one year from the date when the proof of loss was originally required. A proof of loss form may be obtained from **HMO** or the **Contract Holder**. If the **Member** does not receive such form before the expiration of 15 working days after **HMO** receives the request, the **Member** shall be deemed to have complied with the requirements of this **Rider** upon submitting within the time fixed in this **Rider** written proof covering the occurrence, character and extent of the loss for which claim is made.

2. **Time for Payment of Claim:** Benefits payable under this **Rider** will be paid within 30 days of filing satisfactory proof of loss. 3. **Payment of Claims:** All or any portion of any indemnities provided by the **Rider** on account of **Hospital**, nursing, medical or surgical services shall be paid to the **Provider** rendering such services; but it is not required that the service be rendered by a particular **Hospital** or person. Any payment made by **HMO** in good faith pursuant to this provision will fully discharge **HMO's** obligation to the extent of the payment. The **Member** may request that payments not be made pursuant to this provision. The request must be made in writing and must be given to **HMO** not later than the time of filing proof of loss. Payment made prior to receipt of the **Member's** written request at **HMO's** principal executive office will be deemed to be payment made in good faith.

4. Benefits payable to a **Member** shall be paid, with or without an assignment from the **Member**, to public hospitals or clinics for services and supplies provided to the **Member** if a proper claim is submitted by the public hospital or clinic. No benefits shall be paid under this section to the public hospital or clinic if such benefits have been paid to the **Member** prior to receipt of the claim by the **HMO**. Payment to the public hospital or clinic of benefits pursuant to this section shall discharge the **HMO** from all liability to the **Member** to the extent of the benefits so paid.

   Nothing in this section shall be construed to require payment of benefits for the same services or supplies to both the **Member** and the public hospital or clinic.

The **Member** shall be responsible for the payment of all charges for any service or supply in excess of the **UCR** charges or otherwise not covered by this **Rider**.

S. **Time Limitations on Service.** To be eligible for consideration as a **Covered Benefit**, any service or supply sought or received by a **Member** must be billed to and received by **HMO** no later than 12 months after the date the service was provided unless it is shown to have not been reasonably possible to furnish such proof and that such proof was furnished as soon as was reasonably possible.

SUBROGATION AND WORKERS' COMPENSATION AMENDMENT

Contract Holder Group Agreement Effective Date: January 1, 2013

The Aetna Health Inc. **Certificate** is hereby amended as follows:

The **Subrogation and Right of Recovery** provision in the **Certificate** is hereby deleted and replaced with the following:

SUBROGATION AND RIGHT OF REIMBURSEMENT

As used herein, the term "Third Party" means any party that is, or may be, or is claimed to be responsible for injuries or illness to a **Member**. Such injuries or illness are referred to as "Third Party injuries." "Responsible Party" includes any parties actually, possibly or potentially responsible for payment of expenses associated with the care or treatment of Third Party injuries.

If this Plan provides benefits under this **Certificate** to a **Member** for expenses incurred due to Third Party injuries, then **HMO** retains the right to repayment of the full cost of all benefits provided by this Plan on behalf of the **Member** that are associated with the Third Party injuries. **HMO's** rights of recovery apply to any recoveries made by or on behalf of the **Member** from any sources, including but not limited to: payments made by a Third Party or any insurance company on behalf of the Third Party; any payments or awards under an uninsured or underinsured motorist coverage policy; any Workers' Compensation or disability award or settlement; medical payments coverage under any automobile policy, premises or homeowners medical payments coverage or premises or homeowners insurance coverage; and any other payments from a source intended to compensate a **Member** for Third Party injuries.

By accepting benefits under this Plan, the **Member** specifically acknowledges **HMO's** right of subrogation. When this Plan provides health care benefits for expenses incurred due to Third Party injuries, **HMO** shall be subrogated to the **Member's** rights of recovery against any party to the extent of the full cost of all benefits provided by this Plan. **HMO** may proceed against any party with or without the **Member's** consent.

By accepting benefits under this Plan, the **Member** also specifically acknowledges **HMO's** right of reimbursement. This right of reimbursement attaches when this Plan has provided health care benefits for expenses incurred due to Third Party injuries and the **Member** or the **Member's** representative has recovered any amounts from any sources, including but not limited to: payments made by a Third Party or any insurance company on behalf of the Third Party; any payments or awards under an uninsured or underinsured motorist coverage policy; any Workers' Compensation or disability award or settlement; medical payments coverage under any automobile policy, premises or homeowners medical payments coverage or premises or homeowners insurance coverage; and any other payments from a source intended to compensate a **Member** for Third Party injuries. By providing any benefit under **Certificate**, **HMO** is granted an assignment of the proceeds of any settlement, judgment or other payment received by the **Member** to the extent of the full cost of all benefits provided by this Plan. **HMO's** right of reimbursement is cumulative with and not exclusive of **HMO's** subrogation right and **HMO** may choose to exercise either or both rights of recovery. By accepting benefits under this Plan, the **Member** and the **Member's** representatives further agree to:

A. Notify **HMO** promptly and in writing when notice is given to any party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to Third Party injuries sustained by the **Member**;

B. Cooperate with **HMO**, provide **HMO** with requested information, and do whatever is necessary to secure **HMO's** rights of subrogation and reimbursement under this **Certificate**;

C. Give **HMO** a first-priority lien on any recovery, settlement or judgment or other source of compensation which may be had from any party to the extent of the full cost of all benefits associated with Third Party injuries provided by this Plan (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement);

D. Pay, as the first priority, from any recovery, settlement, judgment, or other source of compensation, any and all amounts due **HMO** as reimbursement for the full cost of all benefits associated with Third Party injuries provided by this Plan (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement, and regardless of whether such payment will result in a recovery to the **Member** which is insufficient to make the **Member** whole or to compensate the **Member** in part or in whole for the damages sustained), unless otherwise agreed to by **HMO** in writing; and

E. Do nothing to prejudice **HMO's** rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits provided by this Plan.

F. Serve as a constructive trustee for the benefit of this Plan over any settlement or recovery funds received as a result of Third Party injuries.

HMO may recover the full cost of all benefits provided by this Plan under this **Certificate** without regard to any claim of fault on the part of the **Member**, whether by comparative negligence or otherwise. No court costs or attorney fees may be deducted from **HMO's** recovery, and **HMO** is not required to pay or contribute to paying court costs or attorney's fees for the attorney hired by the **Member** to pursue the **Member's** claim or lawsuit against any Responsible Party without the prior express written consent of **HMO.** In the event the **Member** or the **Member's** representative fails to cooperate with **HMO**, the **Member** shall be responsible for all benefits provided by this Plan in addition to costs and attorney's fees incurred by **HMO** in obtaining repayment.

RECOVERY RIGHTS RELATED TO WORKERS' COMPENSATION

If benefits are provided by **HMO** for Illness or Injuries to a **Member** and **HMO** determines the **Member** received Workers' Compensation benefits for the same incident that resulted in the illness or injuries, **HMO** has the right to recover as described under the Subrogation and Right of Recovery provision. "Workers' Compensation benefits" includes benefits paid in connection with a Workers' Compensation claim, whether paid by an employer directly, a Workers' Compensation insurance carrier, or any fund designed to provide compensation for Workers' Compensation claims.

The Recovery Rights will be applied as follows:

For Compensable Claims:

a) The **HMO** may exercise its Recovery Rights against the provider in the event that the work-related injury is deemed compensable either by the Workers' Compensation carrier, an order of the Kentucky Department of Workers' Claims approving a settlement agreement; or by a final adjudication of the claim pursuant to Kentucky Workers' Compensation laws. In such, case the

HMO may request that the provider rebill the Workers' Compensation carrier for medical treatment provided as a result of the compensable sickness or injury; or

b) The **HMO** may exercise its Recovery Rights directly against the provider when the provider has previously been paid by the carrier directly, resulting in a duplicate payment; or

c) The **HMO** may exercise its Recovery Rights directly against the Workers' Compensation carrier in an amount equal to the total benefits paid by the **HMO** for compensable work-related sickness or injury.

For Claims Paid by Means of Settlement or Compromise:

d) The **HMO** may exercise its Recovery Rights against the **Member** when the disputed claim is paid in a lump sum by means of settlement or compromise; or

e) The **HMO** may exercise its Recovery Rights against the Workers' Compensation carrier when the disputed claim is paid in a lump sum by means of settlement or compromise.

f) **HMO** may exercise its Recovery Rights against the **Member** even though the Workers' Compensation benefits are in dispute.

By accepting benefits under this Plan, the **Member** or the **Member's** representatives agree to notify **HMO** of any Workers' Compensation claim made, and to reimburse **HMO** as described above.

   Coverage will not be terminated on the basis of a Member's health status or health care needs, nor if a Member has exercised the Member's rights under the Certificate's Complaints and Appeals and External Review sections to register a Complaint with HMO. The Complaint process described in the preceding paragraph applies only to those terminations affected pursuant to the Termination for Cause subsection of the Certificate.

2. The Claims Procedure, Complaints and Appeals and **External Review** sections of the **Certificate**, and any amendments to these sections of the **Certificate** are replaced with the following:

<u>CLAIM PROCEDURES</u>

A claim occurs whenever a **Member** or the **Member's** authorized representative requests pre-authorization as required by the plan from **HMO**, a **Referral** as required by the plan from a **Participating Provider** or requests payment for services or treatment received. As an **HMO Member**, most claims do not require forms to be submitted. However, if a **Member** receives a bill for **Covered Benefits**, the bill must be submitted promptly to the **HMO** for payment. Send the itemized bill for payment with the **Member's** identification number clearly marked to the address shown on the **Member's** ID card.

HMO will make a decision on the **Member's** claim. Notice of the benefit determination on the claim will be provided to the **Member** within the below timeframes. If **HMO** makes an **adverse benefit determination**, notice will be provided in writing to the **Member**, or in the case of a concurrent care claim, to the **Participating Provider**. The notice will provide important information about making an **Appeal** of the **adverse benefit determination**. Please see the **Certificate** for more information about **Appeals**.

"**Adverse benefit determinations**" are decisions made by **HMO** that result in denial, reduction, or termination of a benefit or the amount paid for it. It also means a decision not to provide a benefit or service or termination of a **Member's** coverage back to the original effective date (rescission). Such adverse benefit determination may be based on:

- Your eligibility for coverage.
- Coverage determinations, including plan limitations or exclusions.
- The results of any Utilization Review activities.
- A decision that the service or supply is an **Experimental or Investigational Procedure**.
- A decision that the service or supply is not **Medically Necessary**.

A "final adverse benefit determination" is an adverse benefit determination that has been upheld by **HMO** at the exhaustion of the appeals process.

As soon as possible, but not later than 24 hours after the claim is made. If more information is needed to make an **Urgent Care Claim** decision, **HMO** will notify the claimant within 24 hours of receipt of the claim. The claimant has 48 hours after receiving such notice to provide **HMO** with the additional information. **HMO** will notify the claimant within 48 hours of the earlier to occur: • the receipt of the additional information; or • the end of the 48 hour period given the **Physician** to provide **HMO** with the information.

Within 15 calendar days. **HMO** may determine that due to matters beyond its control an extension of this 15-calendar day claim decision period is required. Such an extension, of not longer than 15 additional calendar days, will be allowed if **HMO** notifies the **Member** within the first 15 calendar day period. If this extension is needed because **HMO** needs more information to make a claim decision, the notice of the extension shall specifically describe the required information. The **Member** will have 45 calendar days, from the date of the notice, to provide **HMO** with the required information.

Concurrent Care Claim Extension. A request to extend a course of treatment previously pre-authorized by **HMO**.	If an urgent care claim as soon as possible, but not later than 24 hours provided the request is received at least 24 hours prior to the expiration of the approved course of treatment. A decision will be provided not later than 15 calendar days with respect to all other care, following a request for a **Concurrent Care Claim Extension**.
Concurrent Care Claim Reduction or Termination. Decision to reduce or terminate a course of treatment previously pre-authorized by **HMO**.	With enough advance notice to allow the **Member** to file an Appeal. If the **Member** files an **Appeal**, **Covered Benefits** under the **Certificate** will continue for the previously approved course of treatment until a final **Appeal** decision is rendered. During this continuation period, the **Member** is responsible for any **Copayments** that apply to the services; supplies; and treatment; that are rendered in connection with the claim that is under **Appeal**. If **HMO's** initial claim decision is upheld in the final **Appeal** decision, the **Member** will be responsible for all charges incurred for services; supplies; and treatment; received during this continuation period.
Post-Service Claim. A claim for a benefit that is not a pre-service claim.	Within 30 calendar days. **HMO** may determine that due to matters beyond its control an extension of this 30-calendar day claim decision period is required. Such an extension, of not longer than 15 additional calendar days, will be allowed if **HMO** notifies the **Member** within the first 30 calendar day period. If this extension is needed because **HMO** needs more information to make a claim decision, the notice of the extension shall specifically describe the required information. The **Member** will have 45 calendar days, from the date of the notice, to provide **HMO** with the required information.

COMPLAINTS AND APPEALS

HMO has procedures for **Members** to use if they are dissatisfied with a decision that the **HMO** has made or with the operation of the **HMO**. The procedure the **Member** needs to follow will depend on the type of issue or problem the **Member** has.

- **Appeal.** An **Appeal** is a request to the **HMO** to reconsider an adverse benefit determination. The **Appeal** procedure for an adverse benefit determination has two level(s).

- **Complaint.** A **Complaint** is an expression of dissatisfaction about the quality of care or the operation of the **HMO**.

- **External Review.** A review of an **adverse benefit determination** or a **final adverse benefit determination** by an Independent Review Organization/External Review Organization (ERO) assigned by **HMO** or the U.S. Office of Personnel Management, as determined by **HMO** and made up of **Physicians** or other appropriate **Providers**. The ERO must have expertise in the problem or question involved.

A. **Complaints**.

If the **Member** is dissatisfied with the administrative services the **Member** receives from the **HMO** or wants to complain about a **Participating Provider,** call or write Member Services. The **Member** will need to include a detailed description of the matter and include copies of any records or documents that the **Member** thinks are relevant to the matter. The **HMO** will review the information and provide the **Member** with a written response within 30 calendar days of the receipt of the **Complaint**, unless additional information is needed and it cannot be obtained within this time frame. The response will tell the **Member** what the **Member** needs to do to seek an additional review.

B. **Full and Fair Review of Claim Determinations and Appeals**

HMO will provide the **Member** with any new or additional evidence considered and rationale, relied upon, or generated by us in connection with the claim at issue. This will be provided to the **Member** in advance of the date on which the notice of the **final adverse benefit determination** is required to be provided so that the **Member** may respond prior to that date.

Prior to issuing a **final adverse benefit determination** based on a new or additional rationale, the **Member** must be provided, free of charge, with the rationale; the rationale must be provided as soon as possible and sufficiently in advance of the date on which notice of **final adverse determination** is required.

C. **Appeals of Adverse Benefit Determinations.**

The **Member** will receive written notice of an **adverse benefit determination** from the **HMO**. The notice will include the reason for the decision and it will explain what steps must be taken if the **Member** wishes to **Appeal.** The notice will also identify the **Member's** rights to receive additional information that may be relevant to an **Appeal**. Requests for an **Appeal** must be made in writing within 180 calendar days from the date of the notice.

A **Member** may also choose to have another person (an authorized representative) make the **Appeal** on the **Member's** behalf by providing the **HMO** with written consent. However, in case of an urgent care claim or a pre-service claim, a **Physician** may represent the **Member** in the **Appeal**.

A **Member** may be allowed to provide evidence or testimony during the **Appeal** process in accordance with the guidelines established by the Federal Department of Health and Human Services.

The **HMO** provides for one; two level(s) of **Appeal** of the **adverse benefit determination**. The **Member** must complete all steps in the **HMO Appeals** process before bringing a lawsuit against

the **HMO**. A **final adverse benefit determination** notice may provide an option to request an **External Review** *(if available)*. If the **Member** decides to **Appeal** to the second level, the request must be made in writing within 60 calendar days from the date of the notice. The following chart summarizes some information about how the **Appeals** are handled for different types of claims.

HMO Timeframe for Responding to an Adverse Benefit Determination Appeal

A **Member** and/or an authorized representative may attend the Level Two **Appeal** hearing and question the representative of **HMO** and/or any other witnesses, and present their case. The

hearing will be informal. A **Member's Physician** or other experts may testify. **HMO** also has the right to present witnesses.

D. **Exhaustion of Process.**

The foregoing procedures and process are mandatory and must be exhausted prior to:

1. any investigation of a **Complaint** or **Appeal** by the Department of Insurance; or

2. the filing of a **Complaint** or **Appeal** with the Department of Insurance; or

3. the establishing of any litigation, or any administrative proceeding regarding either any alleged breach of the **Group Agreement** or **Certificate** by **HMO,** or any matter within the scope of the **Complaints** and **Appeals** process.

Under certain circumstances a **Member** may seek simultaneous review through the internal Appeals Procedure and **External Review** processes—these include Urgent Care Claims and situations where the **Member** is receiving an ongoing course of treatment. Exhaustion of the applicable process of the Appeal Procedure is not required under these circumstances.

Important Note:

If **HMO** does not adhere to all claim determination and **Appeal** requirements of the Federal Department of Health and Human Services, the **Member** is considered to have exhausted the **Appeal** requirements and may proceed with **External Review** or any of the actions mentioned above. There are limits, though, on what sends a claim or an **appeal** straight to an **External Review**. A **Member's** claim or internal **Appeal** *will not* go straight to **External Review** if:

- a rule violation was minor and isn't likely to influence a decision or harm the **Member**;

- it was for a good cause or was beyond **HMO's** control; and

- it was part of an ongoing, good faith exchange between the **Member** and **HMO**.

E. **Record Retention.**

HMO shall retain the records of all **Complaints** and **Appeals** for a period of at least 7 years.

F. **Fees and Costs.**

Nothing herein shall be construed to require **HMO** to pay counsel fees or any other fees or costs incurred by a **Member** in pursuing a **Complaint** or **Appeal**.

EXTERNAL REVIEW

The **Member** may receive an **adverse benefit determination** or **final adverse benefit determination** notice because **HMO** determines that:

- the claim involves medical judgment;
- the service or supply is not **Medically Necessary** or appropriate;
- the service or supply is an **Experimental or Investigational Procedure**;.

In of these situations, **Members** may request an **External Review** if the **Member** or the **Member's Provider** disagrees with **HMO's** decision.

To request an **External Review**, any of the following requirements must be met:

- the **Member** received an **adverse benefit determination** notice by **HMO**, and **HMO** did not adhere to all claim determination and appeal requirements of the Federal Department of Health and Human services.
- the **Member** has received a **final adverse benefit determination** notice of the denial of a claim by **HMO**.
- the **Member's** claim was denied because **HMO** determined that the care was not **Medically Necessary** or appropriate or was a **Experimental or Investigational Procedure**.
- the **Member** qualifies for a faster review as explained below.

HMO's notice of **adverse benefit determination** or **final adverse benefit determination** describes the process to follow if the **Member** wishes to pursue an **External Review** and includes a copy of the *Request for External Review Form*.

The **Member** must submit the *Request for External Review Form* to the U.S. Office of Personnel Management within 123 calendar days of the date the **Member** received the **adverse benefit determination** or **final adverse benefit determination** notice. The **Member** also must include a copy of the notice and all other pertinent information that supports their request.

The Kentucky Department of Insurance will contact the ERO that will conduct the review of the **Member's** claim. The ERO will select one or more independent clinical reviewers with appropriate expertise to perform the review. In making a decision, the external reviewer may consider any appropriate credible information that the **Member** sends along with the *Request for External Review Form*, and will follow **HMO's** contractual documents and plan criteria governing the benefits. The **Member** will be notified of the decision of the ERO usually within 45 calendar days of **HMO's** receipt of the **Member's** request form and all the necessary information.

A faster review is possible if the **Member's Physician** certifies (by telephone or on a separate *Request for External Review Form*) that a delay in receiving the service would:

- seriously jeopardize the **Member's** life or health; or
- jeopardize the **Member's** ability to regain maximum function; or
- if the **Adverse Benefit Determination** relates to a **Experimental or Investigational Procedure** treatment, if the **Physician** certifies that the recommended or requested health care service, supply or treatment would be significantly less effective if not promptly initiated.

The **Member** may also receive a faster review if the **final adverse benefit determination** relates to an admission; availability of care; continued inpatient confinement; or health service for which the **Member** received **Emergency Service**, but has not been discharged from a facility.

Faster reviews are decided within 72 hours after **HMO** receives the request.

HMO will abide by the decision of the ERO, except where **HMO** can show conflict of interest, bias or fraud.

The **Member** is responsible for the cost of compiling and sending the information that they wish to be reviewed by the ERO to **HMO**. **HMO** is responsible for the cost of sending this information to the ERO and for the cost of the **external review**.

For more information about the Complaints and Appeals or **External Review** processes, call the Member Services telephone number shown on the **Member's** ID card.

If:

1. a dependent child's eligibility under a prior plan is a result of his or her status as a full-time student at a postsecondary educational institution; and

2. such dependent child is in a period of coverage continuation pursuant to a medically necessary leave of absence from school (or change in full-time student status); and

3. this plan provides coverage for eligible dependents;

AETNA OPEN ACCESS RIDER

Contract Holder Group Agreement Effective Date: January 1, 2013

HMO and **Contract Holder** agree to provide **Covered Benefits** under this plan as described below and subject to the provisions of this Rider. The **Member** may obtain certain **Covered Benefits** from **Participating Providers** without a **Referral** from their selected **PCP**.

The **HMO** Procedure section of the **Certificate** is amended to delete the following sentence:

Until a **PCP** is selected, benefits will be limited to coverage for **Medical Emergency** care.

The **HMO** Procedure section of the **Certificate** is deleted and replaced with the following:

The Primary Care Physician (PCP).

The **PCP** provides services for the treatment of routine illnesses, injuries, well baby and preventive care services which do not require the services of a **Specialist**, and for non-office hour **Urgent Care** services under this plan. The **Member's** selected **PCP** or that **PCP's** covering **Physician** is required to be available 7 days a week, 24 hours a day for **Urgent Care** services.

A **Member** is encouraged to select a **PCP** for themselves and for each of their **Covered Dependents** at the time of enrollment, however this is not a plan requirement. If a **Member** selects a **PCP**, the **Member** may change their **PCP** at any time by contacting **HMO**.

A **Member** will be subject to the **PCP Copayment** listed on the Schedule of Benefits when a **Member** obtains **Covered Benefits** from any **Participating PCP**.

Certain **PCP** offices are affiliated with integrated delivery systems or other provider groups (i.e., Independent Practice Associations and Physician-Hospital Organizations), and **Members** who select these **PCPs** will generally be referred to **Specialists** and **Hospitals** within that system or group. However, if the group does not include a **Provider** qualified to meet the **Member's** medical needs, the **Member** may request to have services provided by nonaffiliated **Providers**.

If the **Member's PCP** performs, suggests, or recommends a **Member** for a course of treatment that includes services that are not **Covered Benefits**, the entire cost of any such non-covered services will be the **Member's** responsibility.

The **Covered Benefits** section of the **Certificate** is amended to include the following provisions:

- **Self-Referred Services.**

Except as described in the Exclusions and Limitations section of this Rider, the **Certificate**, any amendments and/or riders are hereby revised to remove the requirement that a **Member** must obtain a **Referral** from their **PCP** prior to accessing **Covered Benefits** from **Participating Providers**.

Under this provision, a **Member** may directly access **Participating Specialists**, ancillary **Providers** and facilities for **Covered Benefits** without a **PCP Referral**, subject to the terms and conditions of the **Certificate** and any cost-sharing requirements set forth in the Schedule of Benefits. **Participating Providers** will be responsible for obtaining pre-authorization of services from **HMO**.

Except as described in this Rider, the Covered Benefits section and the Exclusions and Limitations section of the **Certificate** remain unchanged and the ability of a **Member** to directly access **Participating Providers** does not alter any other provisions of the **Certificate**. Except for **Emergency Services** and out-of-area **Urgent Care** services, a **Member** must access **Covered Benefits** from **Participating Providers** and facilities or benefits will not be covered under this **Certificate** and a **Member** will be responsible for all expenses incurred unless **HMO** has pre-authorized the services to a non-participating **Provider**.

The Exclusions and Limitations section of the **Certificate** is amended to delete the following exclusion:

- Unauthorized services, including any service obtained by or on behalf of a **Member** without a prior written **Referral** issued by the **Member's PCP** or certified by **HMO**. This exclusion does not apply in a **Medical Emergency** or in an **Urgent Care** situation or when it is a direct access benefit.

The Exclusions and Limitations section of the **Certificate** is amended to include the following exclusion:

- Unauthorized services obtained by the **Member** that require pre-authorization by **HMO** including but not limited to **Hospital** admissions and outpatient surgery. **Participating Providers** are responsible for obtaining pre-authorization of **Covered Benefits** from **HMO**.

The Exclusions and Limitations section of the **Certificate** is amended to include the following limitations:

- Upon pre-authorization, other treatment plans may be subject to case management and a **Member** may be directed to specific **Participating Providers** for **Covered Benefits** including, but not limited to transplants and other treatment plans.

- Supplemental plans provided under a separate contract or policy in addition to an **HMO** health benefit plan, including but not limited to dental plans and behavioral health plans, are not subject to the provisions of this Rider and a **Member** is required to abide by the terms and conditions of the separate contract or policy.

IMPORTANT HEALTH CARE REFORM NOTICES

CHOICE OF PROVIDER

If your Aetna plan generally requires or allows the designation of a primary care provider, you have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. If the plan or health insurance coverage designates a primary care provider automatically, then until you make this designation, Aetna designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact your Employer or, if you are a current member, your Aetna contact number on the back of your ID card.

If your Aetna plan allows for the designation of a primary care provider for a child, you may designate a pediatrician as the primary care provider.

If your Aetna plan provides coverage for obstetric or gynecological care and requires the designation of a primary care provider then you do not need prior authorization from Aetna or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your Employer or, if you are a current member, your Aetna contact number on the back of your ID card.

IMPORTANT HEALTH CARE REFORM INFORMATION

Some language changes in response to recent changes to preventive services coverage and women's preventive health coverage under the Federal Affordable Care Act (ACA) may not be included in the enclosed certificate of coverage. This may be because the language is still pending regulatory review and approval. However, please note that Aetna is administering medical and outpatient prescription drug coverage in compliance with the applicable components of the ACA.

The following is a summary of the recent changes to preventive services coverage and women's preventive health coverage under the ACA that applies to non-grandfathered plans that are not otherwise exempt from the requirements. Preventive services, as required by ACA, will be paid without cost-sharing such as payment percentages, copayments and deductibles.

For details on any benefit maximums and the cost-sharing under your plan, call the Member Services number on the back of your ID card.
